

### **Class Information**

**Day and Time:** Tuesday 4:15 p.m. to 6:45 p.m.

**Room Number:** E 202

### **Contact Information**

**Instructor Name:** Dr. Vickie S. Brown

**Instructor Email:** vbrown@criswell.edu

**Instructor Phone:** 214.818.1341

**Instructor Office Hours:** Monday, 9:00 to 3:00; Tuesday, 9:00 to 3:00; Thursday, 9:00 to 10:30

### **Course Description and Prerequisites**

Studies the disciplines that make up the curriculum for EC-3rd grade students. Other areas of emphasis include the history of the education of young children; issues in early childhood education; trends in early childhood education; state and federal mandates regarding programs for young children; foundations for EC-3rd learning environments such as planning curriculum based on play; partnering with families; and appropriate assessment. Incorporation of TEKS into the lesson planning process is a key element of this course.

**(Prerequisite: EDU 301)**

### **Course Objectives**

1. Identify the characteristics of learning in young children.
2. Identify many of the challenges and issues that affect the education of young children.
3. Discuss the reform initiatives that have recently changed the methods of educating young children in Texas.
4. Present the contributions of an historical educator to the education of American young children.
5. Plan a model of an early childhood classroom and play area.
6. Plan, using appropriate TEKS, and present various methods for teaching young children in each of the curriculum areas.
7. Address the need for modifications in instruction to enhance the learning experience for children with special needs.
8. Demonstrate biblically based ways of guiding the behavior of young children through the encouragement of self-control.
9. Design a program for including parents and paraprofessional in the learning process.
10. Plan, incorporate Texas Essential Knowledge and Skills, and demonstrate the learning center-based teaching model.

### **Required Textbooks**

Brewer, J., *Introduction to Early Childhood Education: Preschool Through Primary Grades*, 6<sup>th</sup> edition, Massachusetts: Allyn & Bacon, 2007. ISBN: 9780205491452

**7. Math Activity Lesson Plan:** You will plan and conduct a 10 minute portion of a mathematics lesson activity which is developmentally appropriate for early childhood students. You will provide all the needed materials and a typed lesson plan in the correct form. The lesson must incorporate a teaching model discussed in class and be “hands-on” in nature. All teaching is to be conducted in a professional manner.

**DUE: 11/05/19**

**POINTS: 5 points**

**8. Science Activity Lesson Plan:** You will plan and conduct a 10 minute portion of a science lesson activity which is developmentally appropriate for early childhood students. You will provide all the needed materials and a typed lesson plan in the correct form. The lesson must incorporate a teaching model discussed in class and be “hands-on” in nature. All teaching is to be conducted in a professional manner.

**DUE: 11/12/19**

**POINTS: 5 points**

**9. Dramatic Play Lesson Plan:** You will plan and conduct a 10 minute portion of a dramatic play lesson activity which is developmentally appropriate for early childhood students. You will provide all the needed materials and a typed lesson plan in the correct form. The lesson must incorporate a teaching model discussed in class and be “hands-on” in nature. All teaching is to be conducted in a professional manner.

**DUE: 11/19/19**

**POINTS: 5 points**

**10. Social Studies Activity Lesson Plan:** You will plan and conduct a 10 minute portion of a social studies lesson activity which is developmentally appropriate for early childhood students. You will provide all the needed materials and a typed lesson plan in the correct form. The lesson must incorporate a teaching model discussed in class and be “hands-on” in nature. All teaching is to be conducted in a professional manner.

**DUE: 12/03/19**

**POINTS: 5 points**

**11. Class Notes:** All chapter outlines are to be completed by you during the semester. Class discussions will cover portions of the notes. However, it is understood, that time constraints do not permit completion of all outlines during class. Therefore, it is your responsibility to complete the remainder of the outlines during your own studies of the text material.

**DUE: 12/03/19**

**POINTS: 5 points**

**12. Centers Teaching Model Plans:** After investigating what constitutes a quality early childhood program, you will design a unit of study. You will choose the appropriate grade level for your unit. It may range from Pre-K through 4<sup>th</sup> grade. The unit is to have a lesson plan for each of these curriculum areas: Bible, language, reading, mathematics, science, social studies, creative arts, and motor development. All eight (8) lesson plans are to follow the form that will be covered in class. They are to be typed, single-spaced, 12cpi, and bound in a binder with a title page. \*\*Each lesson is to revolve around a teaching center which utilizes independent learning activities. You will fully explain your unit and demonstrate one of the centers at the time of presentation. Your presentation is to be from 15-20 minutes in length. **This project is your Final Exam.**

**DUE: 12/10/19**

**POINTS: 15 points**

**13. Tests:** Two tests will be administered during the semester. They will cover material from the text and class discussions.

