Dr. Jerry A. Johnson serves as President of Criswell College. He was graduated from Criswell College in 1986, receiving the Bachelor of Arts in Biblical Studies. In 1997, he received a Master of Arts in Historical and Theological Studies from Conservative Baptist Seminary in Denver, Colorado, and in 2003, he received his Ph.D. in Christian Ethics from The Southern Baptist Theological Seminary. Previously, Dr. Johnson served as a pastor, as well as in the senior administration and faculty at The Southern Baptist Theological Seminary and Midwestern Baptist Theological Seminary.

MESSAGE FROM THE PRESIDENT

If you are interested in studying at a school where every student is entrusted with a corpus of knowledge, grounded in the Scriptures, and learns to love God more—Criswell College is the place for you. While all of our degrees are accredited, we are different from the typical college or university. At Criswell College, we view everything that we do as an act of worship. Jesus said that those who worship the Father must do so in “spirit” and “truth.” We seek to make that a reality at Criswell College by structuring our entire program along those two parallel lines.

Criswell College is about the spirit. Our top priority is to develop the spiritual lives of our students. If you graduate from Criswell College, you should love Jesus Christ more when you leave than when you came. We achieve this by emphasizing the life of the spirit in a number of ways. We have a required class in the spiritual disciplines where students learn how to walk with God. We take time twice a week to worship together as a college during chapel. Each student is required to have an active ministry project every semester. In addition to our regular outreach days where the faculty, administration, and student body share the gospel on the streets of Dallas, we require students to take a mission trip before they graduate. All of this is to encourage our students to worship God in spirit.

Criswell College is also about truth. We want to cultivate the life of the mind so that students will think deeply about the gospel. We want students to know God’s Word. We require students to learn Greek and Hebrew. They will also take a robust program of classes in Hermeneutics, Theology, Old Testament, New Testament, and Church History. But beyond that, we want our students to know something about God’s world. We have our students take classes in culture, philosophy, and history. We offer classes in logic and cinematic theology. We want to develop Christian thinkers who are passionate about the gospel and excited to engage the world of ideas from a Christian frame of reference.

When your studies emphasize the preparation of the spirit, and your academic work is based upon the truth, the result is “Scholarship on Fire!” If this is your heart’s desire, Criswell is the right choice.

Yours in His service,

Jerry A. Johnson, Ph.D.
President & Professor of Ethics and Theology

The Legacy of W. A. Criswell
1909-2002

I believe we could build here in this church, using these facilities just as they are one of the great Bible institutes, teaching God’s Word. One of the great Bible institutes in the nation...

Dr. W. A. Criswell, Founder and Chancellor
“Pictures of Silver”
October 5, 1969

I am delighted that Criswell College is an affiliated school of the Southern Baptists of Texas Convention. We at the SBTC feel very strongly that Criswell College is a vital partner as men and women are trained to be Kingdom leaders for Kingdom ministry. Together we will labor to further the gospel ministry around the world while holding fast to the inerrancy of God’s Word. I believe great days are ahead as we honor our Lord in preaching the gospel and building up the church.

Dr. Jim Richards, Executive Director
Southern Baptists of Texas Convention

What Criswell College students have to say:

From learning how to properly study the Scriptures and apply them to my life, to developing a biblical worldview for use outside the classroom, to equipping me to witness and live a missional life, my time at Criswell College has prepared me for ministry. I have also established friendships with faculty and students that have encouraged and changed me. The spiritual growth that has occurred in my life since coming to Criswell is priceless and I am truly grateful.

Valerie Clara Sallee
B.A. Student

While at Criswel College the pastoral care and concern I received from professors greatly impacted me. Professors took time out of their busy schedules to talk with me about theology in a practical way and entertained ideas and concepts that I was working through without judging me. But most of all, the professors showed me the reason we work and study so hard is to be able to apply the things we learn to lead others to Christ and edify His body.

Joshua Crutchfield
M.Div. Student
GENERAL INFORMATION

HISTORICAL OVERVIEW

Criswell College is named after its late Founder and Chancellor, Dr. W. A. Criswell, beloved long-time Pastor of the First Baptist Church Dallas. On October 5, 1969, his twenty-fifth anniversary, Dr. Criswell presented to the church his vision for an institution that would provide biblical teaching that would be both intellectually and spiritually sound.

On April 6, 1970, a committee was established to study the feasibility of the project. The committee was composed of First Baptist Church deacons who dedicated selfless hours to the cause, including W. C. McCord, (Chairman), Darrell Beckstead, Jack Brady, Mart Currell, Joel Goodwin, Grant Hensell, Andy Horner, Fulbright Mays, George Reever, Robert Schroeder, George Shearin, Howard Shipley, Clarence Talley, Charles Tandy, Cliff Winckler, and Ed Yates. After a six-month study, a report was presented to the deacon body on October 5. The report stated: “Our church should establish an institute for intensive Bible study, based on conservative evangelical Christianity as preached and practiced in our church.” The church enthusiastically approved that recommendation on October 7, 1970.

Against the wishes of the pastor, his name was attached to the Institute. The name was chosen because it expressed in a unique way the determination of its founders to build a school solidly on the Bible-centered, evangelical theology and evangelistic passion, which characterized the lifelong ministry of W. A. Criswell.

Evening classes began on January 12, 1971, with Dr. W. A. Criswell as President, Dr. James W. Bryant as Academic Dean, and Mr. Lee Roy Till as Dean of the Music School. The inaugural programs of study in 1971 included the Basic Bible Student’s Certificate and the Basic Music Student’s Certificate. The Certificate programs consisted of twelve semester hours of study, which included courses in Systematic Theology, Old Testament, and New Testament. On the first night, 329 students enrolled. For the next twenty-four months, the college continuously operated solely as a night school.
Dr. H. Leo Eddleman became the first full-time President in July 1972, and Dr. Criswell was named Chancellor. A milestone was reached on January 8, 1973, when day classes were inaugurated with approximately thirty-two students. The three-year Diploma in Biblical Studies was initiated in 1974. Dr. Eddleman’s health eventually led him to step down from the presidency, though he continued to teach Hebrew and Old Testament.

On February 24, 1975, Dr. L. Paige Patterson became President of the college, serving for the next seventeen years. The distinctives of the school became very evident: uncompromising commitment to the inerrancy of Scripture, expository preaching, the study of the biblical languages, personal evangelism, global missions, and an education in which every student was regularly involved in applied ministry venues.

