 - Academic Dismissal (or Dismissal): No longer allowed to register for courses at Criswell College
5. **Policy:** The College will assign Academic Standing according to the categories and criteria below:
 1. **Academic Warning (or Warning)**

Students are placed on Warning when either their GPA or CGPA is Unsatisfactory. They stay on Warning so long as they are making Progress, and are removed from Warning when they achieve Good Standing.

While on Warning during a fall or spring semester, undergraduate students may not take more than 12 hours, and graduate students may not take more than 9 hours. Students on Warning may not take more than 3 hours during a winter or summer term.

2. Academic Probation (or Probation)

Students are placed on Probation when, at the end of the semester on Warning, they have failed to make Progress.

Students on Probation, whose GPA and CGPA are Unsatisfactory at the end of the semester on Probation, continue on Probation a second semester. Those who make Progress during the second semester are placed on Warning.

Students on Probation, whose GPA and CGPA both become Satisfactory, return to Good Standing.

(International students should also see “International Students” under “Academic Standards” in the “Enrollment Services” section of the *Catalog*.)

While on Probation during a fall or spring semester, undergraduate students may not take more than 6 hours, and graduate students may not take more than 3 hours. Students on Probation may not take more than 3 hours during a winter or summer term. Students on Probation forfeit all institutional financial aid and might also be restricted from College extracurricular activities.

3. Academic Suspension (or Suspension)

Students are placed on Suspension for a semester (and its preceding term, if applicable) when, at the end of their second semester on Probation, they have failed to make Progress.

4. Returning from Suspension

Students returning to the College after Suspension are placed on Probation. Students who make Progress during their first semester back are then placed on Warning. Students who do not make Progress during their first semester back remain on Probation for a second semester.

5. Academic Dismissal (or Dismissal)

Students who return to the College after Suspension and do not make Progress during their first and second semesters back are Dismissed.

NOTE: The academic status and progress of students receiving V.A. benefits are monitored and reported periodically to the Department of Veteran Affairs.

6. Procedure:

1. **Implementation:** The Registrar will apply Academic Standing to student accounts within the College’s student information system.
2. **Responsibility for Compliance:** Vice President of Academic Affairs
3. **Notification:** This policy will be posted on the College’s website and in the College’s *Catalog*.