**DUE: 9/17/19 & 10/22/19**

**POINTS: 10 points each/Total of 20 points**

## **Course Information**

### **Texas Educator Standards:**

#### **Pedagogy and Professional Responsibilities EC–12 Standard I**

The teacher designs instruction appropriate for all students that reflects an understanding of relevant content and is based on continuous and appropriate assessment.

#### **Pedagogy and Professional Responsibilities EC–12 Standard II**

The teacher creates a classroom environment of respect and rapport that fosters a positive climate for learning, equity and excellence.

#### **Pedagogy and Professional Responsibilities EC–12 Standard III**

The teacher promotes student learning by providing responsive instruction that makes use of effective communication techniques, instructional strategies that actively engage students in the learning process and timely, high-quality feedback.

#### **Pedagogy and Professional Responsibilities EC–12 Standard IV**

The teacher fulfills professional roles and responsibilities and adheres to legal and ethical requirements of the profession.

#### **Technology Applications Standard I**

All teachers use technology-related terms, concepts, data input strategies and ethical practices to make informed decisions about current technologies and their applications.

#### **Technology Applications Standard V**

All teachers know how to plan, organize, deliver and evaluate instruction for all students that incorporates the effective use of current technology for teaching and integrating the Technology Applications Texas Essential Knowledge and Skills (TEKS) into the curriculum.

### **Core Subjects EC-6 Standards:**

#### **English Language Arts and Reading EC–6 Standard I**

**Oral Language:** Teachers of young students understand the importance of oral language, know the developmental processes of oral language and provide a variety of instructional opportunities for young students to develop listening and speaking skills.

#### **English Language Arts and Reading EC–6 Standard II**

**Phonological and Phonemic Awareness:** Teachers of young students understand the components of phonological and phonemic awareness and utilize a variety of approaches to help young students develop this awareness and its relationship to written language.

#### **English Language Arts and Reading EC–6 Standard III**

**Alphabetic Principle:** Teachers of young students understand the importance of the alphabetic principle to reading English, know the elements of the alphabetic principle and provide instruction that helps

students understand that printed words consist of graphic representations that relate to the sounds of spoken language in conventional and intentional ways.

#### **English Language Arts and Reading EC–6 Standard IV**

**Literacy Development and Practice:** Teachers of young students understand that literacy develops over time and progresses from emergent to proficient stages. Teachers use a variety of contexts to support the development of young students' literacy.

#### **English Language Arts and Reading EC–6 Standard IX**

**Writing Conventions:** Teachers understand how young students use writing conventions and how to help students develop those conventions.

#### **English Language Arts and Reading EC–6 Standard X**

**Assessment and Instruction of Developing Literacy:** Teachers understand the basic principles of assessment and use a variety of literacy assessment practices to plan and implement literacy instruction for young students.

#### **Mathematics Standard I**

**Number Concepts:** The mathematics teacher understands and uses numbers, number systems and their structure, operations and algorithms, quantitative reasoning and technology appropriate to teach the statewide curriculum (Texas Essential Knowledge and Skills [TEKS]) in order to prepare students to use mathematics.

#### **Mathematics Standard VII**

**Mathematical Learning and Instruction:** The mathematics teacher understands how children learn and develop mathematical skills, procedures and concepts; knows typical errors students make; and uses this knowledge to plan, organize and implement instruction; to meet curriculum goals; and to teach all students to understand and use mathematics.

#### **Mathematics Standard VIII**

**Mathematical Assessment:** The mathematics teacher understands assessment and uses a variety of formal and informal assessment techniques appropriate to the learner on an ongoing basis to monitor and guide instruction and to evaluate and report student progress.

#### **Social Studies Standard I**

The social studies teacher has a comprehensive knowledge of the social sciences and recognizes the value of the social sciences.

#### **Social Studies Standard II**

The social studies teacher effectively integrates the various social science disciplines.

#### **Social Studies Standard III**

The social studies teacher uses knowledge and skills of social studies, as defined by the Texas Essential Knowledge and Skills (TEKS), to plan and implement effective curriculum, instruction, assessment and evaluation.

#### **Social Studies Standard IX**

**Culture:** The social studies teacher understands cultures and how they develop and adapt and uses this knowledge to enable students to appreciate and respect cultural diversity in Texas, the United States and the world.