The academic program was strengthened by the introduction of a B.A. curriculum in 1975. In August 1977, a graduate program was inaugurated and named, “The Criswell Graduate School of the Bible.” In October 1979, the American Association of Bible Colleges (AABC) accredited the undergraduate programs, and in 1985, the Southern Association of Colleges and Schools (SACS) accredited all programs of study. Following the recommendation of SACS in 1985, the Criswell Center for Biblical Studies became the name of the umbrella organization, which included the college and other related entities such as radio station KCBI and Criswell College Bookstore. “Criswell College” was adopted as the name for the degree-granting entity of the Criswell Center.

Since its inception, the college was housed in the facilities of the First Baptist Church Dallas. Prayers for a dedicated campus were answered in 1989, when the Gaston Avenue Baptist Church decided to relocate. Through the generous efforts of Mrs. Ruth Ray Hunt, the Gaston Avenue property was acquired for the college, and First Baptist Church Dallas along with other friends remodeled and refurbished the facility. In January 1991, the college moved onto its own campus.

At the end of the 1991–1992 academic year, Dr. Patterson left the college to become President of Southeastern Baptist Theological Seminary in Wake Forest, North Carolina. During Dr. Patterson’s presidency at Criswell College, enrollment increased from less than eighty to more than three hundred.

Dr. Richard R. Melick Jr. became the fourth President of the college in October 1992, and served through August 1996. An acknowledged New Testament Scholar with extensive academic experience, Dr. Melick came to Criswell College from Mid-America Baptist Theological Seminary, where he directed the doctoral program and chaired the New Testament Department. Under Dr. Melick’s leadership, the college experienced record enrollment growth and added several academic programs, including the Master of Arts in Christian Leadership.

On December 5, 1996, the Board of Trustees elected Dr. C. Richard Wells as the fifth President of the college. Dr. Wells had received the Master of Ministry degree from Criswell College in 1979, and returned in 1982 as Professor of Pastoral Theology, later serving also as Dean of Students. Before coming as President, Dr. Wells served on the
founding faculty of Beeson Divinity School at Samford University, Birmingham, Alabama. During his tenure, the college continued to grow in enrollment, acquired property for student housing, and added numerous academic programs, including new tracks in Humanities, Youth Ministry, Worship Leadership, Philosophical Theology, Systematic/Historical Theology, and Women’s Ministry Studies.

In 1998, conservative Texas Baptists inaugurated a new convention known as the Southern Baptists of Texas Convention (SBTC), with Dr. Jim Richards as the founding Executive Director. On June 6, 2001, after several months of discussion, the SBTC entered into an affiliation agreement with Criswell College. The college became the first institution of higher education in Texas to enter into such an agreement with the convention. This alliance formed a strategic partnership that gave both the convention and the college a greater ministry impact. The convention agreed to recommend and promote Criswell College as the college of choice. In addition the convention also began a significant program of financial support to the college through the Cooperative Program. The college is committed to training lay and vocational leaders to serve the SBTC churches and fulfill a common vision of reaching our world for Christ.

On January 10, 2002, Dr. W. A. Criswell, Founder and Chancellor of Criswell College, went home to the Savior he loved. He faithfully proclaimed the Savior’s love and grace for more than seventy-five years of effective Kingdom ministry.

On May 31, 2003, Dr. Wells resigned his post as President of Criswell College to become Senior Pastor of South Canyon Baptist Church in Rapid City, South Dakota. Dr. Lamar E. Cooper, Sr., Executive Vice President and Provost, was named Acting President by the Board of Trustees and served until the election of the new president in December 2003.

Dr. Jerry A. Johnson was elected the sixth President of the college on December 5, 2003. He was graduated from Criswell College in 1986, receiving the Bachelor of Arts in Biblical Studies degree. He furthered his education with a Master of Arts in Historical and Theological Studies from Conservative Baptist Seminary in Denver, Colorado, and a Ph.D. in Christian Ethics from The Southern Baptist Theological Seminary.

In addition to his academic training, he served as a trustee and later as chairman of the Southern Baptist Theological Seminary Board. He later served on staff as Assistant Director of Development and in 2001 became an Instructor at Boyce College, and afterward as Dean and Assistant Professor of Christian Ethics. Dr. Johnson also pastored churches in Texas and Colorado and served as interim pastor in Kentucky and Indiana. During his presidency, the college enhanced its relationship with the Southern Baptists of Texas Convention through the Hispanic Initiative, increased endowments, expanded the Criswell Theological Review, acquired Mishkan (a journal for Jewish Studies), and began ground work for the college to achieve autonomy to further its educational mission.

As Criswell College and First Baptist Church of Dallas began to negotiate a new governance arrangement, Dr. Johnson stepped aside and resigned as President in August
2008, while Dr. Lamar Cooper resumed his role as Interim President during the transition period.

By mutual agreement between Criswell College and First Baptist Church Dallas, Criswell College became an independent entity in 2010. As part of the agreement with the church, the college and the church share a 50-50 ownership interest in Criswell Communications and its affiliated stations: KCBI in Arlington, Texas, KCRN in San Angelo, Texas, and KSYE in Frederick, Oklahoma. Also by mutual agreement, the church manages this broadcast ministry.

On November 5, 2010, the Board of Trustees unanimously elected Dr. Jerry A. Johnson, Vice President for Academic Development at Midwestern Baptist Theological Seminary, to return as President and Chief Executive Officer of Criswell College.

Today, by God’s grace, Criswell College thrives in a downtown campus, with committed full-time faculty and a cadre of outstanding adjunct professors. Undergraduates now benefit from more transferable/curriculum electives and a larger number of degree minor choices as well as the option of Church Planting and Revitalization as a second major. Graduate student degree offerings have increased to include a new 100% Online Master of Arts in Christian Studies, as well as Master of Arts degrees in Counseling, Jewish Studies, and a wider range of biblical studies choices. The Master of Divinity degree is now offered in Monday only classes and other graduate degrees can be completed as a night student only. In its history students have enrolled from forty-six states and fifty-seven countries. By God’s grace, Criswell College is moving in strategic new directions for His glory and kingdom.

ACCREDITATION, AFFILIATIONS, AND MEMBERSHIPS

Criswell College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the Associate of Arts, Bachelor of Arts, Master of Arts, and Master of Divinity degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Criswell College.

