Course Requirements and Assignments

At the completion of this course, the student of English Grammar will demonstrate the ability to identify the parts of speech and their usage in sentences and to write and speak the English language more fluently. The evaluation procedures will be based on weekly quizzes, comprehensive Mid-Term and Final Exams, and homework assignments.

Weekly Quizzes	50%
Mid-Term & Final Exams	40%
<u>Homework Assignments</u>	<u>10%</u>
Total	100%

Unless changed by the professor, homework assignments, weekly quizzes, and the Mid-Term & Final Exams are due on the dates listed herein. At the end of the semester, the professor will drop the lowest grade of one weekly quiz for all students. Grades earned on the Mid-Term Exam and the Final Exam will not be dropped.

Course/Classroom Policies and Information

During class cell phone usage is not permitted; therefore, cell phones will be turned off. If the student has an emergency or a special needs situation in which he or she needs to be contacted during class, the student needs to speak with the professor at the beginning of class. All other mobile devices will remain off unless they are being used for class-related tasks in English grammar.

Class Attendance

Students are responsible for enrolling in courses for which they anticipate being able to attend every class session on the day and time appearing on course schedules, and then making every effort to do so. When unavoidable situations result in absence or tardiness, students are responsible for acquiring any information missed. Professors are not obliged to allow students to make up missed work. Per their independent discretion, individual professors may determine how attendance affects students' ability to meet course learning objectives and whether attendance affects course grades.

Incomplete Grades

Students requesting a grade of Incomplete (I) must understand that incomplete grades may be given only upon approval of the faculty member involved. An "I" may be assigned only when a student is currently passing a course and in situations involving extended illness, serious injury, death in the family, or employment or government reassignment, not student neglect.

Students are responsible for contacting their professors prior to the end of the semester, plus filing the appropriate completed and approved academic request form with the Registrar's Office. The "I" must be

removed (by completing the remaining course requirements) no later than 60 calendar days after the grade was assigned, or the “I” will become an “F.”

Academic Honesty

Absolute truth is an essential belief and basis of behavior for those who believe in a God who cannot lie and forbids falsehood. Academic honesty is the application of the principle of truth in the classroom setting. Academic honesty includes the basic premise that all work submitted by students must be their own and any ideas derived or copied from elsewhere must be carefully documented.

Academic dishonesty includes, but is not limited to:

- cheating of any kind,
- submitting, without proper approval, work originally prepared by the student for another course,
- plagiarism, which is the submitting of work prepared by someone else as if it were his own, and
- failing to credit sources properly in written work.

Institutional Email Policy

All official college email communications to students enrolled in this course will be sent exclusively to students' institutional email accounts. Students are expected to check their student email accounts regularly and to respond in an appropriate and timely manner to all communications from faculty and administrative departments.

Students are permitted to setup automatic forwarding of emails from their student email accounts to one or more personal email accounts. The student is responsible to setup and maintain email forwarding without assistance from college staff. If a student chooses to use this forwarding option, he/she will continue to be responsible for responding appropriately to all communications from faculty and administrative departments of the college. Criswell College bears no responsibility for the use of emails that have been forwarded from student email accounts to other email accounts.

Disabilities

Criswell College recognizes and supports the standards set forth in Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990, and similar state laws, which are designed to eliminate discrimination against qualified individuals with disabilities. Criswell College is committed to making reasonable accommodations for qualifying students, faculty, and employees with disabilities as required by applicable laws.