**Science Standard I**

The science teacher manages classroom, field and laboratory activities to ensure the safety of all students and the ethical care and treatment of organisms and specimens.

**Science Standard II**

The science teacher understands the correct use of tools, materials, equipment and technologies.

**Science Standard III**

The science teacher understands the process of scientific inquiry and its role in science instruction.

**Science Standard IV**

The science teacher has theoretical and practical knowledge about teaching science and about how students learn science.

**Science Standard V**

The science teacher knows the varied and appropriate assessments and assessment practices to monitor science learning.

**Art Standard II**

The art teacher understands the skills and techniques needed for personal and creative expression through the creation of original works of art in a wide variety of media and helps students develop those skills and techniques.

**Art Standard III** The art teacher understands and promotes students' appreciation of art histories and diverse cultures.

**Art Standard V**

The art teacher understands how children develop cognitively and artistically and knows how to implement effective, age-appropriate art instruction and assessment.

**Music Standard I** The music teacher has a comprehensive visual and aural knowledge of musical perception and performance.

**Music Standard VII**

The music teacher understands how to plan and implement effective music instruction and provides students with learning experiences that enhance their musical knowledge, skills and appreciation.

**Health Standard I**

The health teacher applies knowledge of both the relationship between health and behavior and the factors influencing health and health behavior.

**Health Standard II**

The health teacher communicates concepts and purposes of health education.

**Physical Education Standard I**

The physical education teacher demonstrates competency in a variety of movement skills and helps students develop these skills.

**Physical Education Standard II**

The physical education teacher understands principles and benefits of a healthy, physically active lifestyle and motivates students to participate in activities that promote this lifestyle.

**Physical Education Standard III**

The physical education teacher uses knowledge of individual and group motivation and behavior to create and manage a safe, productive learning environment and promotes students’ self-management, self-motivation and social skills through participation in physical activities.

**Physical Education Standard IV**

The physical education teacher uses knowledge of how students learn and develop to provide opportunities that support students’ physical, cognitive, social and emotional development.

**Theatre Standard I**

The theatre teacher knows how to plan and implement effective theatre instruction and assessment and provide students with learning experiences that enhance their knowledge, skills and appreciation in theatre.

**Theatre Standard II**

The theatre teacher understands and applies skills for creating, utilizing and/or performing dramatic material.

**Class Attendance**

Students are responsible for enrolling in courses for which they anticipate being able to attend every class session on the day and time appearing on course schedules, and then making every effort to do so. When unavoidable situations result in absence or tardiness, students are responsible for acquiring any information missed. Professors are not obliged to allow students to make up missed work. Per their independent discretion, individual professors may determine how attendance affects students’ ability to meet course learning objectives and whether attendance affects course grades.

**Grading Scale**

			Grade Definitions (optional)
--	--	--	------------------------------

A	93-100	4.0 grade points per semester hour	
A-	90-92	3.7 grade points per semester hour	
B+	87-89	3.3 grade points per semester hour	
B	83-86	3.0 grade points per semester hour	
B-	80-82	2.7 grade points per semester hour	
C+	77-79	2.3 grade points per semester hour	
C	73-76	2.0 grade points per semester hour	
C-	70-72	1.7 grade points per semester hour	
D+	67-69	1.3 grade points per semester hour	
D	63-66	1.0 grade point per semester hour	
D-	60-62	0.7 grade points per semester hour	
F	0-59	0.0 grade points per semester hour	

### **Incomplete Grades**

Students requesting a grade of Incomplete (I) must understand that incomplete grades may be given only upon approval of the faculty member involved. An “I” may be assigned only when a student is currently passing a course and in situations involving extended illness, serious injury, death in the family, or employment or government reassignment, not student neglect.

Students are responsible for contacting their professors prior to the end of the semester, plus filing the appropriate completed and approved academic request form with the Registrar’s Office. The “I” must be removed (by completing the remaining course requirements) no later than 60 calendar days after the grade was assigned, or the “I” will become an “F.”

### **Academic Honesty**

Absolute truth is an essential belief and basis of behavior for those who believe in a God who cannot lie and forbids falsehood. Academic honesty is the application of the principle of truth in the classroom setting. Academic honesty includes the basic premise that all work submitted by students must be their own and any ideas derived or copied from elsewhere must be carefully documented.