Criswell College participates in the Title IV federal funding program which provides financial aid to eligible students. The college is also approved for the training of eligible veterans under the GI Bill education benefits, Title 38, U.S. Code. Interested parties should contact the Department of Veterans’ Affairs or the college’s veterans’ representative in the Financial Aid Office.

Criswell College is authorized by the U.S. Department of Homeland Security, under Federal law, to enroll non-immigrant international students.

The administrators of the college maintain memberships in the following professional and academic officers’ regional and national associations: the Association for Governing Boards, Association for Christians in Student Development, College and University

PHILOSOPHY OF EDUCATION

Criswell College seeks to maintain the highest standards of excellence. To that end, the trustees and administration encourage and assist the faculty in the ongoing development of professional knowledge and skill. As an institution with a specific religious orientation, mission, and purpose, Criswell College subscribes to and upholds the following statements, which constitute our philosophy of ministerial education:

1. The proper basis for the integration of all knowledge is the Bible, the self-revelation of the triune personal God.

2. The privilege and duty of every Christian is to share in the evangelization of the world and to participate in the work of the church to that end.

3. In order to serve the Lord Jesus Christ, every Christian should equip himself as his gifts and opportunities allow.

4. The supreme Teacher is the Holy Spirit. This divine Teacher has various ways of working. He works as the believer prayerfully studies the Scriptures on his own. However, other ways in which He works must not be neglected. In particular, the ascended Savior has given to His church men who are gifted to teach, and He wants His people individually and His church as a whole to benefit from their ministry (Eph 4:7–14).

5. The Master-Disciple dynamic observed in the life of Christ serves as a timeless pedagogical model. Having spent years in sharing His life with His disciples, they became recognized as those who had been with Jesus (Acts 4:13). The teachers whom He places in His church should not only instruct in formal settings, but also take time to share their lives with their students.

6. The sphere in which Christians are trained for service must have the following characteristics:
a. The Bible must be the supreme textbook.
b. The great Gospel doctrines of the Bible must be taught clearly, forcibly, and as truths that inflame the heart.
c. All those who teach must be in wholehearted agreement with the essential doctrines of “the faith,” which were once delivered to the saints (Jude 3). These doctrines include the sole authority, verbal inspiration, and inerrancy of the Holy Scriptures; the Father, the Son and the Holy Spirit as three Persons, but one God; the full deity and full humanity of the Lord Jesus Christ; His virgin conception, His penal substitutionary atonement, His death, bodily resurrection, and visible return; justification by grace alone through faith alone; and the eternal bliss of the believer, and the eternal punishment of the unconverted.
d. Learning in the classroom must go hand-in-hand with actual Christian service, especially in evangelism.
e. Evangelism at home and evangelism abroad must never be divorced, but must be seen together as one task. A concern for mission work in foreign countries must be encouraged.

7. The views of Criswell College concerning the church and the ordinances are unequivocally Baptist. In these matters, we freely submit to the New Testament as the sole rule of faith and practice. The local church is, therefore, a gathered community of those who have confessed their faith in the Lord Jesus Christ, independent of all external human control, in order to be free to obey the Lord. Baptism is the immersion in water of those who have professed repentance and faith in the Lord Jesus Christ. Both baptism and the Lord’s Supper are to be practiced as symbolic ordinances of the local church.

FACILITIES

Criswell College moved to its current Gaston Avenue location in 1991. Through the generous efforts of Mrs. Ruth Ray Hunt, the property and facilities of the former Gaston Avenue Baptist Church were acquired. First Baptist Church Dallas, along with other friends, funded extensive renovations transforming the facilities to a superb campus.

B.J. and Rose Ann Glascock Radio Studio

Constructed and dedicated in 1998, this radio facility is a fully equipped, multi-track audio production and broadcast suite that features state-of-the-art digital based systems. Dr. Barry Creamer, Vice President of Academic Affairs and one of the college’s Humanities professors, hosts For Christ and Culture each weekday. This talk radio program embodies the college’s mission statement and philosophy of education by focusing and responding to current issues from a biblical worldview. It is produced from this studio and broadcast over First Dallas Media Inc. stations.
Cafeteria

The Cafeteria is located on the basement floor of the Farry Building, accessible to students, faculty, and the public. The Cafeteria provides an excellent environment for relaxation and spiritual growth through relational conversation and fellowship. The Cafeteria has become the heart of the campus, where students can also enjoy hot foods for breakfast, lunch, and dinner.

Charles P. Shelby Computer Lab

Opened in August 1994, the Charles P. Shelby Computer Lab houses twenty workstations. The lab runs Windows XP, Word, Excel, Power Point, Access, and Logos, a Bible software program.

C. S. Lewis Writing Center

The C. S. Lewis Writing Center, located on the third floor of the Wallace Library, was created to offer an accessible, comfortable, collaborative environment for writers of all abilities and works together with professors to provide a comprehensive, consistent educational experience for all participating students. It is the aim of the writing center to foster the growth and confidence of writers by clarifying and promoting effective writing techniques, while serving the college community and beyond through the resource of the Writing Center section of www.criswell.edu.

Farry Building

The principal facility, named in honor of Nelson and Velma Farry, consists of four levels. The basement houses Horner Hall, named in honor of Mr. and Mrs. Andy Horner. The first floor accommodates the office of the President, along with the Offices for Business, Development, Enrollment Services, Student Services, Registrar, and the Pasche Institute of Jewish Studies. The second floor consists entirely of instructional classrooms, including the John Jasper Homiletics Laboratory. The third floor consists of the offices for the Vice President of Academic Affairs, faculty, and information technology operations, in addition to the B. J. and Rose Ann Glascock Broadcast Studio.

Horner Hall

Located in the basement of the Farry Building, the hall is named for Andy and Joan Horner, in gratitude for their sacrificial service to the college. A spacious facility for banquets, luncheons, and receptions, Horner Hall is a multi-purpose facility. Renovations to Horner Hall, completed in the fall of 1994, also provided recreation areas, a student lounge, and the Chancellor’s Dining Room. In 2010, Horner Hall was renovated once again and now has state-of-the-art audio/visual equipment and a professional quality kitchen. The student recreation room was also renovated and includes new ping pong tables, an HD television with cable access, and wireless internet.
John Jasper Preaching Lab

Preaching students benefit from the John Jasper Homiletics Laboratory. Equipped with state-of-the-art video equipment, the Preaching Lab enables students to develop and refine their preaching styles and pulpit skills.

