- 2. Rationale:** This policy is necessary to ensure consistent and fair accommodations for students needing to utilize a payment plan for tuition and fees and housing charges.
- 3. Entities Affected:** Students
- 4. Definitions:** Not applicable.
- 5. Policy:**

I. Tuition and Fees

Tuition and fees are due and payable at the time of official registration each semester. Payment plans are available to eligible students and are subject to the following stipulations:

- Payment plans are available only for fall and spring semesters;
- Payment plans do not roll over from one semester to another;
- Payment plans apply to student balances remaining after all financial aid has been applied;
- Financial aid cannot be used as a form of payment towards a balance under a payment plan;
- Payment plans are available only for balances of \$200 or more.

I.A Eligibility

Payment plans are available to all students who do not have prior semester balances. Students with prior balances must pay off their balances in order to register officially for classes and qualify for a payment plan.

Students must be enrolled in at least one course for credit to qualify for a payment plan. Audit-only and sit-in-only students are not eligible.

I.B Payment Schedules

Payment plans allow students to pay their semester balance in four installments. The first payment and service fee (see below) are due at the time of the student's official registration in classes. The other three payments, each representing $\frac{1}{4}$ of the student's balance, are due on the first business day after the 18th of each subsequent month according to the following payment schedules:

Fall Payment Schedule

1st Payment – Student’s Official Registration (1/4 + service fee)

2nd Payment – September 18 (1/4)

3rd Payment – October 18 (1/4)

4th Payment – November 18 (1/4)

Spring Payment Schedule

1st Payment – Student’s Official Registration (1/4 + service fee)

2nd Payment – February 18 (1/4)

3rd Payment – March 18 (1/4)

I.C Fees

- Service Fee – A service fee is applied to a student’s bill upon approval for a payment plan.
- Late Fee – A late fee is applied to a student’s bill for payments that are at least five calendar days late. The fee will recur each month until the student’s payment is received.

II. Housing Charges and Fees

Housing charges are due and payable at the beginning of the contract period stated in the student’s Housing Contract. While the housing contract obligates the student to the full contracted amount, payment plans are available to students and are subject to the following guidelines:

- Payment plans apply to student balances prior to the application of any financial aid;
- Financial aid may be used as a form of payment towards a balance under a payment plan.

II.A Eligibility

Payment plans are available to all housing students who do not have prior semester housing balances. Students with prior housing balances must pay off their balances in order to receive a new housing contract.

II.B Payment Schedules

Payment plans divide the housing contract amount into two semester charges and allows the student to pay his/her semester’s housing balance in five installments. The first payment is due on the first day of the student’s contract period, and all subsequent payments, each representing 1/5 of the student’s housing contract amount, are due on the 1st of each successive month according to the following payment schedules:

Fall Payment Schedule

1st Payment – August 1st (1/5 semester charge)

2nd Payment – September 1st (1/5 semester charge)

3rd Payment – October 1st (1/5 semester charge)

4th Payment – November 1st (1/5 semester charge)

5th Payment – December 1st (1/5 semester charge)

Spring Payment Schedule

1st Payment – January 1st (1/5 semester charge)

2nd Payment – February 1st (1/5 semester charge)

3rd Payment – March 1st (1/5 semester charge)

4th Payment – April 1st (1/5 semester charge)

5th Payment – May 1st (1/5 semester charge)

II.C Fees

- Late Fee – A late fee is applied to a student’s bill for payments that are not made on or before the third day following the due date of the payment. Another daily late charge is applied each day thereafter until the balance is paid.
- Student Fees – A student may also incur additional fees such as, but not limited to, key replacement fees, damage fees, and cancellation fees.
