

Instructions: This form is to be used by graduate students who wish to write a graduate thesis and receive credit for RES603 Graduate Thesis. A prospectus of the proposed research project should be submitted to the Academic Cabinet and Thesis Committee for approval. Students must register for RES603 in the semester following the approval of the prospectus. This form should be submitted to the Registrar's Office upon approval of the Thesis Prospectus (please include a copy of the approved prospectus). After the approval of the defended (and revised if necessary) thesis, the Thesis Chair shall complete the bottom portion of this form in the Registrar's Office.