Pendleton Gymnasium

Pendleton Gym is a multi-purpose facility used for basketball, volleyball, and other sports to enhance students’ educational experience. The facility is also used for special events.

Ruth Chapel

Dedicated in honor of Mrs. Ruth Ray Hunt, Ruth Chapel accommodates graduation services and a variety of other special events. The 1,700 seat auditorium initially served the congregation of Gaston Avenue Baptist Church. Refurbished in 1990 through the generosity of Mrs. Hunt, Ruth Chapel is a superb worship and special event facility.

Wallace Library

The Wallace Library, named for Mr. and Mrs. Robert Wallace, was the original Gaston Avenue Baptist Church building. Built in 1904, and renovated in the late 1980s, this stately, three-story edifice houses the college’s collection of books and learning resources. The Library includes approximately 71,000 cataloged books, in addition to the W. A. Criswell Collection of 3,200 volumes from his personal library, the Pasche Institute Collection for Jewish Studies with 2,600 volumes, a rare books collection of 3,500 volumes (mostly in the area of Baptist church history) and some 500 periodical titles. The library is the primary landmark of the college’s campus. Library facilities are intended primarily for student and faculty use, and are available to the public on a limited basis.

The present facility provides a reference section, abundant study space, wireless internet, computer lab, copier, and room for additional library growth. The library catalog is available online and is accessible on and off campus. In addition, the library subscribes to a number of electronic databases covering all areas of the curriculum, also available on and off campus.

Criswell College is a member of TexShare, a statewide consortium of academic and public libraries administered by the Texas State Library and Archives Commission. The program is designed to facilitate resource sharing among member libraries. The TexShare card program is designed to allow registered users of participating institutions to borrow materials directly from the libraries of other participating institutions. The TExpress courier service provides two-day-a-week pickup and delivery service to participating libraries, with deliveries around the state in two days. This latter service
provides faster, more cost effective delivery of interlibrary loan materials within the state.

BROADCAST COMMUNICATIONS

Criswell College and First Baptist Church Dallas each own a 50% interest in First Dallas Media, Inc., a not-for-profit organization that owns and operates KCBI-FM in Arlington, Texas. Affiliated stations KSYE in Frederick, Oklahoma and KCRN in San Angelo, Texas extend the reach of KCBI-FM throughout southern Oklahoma and west Texas. Listeners on worldwide internet give the station a global outreach. Management of the day-to-day operation of the radio station is facilitated by First Baptist Church Dallas. This ministry agreement gives the college a public voice to express its educational mission statement and evangelistic priorities articulated in the college’s Articles of Faith and biblical philosophy of education.

Five days per week, Criswell College broadcasts on KCBI-FM the program “For Christ and Culture,” hosted by our Academic Dean and Professor, Dr. Barry Creamer. Each day KCBI-FM features America’s favorite Bible teaching and Christian music, along with award-winning news and information programs. The radio station has broadcast hope and help for thirty-five years and is on the air twenty-four hours a day. KCBI is supported by voluntary contributions from thousands of believers, with membership in over 1,000 different churches. More than a radio station, KCBI-FM is a full-time ministry, touching lives here and around the world.

The KCBI-FM broadcast staff and its affiliate stations personnel are among the most experienced and best qualified in the industry. Staff members are active in local and national professional organizations, and are recognized as some of the best in the nation. The KCBI-FM news department has won Associated Press awards for more than ten years. Recent industry surveys show that KCBI-FM has seen consistent and dramatic audience growth over the last several years, and in 2011 it was voted NRB Radio Station of the Year.

ENDOWED CHAIRS

Hope for the Heart Chair of Biblical Counseling

The purpose of the bachelor’s and master’s counseling degree programs at Criswell College is to train biblical counselors to minister effectively to the needs of the hurting within a distinctly Christian worldview.

Dr. June Hunt is founder of Hope for the Heart, a worldwide biblical counseling broadcast heard daily across America (90.9 KCBI in Dallas) and a live two-hour call-in counseling program heard each week night. She has developed Counseling Through the Bible, a scripturally-based counseling course addressing one hundred topics in her “reality counseling” format. Dr. Hunt has also authored the Biblical Counseling Keys—a curriculum designed to teach healthy thinking and living patterns. These Counseling Keys have become
the foundation for the Biblical Counseling Institute for Hope, initiated by the Criswell College, where Dr. Hunt earned her Master of Arts degree in counseling. The Hope for the Heart Chair of Biblical Counseling was established to train future leaders to apply God’s truth to today’s problems.

W. A. Criswell Chair of Expository Preaching

In 1970, out of his deep concern over liberalism seeping into the pulpits of America, Dr. Criswell founded Criswell College in Dallas to train a new generation of expository preachers who would stand confidently on the inerrancy and authority of the Bible as the Word of God.

What Spurgeon was to the nineteenth century, W. A. Criswell was to the twentieth. An expositor and orator without peer, he had a scholar’s mind, a pastor’s heart, and a missionary’s zeal. He was devoted to the church of the Lord Jesus Christ, and he longed to see preachers prepared to preach the Bible for the salvation of the lost and growth in grace of the saved.

The Criswell Foundation, under Dr. Jack Pogue’s leadership, leaves this legacy through the W. A. Criswell Chair of Expository Preaching for new generations of Christian leaders that is captured in the closing line of Dr. Criswell’s weekly “Pastor’s Pen” column in which he stated, “I’ll see you Sunday with a Bible in my hand, and a message from God in my heart.”

INSTITUTES

Hope For The Heart Counseling Institute

Criswell College partners with Hope for the Heart, a nationwide radio ministry featuring Dr. June Hunt. The college offers the choice of a psychology minor in its B.A. degree and a Master of Arts in Counseling. This relationship with Hope for the Heart Counseling Institute offers student opportunities for in-service practicums at the Master’s level and observational opportunities for undergraduates. Occasional on-campus workshops are hosted to assist students, pastors, and leaders to biblically counsel others in order to help them overcome life’s difficulties.

Jerry Vines Institute of Biblical Preaching

The Jerry Vines Institute of Biblical Preaching was founded in the belief that the desperate need of the church and of the world in the twenty-first century, as in the first, is biblical preaching. The mission of the Jerry Vines Institute of Biblical Preaching is to glorify God through His church by equipping, enabling, and encouraging today’s preachers in the art and science of biblical preaching.

