The dates for the three exams are in the schedule below.

1. BBH chapters 17 - 25
2. BBH through chapter 35
3. Final exam: primarily Jonah

B. Quizzes. See the Course Outline below for dates of the quizzes on vocabulary and grammar.

1. Vocabulary quizzes are comprehensive. See the schedule below for which chapters of vocabulary are included in each quiz.
2. One (1) quiz score may be missed/dropped without penalty. That is, your lowest quiz score will not be used to calculate your final grade.
3. A quiz that is not taken receives a grade of zero.
4. A quiz missed due to an excusable absence must be made up within one week of your return to class. You must request a make-up quiz, it will not automatically be available.
5. See the Course Outline below for the dates of the quizzes.

C. Daily homework from the *Basics of Biblical Hebrew Workbook*, Jonah, and one related to the lexicon.

1. Homework assignments are due at the beginning of class.
2. Your work will be evaluated on the basis of how much of each assignment you have completed and turned in on time.
3. You may do extra work on an assignment for up to 10% extra credit on the homework grade. Massive amounts of extra work will still only receive up to 10% extra credit.
4. No late assignments will be accepted. If you are absent on the due date, find another way to get the assignment to me, such as email, fax, or carrier pigeon. If you send it via email, use only Adobe pdf (not jpg or other format).

Course/Classroom Policies and Information

You are expected to be in class for each session. If you must miss for illness, family illness, work emergency or some other justifiable reason, contact the professor ahead of time. You will be responsible for acquiring the notes for the session from a classmate. See below for general attendance information.

Class Attendance

Students are responsible for enrolling in courses for which they anticipate being able to attend every class session on the day and time appearing on course schedules, and then making every effort to do so. When unavoidable situations result in absence or tardiness, students are responsible for acquiring any information missed. Professors are not obliged to allow students to make up missed work. Per their independent discretion, individual professors may determine how attendance affects students' ability to meet course learning objectives and whether attendance affects course grades.

Incomplete Grades

Students requesting a grade of Incomplete (I) must understand that incomplete grades may be given only upon approval of the faculty member involved. An "I" may be assigned only when a student is currently passing a course and in situations involving extended illness, serious injury, death in the family, or employment or government reassignment, not student neglect.

Students are responsible for contacting their professors prior to the end of the semester, plus filing the appropriate completed and approved academic request form with the Registrar's Office. The "I" must be removed (by completing the remaining course requirements) no later than 60 calendar days after the grade was assigned, or the "I" will become an "F."

Academic Honesty

Absolute truth is an essential belief and basis of behavior for those who believe in a God who cannot lie and forbids falsehood. Academic honesty is the application of the principle of truth in the classroom setting. Academic honesty includes the basic premise that all work submitted by students must be their own and any ideas derived or copied from elsewhere must be carefully documented.

Academic dishonesty includes, but is not limited to:

- cheating of any kind,
- submitting, without proper approval, work originally prepared by the student for another course,
- plagiarism, which is the submitting of work prepared by someone else as if it were his own, and
- failing to credit sources properly in written work.

Institutional Email Policy

All official college email communications to students enrolled in this course will be sent exclusively to students' institutional email accounts. Students are expected to check their student email accounts regularly and to respond in an appropriate and timely manner to all communications from faculty and administrative departments.

Students are permitted to setup automatic forwarding of emails from their student email accounts to one or more personal email accounts. The student is responsible to setup and maintain email forwarding without assistance from college staff. If a student chooses to use this forwarding option, he/she will continue to be responsible for responding appropriately to all communications from faculty and administrative departments of the college. Criswell College bears no responsibility for the use of emails that have been forwarded from student email accounts to other email accounts.

Disabilities

In order to ensure full class participation, any student with a disabling condition requiring special accommodations (e.g., tape recorders, special adaptive equipment, special note-taking or test-taking needs) is strongly encouraged to contact the instructor at the beginning of the course, or if a student has a learning disability, please inform the professor so assistance can be provided.

Intellectual Property Rights

Unless otherwise specifically instructed in writing by the professor, students must neither materially nor digitally reproduce materials from any course offered by Criswell College for or with the significant possibility of distribution.
