1. **Summary:** This policy establishes graduation requirements for students.
2. **Rationale:** This policy is necessary to ensure that the college allows students to graduate who have fulfilled all applicable obligations and requirements with the college.
3. **Entities Affected:** students
4. **Definitions:** Not applicable.
5. **Policy:** To be eligible for graduation, students must maintain high standards of moral and ethical conduct, settle all financial obligations with the college (at least two weeks prior to Commencement), and successfully complete their prescribed course of study. Clearance for approving a graduation application must be secured from the Business Office, Wallace Library, Registrar's Office, and Student Services Office. Students expecting to graduate should be certain that they are clear and in good standing with the college through all of these administrative and educational support areas.

Application

Students must indicate their intent to graduate by filing a completed Graduation Application form with the Registrar's Office and paying the accompanying fee by the deadline per the academic calendar. If the Graduation Application is submitted after the deadline, a late fee will be charged in addition to the application fee, both payable immediately. Late applications filed after January 31 will be moved to the next graduation class.

Commencement Attendance

On-campus students are required to attend graduation rehearsal and commencement exercises to receive their diplomas. Special requests to graduate *in absentia* must be granted by the Academic Affairs Office and filed in the student's academic records in the Registrar's Office. Students classified as online are not required to attend commencement but are encouraged to do so.

In order to participate in the May commencement, students must complete all graduation requirements two weeks prior to commencement rehearsal. No courses needed for graduation (except the travel portion of EMS 417, with professorial approval) may be deferred after the spring semester.