During Dr. Vine’s years as co-pastor of First Baptist Church Jacksonville, the church began a five-day conference for pastors. Major leaders in pastoral ministry across the U.S.
participate in this conference. Criswell College attends this conference as a function of the Jerry Vines Institute of Biblical Preaching and offers appropriate course credit for students attending this expanded venue for pastoral leadership and practice. Students are exposed to a wide range of training opportunities by developing resource materials, networks, and conducting/facilitating research, in order to foster biblical preaching and teaching.

Pasche Institute of Jewish Studies

The Pasche Institute of Jewish Studies is committed to helping Christians have God’s heart for Israel and training leaders to minister to the Jewish people, to multiply and strengthen Kingdom leaders for ministry to the Jewish people, and to significantly contribute to the scholarship of Jewish studies. All instruction is based on conservative, evangelical doctrine. Specifically, all instruction is based on the inerrancy of Scripture, pre-millennial faith, and the continuing validity of the Abrahamic Covenant with the Jewish people. All of the faculty believe and teach that a personal relationship with God is only available by grace through faith in the atonement provided by Jesus, the Messiah of Israel.

SBTC Institute for Hispanic Studies

The affiliated relationship between the Southern Baptists of Texas Convention and Criswell College has, among other things, produced a commitment for ministering to the growing Hispanic population in the state of Texas. This has led to the formation of a joint educational venture for training pastors to lead SBTC Hispanic churches and start church plants, all in the historic biblical, theological, and evangelistic tradition of the Criswell College’s Articles of Faith and Philosophy of Education for the classroom, and in practical ministry. Because of this common focal point in the college’s and SBTC’s long range planning, the Institute for Hispanic Studies is reaching out to train pastors in their first language, Spanish. Pastors earn certificate credit from the SBTC and can use this educational work for transfer into the college’s Diploma Program taught in a bilingual format. After earning the Diploma in Biblical Studies, qualifying students can enter the Associate of Arts or Bachelor of Arts programs. The generosity of the SBTC makes this joint venture in pastoral ministry training affordable for many.

CRISWELL COLLEGE ARTICLES OF FAITH

Criswell College operates under a confessional statement. In keeping with a long tradition, the college has adopted the Southern Baptist Convention’s Baptist Faith and Message (2000) doctrinal statement, with several amendments added (in italics) to make it more consistent with Dr. Criswell’s theology:

I. The Scriptures

The Holy Bible was written by men divinely inspired and is God’s revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation
for its end, and truth, without any mixture of error, for its matter. *It is inerrant and infallible in its original manuscripts which are to be taken as verbally inspired.* Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

II.  God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A.  God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B.  God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ, He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience and, in His substitutionary death on the cross, He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared
to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination, He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Savior and effects regeneration. At the moment of regeneration, He baptizes every believer into the Body of Christ.

He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus a part of the goodness of God’s creation. In the beginning, man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice, man sinned against God and
brought sin into the human race. Through the temptation of Satan, man transgressed the command of God, and fell from his original innocence, whereby his posterity inherited a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

IV. Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense, salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God’s grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour.

B. Justification is God’s gracious and full acquittal, upon principles of His righteousness, of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God’s purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person’s life.

D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. God’s Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God’s sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation, each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men, as qualified by Scripture. The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.
VII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. The Lord's Day

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be commensurate with the Christian's conscience under the Lordship of Jesus Christ.

IX. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead in Christ will rise first, then we who are alive and remain until the coming of the Lord shall be caught up together with them in the clouds to meet the Lord in the air. After the judgments of God upon this sinful world in the Great Tribulation, Jesus our Lord will come with his saints to establish His millennial kingdom. Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man’s spirit by God’s Holy Spirit means the birth of love for others. Missionary efforts on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness, undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

XII. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive, along with these, the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ’s people.
In Christian education, there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are, therefore, under obligation to serve Him with their time, talents, and material possessions, and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer’s cause on earth. The tithe is to be considered the starting place of Christian stewardship.

XIV. Cooperation

Christ’s people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ’s Kingdom. Christian unity, in the New Testament sense, is spiritual harmony and voluntary cooperation for common ends by various groups of Christ’s people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word, as revealed in the New Testament.

XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. Therefore, the greatest contribution the church can make to social betterment is to bring individual men to a heart-changing encounter with Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends, Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love, without compromising their loyalty to Christ and His truth.

XVI. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ, they should do all in their power to put an end to war. The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

XVII. Religious Liberty

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men, which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom,
no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The Church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

XVIII. The Family

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption. Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God’s unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God’s image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband, even as the church willingly submits to the headship of Christ. She, being in the image of God, as is her husband, and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God’s pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.

ENROLLMENT SERVICES

PHILOSOPHY OF ENROLLMENT

In keeping with the mission of Criswell College, the Office of Enrollment Services recruits and admits qualified students who seek a professional and applied educational experience based on an explicitly biblical Christian worldview. The final decision to admit a student rests with the Admission Committee, which comprises faculty, staff, and admission personnel. Since its inception, Criswell College has focused on training scholars for leadership roles related to Christian ministry. Currently, in light of the emerging educational needs of Christian leadership, the college is expanding its vision through the mission statement to include persons who desire to be involved in Christian service and may not be preparing for vocational ministry per se, yet desire an educational foundation based on the inerrant Word of God.

DISTINCTIVES OF CRISWELL COLLEGE

Criswell College welcomes prospective students to apply who can meet the college’s admission criteria, and who value a distinctively Christian, biblically-based philosophy of education founded in God’s inerrant Word taught by faculty candidly affirming this core pedagogical model. All applications for admission to Criswell College are considered without regard to race, nationality, ethnicity, gender, or disability.

VISIT CRISWELL COLLEGE

Prospective students are encouraged to visit the campus, sit in on classes, attend chapel, or meet with an Admission Coordinator. To arrange your visit, contact the Office of Enrollment Services at 800-899-0012 or by e-mail at admission@criswell.edu.
ADMISSION PROCESS

Contact the Office of Enrollment Services at 800-899-0012 or admission@criswell.edu to request an application packet. All necessary forms will be sent to you. Each applicant for admission must submit the appropriate forms and materials, accompanied by a non-refundable application fee. The fee is required for the application to be processed.

APPLICANT EVALUATION

Applicants are evaluated for admission according to academic background, moral character, and personal testimony of a saving relationship with the Lord Jesus Christ. In considering applicants, the Admission Committee may review the prospective student’s complete school record, personal essay, church endorsement, recommendations, and personal information.