Academic dishonesty includes, but is not limited to:

- cheating of any kind,
- submitting, without proper approval, work originally prepared by the student for another course,
- plagiarism, which is the submitting of work prepared by someone else as if it were his own, and
- failing to credit sources properly in written work.

### **Institutional Email Policy**

All official college email communications to students enrolled in this course will be sent exclusively to students’ institutional email accounts. Students are expected to check their student email accounts regularly and to respond in an appropriate and timely manner to all communications from faculty and administrative departments.

Students are permitted to setup automatic forwarding of emails from their student email accounts to one or more personal email accounts. The student is responsible to setup and maintain email forwarding without assistance from college staff. If a student chooses to use this forwarding option, he/she will continue to be responsible for responding appropriately to all communications from faculty and administrative departments of the college. Criswell College bears no responsibility for the use of emails that have been forwarded from student email accounts to other email accounts.

## Disabilities

Criswell College recognizes and supports the standards set forth in Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990, and similar state laws, which are designed to eliminate discrimination against qualified individuals with disabilities. Criswell College is committed to making reasonable accommodations for qualifying students, faculty, and employees with disabilities as required by applicable laws. For more information, please contact the Student Services Office.

## Intellectual Property Rights

Unless otherwise specifically instructed in writing by the professor, students must neither materially nor digitally reproduce materials from any course offered by Criswell College for or with the significant possibility of distribution.

## Resources and Support

Canvas and SONIS: Criswell College uses Canvas as its web-based learning tool and SONIS for student data. Students needing assistance with Canvas should contact the Canvas Help Support line at (844) 358-6140. Tech support is available at this number, twenty-four hours a day. Students needing help with SONIS should contact the Campus Software Manager at [studenttechsupport@criswell.edu](mailto:studenttechsupport@criswell.edu).

Student Services: The Student Services Office exists to foster and encourage success in all areas of life—physical, intellectual, spiritual, social, and emotional. Students are encouraged to reach out for assistance by contacting the office at 214.818.1332 or [studentservices@criswell.edu](mailto:studentservices@criswell.edu). Pastoral and certified counseling services are also available to Criswell students. Appointments are scheduled through the Dean of Students, at [deanofstudents@criswell.edu](mailto:deanofstudents@criswell.edu).

Wallace Library: Students can access academic resources and obtain research assistance by visiting the Wallace Library, which is located on campus. For more information, go to the library website, or email the Wallace Library at [library@criswell.edu](mailto:library@criswell.edu).

Writing Center: Students are encouraged to consult with writing tutors to improve and enhance their skills and confidence by practicing techniques of clear and effective writing. To consult with a tutor, students can visit the Writing Center located on the first floor near the Computer Lab, or they can schedule an appointment by emailing [writingcenter@criswell.edu](mailto:writingcenter@criswell.edu) or calling 214.818.1373.

## Course Outline/Calendar

Date	Topic	Reading Assignment	Assignments Due

8/20/19	Syllabus Explanation	Chapter 1 pp. 1-37	
8/27/19	Growing, Thinking, and Learning	Chapter 2 pp. 38-75	
9/03/19	Designing Schools	Chapter 3 pp. 77-103	Theorists Research Paper
9/10/19	An Environment for Learning	Chapter 4 pp. 104-139	Reforms Issues Paper
9/17/19	Planning & Assessing Learning	Chapter 5 pp. 140-173	Test #1
9/24/19	Play: Learning at its Best	Ch.6 174-199	Play Video
10/01/19	Guiding Behavior	Chapter 8 pp.235-265	Classroom/Playground Design
10/08/19	Parents & Paraprofessionals	Chapter 9 pp. 266-301	Discipline Philosophy Paper
10/15/19	Celebrating Language	Chapter 10 pp.302-347	Parent Program Proposal
10/22/19	Developing Literacy	Chapter 11 pp.348-383	Test #2
10/29/19	Developing Mathematics	Chapter 12 pp.384-413	Literacy Lesson Plan
11/05/19	Discovery Through Science	Chapter 13 pp.414-451	Math Lesson Plan
11/12/19	Encouraging the Creative Arts	Chapter 14 pp.452-479	Science Lesson Plan
11/19/19	The Social Studies	Chapter 15 pp.480-508	Dramatic Play Lesson Plan (Online Submission)
11/25-29/19	Fall Break/Thanksgiving Holiday		
12/03/19	Motor Development	Chapter 7 pp. 200-235	Social Studies Lesson Plan Class Notes
12/10/19	Centers Teaching Model		Centers Teaching Model Due