If a prospective student meets the required standards, full acceptance status is offered. Under certain circumstances applicants may also be admitted with provisional or conditional status. For a description of these statuses and their limitations, please see Admission Statuses in the Enrollment Services section of the catalog. Criswell College reserves the right to deny admission to any student for any reason at the discretion of the Admissions Committee. Criswell College does not discriminate based on race, nationality, ethnicity, gender, or disability. Applicants denied admission must wait one calendar year before reapplying to Criswell College.

APPLICATION PROCESS

Applicants seeking to earn a diploma or degree are required to complete and submit the following forms and documentation to be considered for full acceptance. All admission documentation becomes the property of Criswell College and will not be transferred or returned.

Application for Admission

All applicants must submit a completed, official Application for Admission, accompanied by a non-refundable application fee.

Church Endorsement Form

The applicant must secure the official endorsement of his local church regarding his intent to study at Criswell College. This endorsement must be submitted on the official Church Endorsement Form.
Graduate Applicants

Enter 

Entering Applicants

Graduate school applicants must submit official transcript records of all undergraduate credits. Any applicant seeking admission must possess an accredited Bachelor of Arts, or its equivalent, and meet applicable minimum GPA requirements to be granted full acceptance (2.5 for M.A.C.L. and M.Div. degrees, and 2.75 for other M.A. degrees).

Since the Master of Arts and Master of Divinity (Advanced Standing) degrees are highly specialized programs, those students who do not possess a major in Bible must complete all or a portion of the 39 hours of prerequisites for graduate students in a biblical field (M.A.C.L. prerequisites consist of 12 hours of study).

Transfer Applicants

Transfer applicants for the graduate school must submit official transcripts from every post-secondary school attended, even if there is no transferable credit. Transfer applicants must meet applicable minimum GPA requirements to be granted full acceptance (2.5 for M.A.C.L. and M.Div. degrees, and 2.75 for other M.A. degrees).

Official Transcript(s)

Applicants are responsible for providing official transcripts from all previously attended educational institutions. High school and/or college transcripts from diploma mills will not be eligible to fulfill this requirement. Students who have earned a GED may apply to Criswell. If the student has not graduated from high school, they should speak with their state education agency about obtaining a GED. Full acceptance is not granted until this requirement is fulfilled. Provisional acceptance is limited in duration for one semester after the student begins studies.

Personal Essay

All applicants must submit an essay, which should discuss the following:

1. How and when did you come to know Christ?
2. How would you describe your personal relationship with God at this present time?
3. Describe your current struggles in your walk with Christ.
4. Explain your calling to the ministry (when, how, etc.)
5. Describe your ministry interests.
6. How do you think Criswell College can enable you to reach the dreams and goals God has given you?
Recommendations

Each applicant must submit at least two recommendations attesting to good moral character. These forms should go to individuals other than the applicant’s family, preferably a pastor and a former teacher or employer. When directed by an Admission Coordinator, letters from an individual may substitute for an official Recommendation Form, if they cover the same areas of interest as the Recommendation Form. Confidentiality requires that recommendations be sent directly from individuals to the Office of Enrollment Services.

Standardized Test Results

Undergraduate Applicants

Entering freshmen and transfer students must submit official results of the ACT or SAT, unless the student has 15 hours or more of transferable credit. For the transfer student, these scores may be submitted on an official college transcript.

Graduate Applicants

Applicants must submit official results of the Graduate Record Exam (GRE) prior to or within the first semester of matriculation if they desire to pursue the Master of Arts degrees in Counseling, Jewish Studies, Ministry, or Theological and Biblical Studies. Applicants should have a minimum cumulative score for full acceptance (139 Verbal, 139 Quantitative, 3.0-6.0 Analytical Writing).

Applicants desiring admission to study in the Master of Arts (M.A.C.L.) and Master of Divinity (M.Div.) degree programs are not required to submit GRE scores because these are graduate level professional degrees, not graduate level academic degrees.

Undergraduate Applicants

Entering Applicants

Undergraduate applicants must submit an official high school transcript certifying graduation and credits completed. Applicants who have not completed high school must furnish the college with the official report of the General Education Development Test (GED).

Applicants without a high school diploma or GED may be admitted to the diploma program. After successfully completing the GED, a student may request to transfer into a degree program.
Transfer Applicants

Transfer students must submit official transcripts from every post-secondary school attended. Transfer students with 15 or more hours of transferable credit are not required to submit high school transcripts. Transfer applicants must enroll with at least a 2.0 CGPA to receive full acceptance, though a 2.5 CGPA is required for receiving financial aid.

Vaccinations

Criswell College requires all incoming or returning students under the age of 30 who did not attend the previous semester to provide documentation or proof that they have had the Bacterial Meningitis Vaccination within the last 5 years. This must be submitted along with the Application for Enrollment in order to be granted acceptance into the college.

APPLICATION SUBMISSION

In order to ensure a timely admission process, all forms and necessary documentation should be sent to the college by the appropriate dates prior to the beginning of the semester in which the applicant seeks admission. Applications post-marked by the first Monday in May for the fall semester and first Monday in October for the spring semesters will receive first priority. Applications received after these dates will still be considered for admission.

APPLICATION ACCEPTANCE

After the Application for Admission and application fee have been received, the applicant will be notified concerning his status and any received/missing admission documentation. Admission Coordinators send periodic letters and e-mails to update/remind an applicant about the status of his progress toward full acceptance.

The college reviews admission applications on a regular basis. Files are kept active for two years. Admission Coordinators in the Office of Enrollment Services maintain regular contact with these prospective students.

ADMISSION STATUSES

The following statuses apply to both undergraduate and graduate applicants accepted for admission:

Full Acceptance

The applicant has submitted all documentation necessary and meets all admission requirements of the college.
Full Acceptance under Academic Probation

Students are encouraged to apply for admission even if they do not meet college’s full acceptance standards due to deficiencies in high school or previous college GPA and/or SAT/ACT scores. In such a case, the student will be fully accepted under academic warning. On par with currently enrolled students who are placed under academic warning, the new student may only take up to 12 credit hours during their first semester and must meet cumulative grade point average (CGPA) standards:

- 1.0 for diploma students
- 2.0 for undergraduate students
- 2.5 for M.A.C.L. and M.Div. graduate students
- 2.75 for other M.A. graduate students

Failure to meet these academic standards in the student’s first semester will result in further academic disciplinary action per the Academic Standing section of the Criswell Catalog.

Provisional Acceptance

The applicant may register and begin classes for the upcoming term, but some documentation for the applicant is pending and must be completed within the term for which the student is registered. If the remaining issues are not resolved within the term for which the student is registered, the college reserves the right to withhold grades and deny approval to return the following semester.

Conditional Acceptance

The applicant has evidenced prior behavior that is inconsistent with the college’s standards, but which the college views as being corrected by the applicant. Therefore, the applicant may register and begin classes for the upcoming term.

INTERNATIONAL STUDENTS

The college is authorized under federal law to enroll non-immigrant students. Such authorization stipulates particular regulations, which the college pledges to uphold. If admitted, international applicants must receive full acceptance status, must be full-time degree seeking students, and as such, must submit all required admission documentation, as do all other degree seeking students.

In addition, all international applicants must submit certain documentation in accordance with the Department of Homeland Security regulations in order to verify eligibility to be awarded the privilege of receiving the F-1 student visa. Applications must be received by the Office of Enrollment Services by the first Monday in May for the fall semester and the first Monday in October for the spring semester.
All admission documentation remains the property of Criswell College and cannot be transferred or returned.

**Academic Standards**

The Department of Homeland Security requires that international applicants enroll as full-time, degree-seeking students. Therefore, undergraduate students must carry a minimum of 12 credit hours every semester, and graduate students must carry a minimum of 9 credit hours every semester. International students are also required by the college to meet minimum requirements for academic progress, as indicated in the Academic Policies section. Given the work restrictions applying to F-1 students, financial aid provided by the college may be forfeited if they fail to meet minimum requirements for academic progress.

**Application for Admission**

All international applicants are required to submit a completed official Application for Admission in order to start the acceptance process. A non-refundable application fee in U.S. dollars must be enclosed with the application. The International Student Admission Coordinator will not process the application without the application fee.

**Church Endorsement Form**

The international applicant’s local church must complete the Church Endorsement form regarding his intent to study at Criswell College.

**Emergency Deposit and Airfare**

In addition, the applicant or sponsor must have on deposit, at the beginning of each academic year, funds in an escrow account managed by the college. These funds should be sufficient to cover emergencies and airline ticket(s) to return home. This includes $1,000 for himself/herself and $200 per dependent plus the cost of airfare back home. These funds must be in U.S. dollars and deposited with the college prior to acceptance.

All documentation, including copies of supporting bank statements showing the availability of funds, must be received by the International Student Admission Coordinator prior to full acceptance.

**International Student Visa (F-1 Status) and I-20 Form**

After all documents required for admission are received and reviewed, and the applicant is approved for full acceptance, the Certificate of Eligibility for Nonimmigrant Student status (Department of Homeland Security Form I-20), will be issued to the new student. If the international student applicant is in his country of home residence, the I-20 must be presented to the United States consular official before a student visa (F-1) can be issued.
As a general rule, the Department of Homeland Security regulations do not permit international students (F-1) to work off-campus or engage in business in order to support themselves. Dependents (F-2) of the student may not work under any circumstances or receive compensation for services.

It is the responsibility of the international student to maintain his/her legal immigration status with the Department of Homeland Security and to fulfill IRS (Internal Revenue Service) requirements.

**Personal Essay**

All international applicants are required to submit an essay in English, which should discuss the following:

1. How and when did you come to know Christ?
2. How would you describe your personal relationship with God at this present time?
3. Describe your current struggles in your walk with Christ.
4. Explain your calling to the ministry (when, how, etc.)
5. Describe your ministry interests.
6. How do you think Criswell College can enable you to reach the dreams and goals God has given you when you return home?

**Proof of Financial Support**

Both the Department of Homeland Security and Criswell College require evidence of financial resources to cover educational and related living expenses for the duration of studies at the college, which must be submitted prior to acceptance. International applicants are responsible for transportation expenses to come to Dallas, Texas, and to return home after graduation; transportation and related expenses while in the United States; living expenses, including food, housing, and clothing; and medical or hospitalization insurance and other medical expenses. All international applicants must show sufficient support for their housing costs.

Based on the aforementioned requirement, single applicants are required to document financial support of at least U.S. $17,500 per year. Married applicants are required to document additional financial support of U.S. $2,500 for each dependent (spouse/child).

This documentation requirement may also be met by a sponsor who will promise to provide the needed amounts in part or in full. The sponsor is required to complete a Financial Guarantee Form provided by the college. This is a legally binding document for the duration of study.

**Recommendations**

Each international applicant must submit at least two recommendations in English, attesting to the applicant’s good moral character. These forms should go to individuals other than the applicant’s family, preferably a pastor and a former teacher or employer.
Letters from individuals are sufficient, if they cover the same areas of interest as the official Recommendation Form. Confidentiality requires that recommendations be sent directly from the individuals to the Office of Enrollment Services.

Standardized Test Results

Test of English as a Foreign Language (TOEFL)

All international applicants must submit official results of the TOEFL. The minimum acceptable TOEFL score for undergraduates is 550 (paper test), or 213 (computer test), or 80 (internet-based test); and for graduates is 600 (paper test), or 250 (computer test), or 100 (internet-based test).

As part of the application process, the written personal testimony and other correspondence will be used to evaluate the level of English proficiency. To register for the TOEFL, applicants should contact a TOEFL representative in their home country or write to: Test of English as a Foreign Language, P. O. Box 6151, Princeton, NJ 08541-6151, USA. (609-771-7100; www.toefl.org)

ACT or SAT

If an international applicant graduates from a U.S. high school, official results of the ACT or SAT must be submitted. Individuals may be exempt if they have 15 hours or more of transferable credit from another institution.

Graduate Record Exam (GRE)

International applicants must submit official results of the GRE prior to or within the first semester of matriculation if they desire to pursue a Master of Arts degree in Counseling, Jewish Studies, Ministry, or Theological and Biblical Studies. Applicants should have a minimum cumulative score for full acceptance (139 Verbal, 139 Quantitative, 3.0-6.0 Analytical Writing).

Applicants for the Master of Arts in Christian Leadership program (M.A.C.L.) and Master of Divinity (M.Div.) degrees are not required to submit GRE scores.

Transcripts

All international applicants must submit proof that they have completed at least a secondary or high school education, or its equivalent, based on American standards. If secondary school, non-U.S. college, or university work has been completed, official transcripts or certified copies of diplomas or certificates must be submitted for U.S. academic equivalency evaluation at the applicant’s own expense.
The international applicant must ensure that these documents are sent directly to Josef Silny Evaluation Services: 7101 SW 102 Avenue, Miami, FL 33173, USA. (telephone: 305-273-1616; fax number: 305-273-1338; www.jsilny.com or e-mail: info@jsilny.com.

Vaccinations

Criswell College requires all incoming or returning students under the age of 30 who did not attend the previous semester to provide documentation or proof that they have had the Bacterial Meningitis Vaccination within the last 5 years. This must be submitted along with the Application for Enrollment in order to be granted acceptance into the college.

CODE OF CONDUCT

Students who are admitted must agree to abide by the rules and regulations as set forth in the Student Handbook which is available at www.criswell.edu. Students should carefully read the Criswell College Articles of Faith, which are subscribed annually by all faculty, administrators, and trustees.

CREDIT TRANSFERS

Transfer students must provide the Office of Enrollment Services with an official copy of transcripts from every higher education institution previously attended. All credits for courses received from institutions which are accredited by regional accrediting associations, The Association for Biblical Higher Education (ABHE), The Association of Theological Schools (ATS), and the Transnational Association of Christian Schools (TRACS), which have a grade of “C” or better, are accepted at full value, to the extent that the courses are comparable to the college’s stated requirements.

A limited amount of undergraduate transfer credit may be accepted from schools without regional, ABHE, or TRACS accreditation, provided the grade for such credit is a “B” or higher and the work was done in residence. No more than 30% of the total credit hours required for a Criswell College degree may be from these types of institutions. Transfer students are required to take Criswell College Systematic Theology classes. Other theology classes may be transferred in for open elective credit per academic administrative approval.

NOTE: The total of all transfer credits may not exceed 50% of the earned hours required for a diploma or degree. See Residency Requirement in the Academic Policies section.

For information regarding the application of College Level Examination Program (CLEP) credits, continuing education units credit, and correspondence school credit, see the Academic Policies section.
Educational programs and courses sponsored by non-degree-granting organizations may be evaluated for transfer according to the recommendations of guides published by the American Council on Education, the American Association of Collegiate Registrars and Admissions Officers, and the National Association for Foreign Student Affairs.

AUDIT AND SIT-IN

Applicants may be admitted to Criswell College on an audit only or sit-in basis, and should read the Academic Policies sections pertaining to audit credit and sit-in status. To be considered for audit only or sit-in admission, applicants need to file a completed Application for Admission with the Office of Enrollment Services, along with a non-refundable application fee and Church Endorsement form. For more information regarding auditing classes, please refer to the Academic Policies section of the catalog.

NON-DEGREE STATUS

Individuals may enroll as non-degree seeking students. This status affords a person access to the college curriculum, usually on a part-time basis, at the current per credit hour rates. An Application for Admission must be filed with the Office of Enrollment Services, along with a non-refundable application fee, Church Endorsement form, and official transcripts from any post-secondary institutions the applicant has attended. In most cases, a non-degree student is not eligible for financial assistance from the college. A non-degree student may move to degree seeking status upon completion of all applicable admission requirements.

TRANSIENT STUDIES

Criswell College accepts as transient students those who are enrolled in degree programs at other colleges, universities, and seminaries. Transient students should obtain approval from the institutions in which they are enrolled. An Application for Admission must be filed with the Office of Enrollment Services, along with a non-refundable application fee, Church Endorsement form, and official transcripts from any post-secondary institutions the applicant has attended, and the institution the applicant is currently attending. The applicant must also submit a letter of good standing from the institution at which he/she is currently enrolled. Transient students are normally not eligible for institutional financial aid and scholarships, and study is usually limited to 9 semester hours in fall/spring semesters and 3 semester hours in January and summer terms.

HOMESCHOOLED APPLICANT REQUIREMENTS

Criswell College welcomes homeschooled applicants who meet our admission requirements. Typically, an interview with an Admission Coordinator and scores from standardized tests such as the ACT or SAT are used to help assess readiness for college-level academic work. Homeschooled applicants, entering college for the first time or having completed less than 15 hours of post-secondary work in a collegiate/
university setting, will likewise be required to provide the college with a transcript or detailed description of curriculum, evidencing subject preparation equivalent to that of a public or private high school graduate. A limited number of scholarships are available for applicants who have been homeschooled. In addition, homeschooled applicants are encouraged to apply for additional financial aid through the college and outside sources.

DUAL ENROLLMENT

Students may be eligible to enroll in college courses at Criswell College, while still attending high school. Eligible students should exhibit maturity and superior academic achievement. Authorization for admission must be granted by the student’s high school counselor and parent(s) or legal guardian(s). In most cases, dual enrollment credit is normally limited to one or two classes per semester and may be applied toward a Criswell degree, and with the high school counselor’s approval, toward high school graduation requirements. Interested students should contact the Office of Enrollment Services for more information.

EARLY ADMISSION

Applicants may be admitted to Criswell College and begin their college careers at the end of their junior year of high school according to these criteria: (1) If their academic achievement through grade eleven is superior; (2) If they have the recommendations of their principal, guidance counselor, and parents; and (3) If they show evidence of maturity necessary for college life. Regular admission procedures are required depending on the applicant’s desire to study as a degree seeking or non-degree seeking student.

FINANCIAL AID

In addition to participating in post-secondary government funding (FAFSA), there is a privately funded Financial Aid Program. For more information, please see the Financial Information section in this Catalog. Criswell is approved for veterans’ benefits.

READMISSION

Students seeking readmission after an absence of three consecutive semesters (excluding summer and January terms) must submit a non-refundable application fee, along with these admission documents: (1) a new Application for Admission; (2) a new Church Endorsement; (3) official transcripts of any additional college work attempted; and (4) other material as determined by the Office of Enrollment Services. Readmission cannot be considered unless former students have met all previous obligations with the college, including the Business Office, Academics, Office of Enrollment Services, Student Development, and the Wallace Library. If readmitted, former students normally enter under the requirements of the current academic year catalog.
MASTER’S STUDIES FOR B.A. STUDENTS

B.A. graduated students of Criswell College applying for admission into the graduate program within three years of the conferral will only be required to file a new application fee, Application for Admission, and a new Church Endorsement. If readmitted, former students enter under the requirements of the catalog current at the time of readmission and receive full acceptance after successfully completing the B.A. degree. GPA and GRE (Graduate Record Exam) stipulations apply to all Criswell College graduates entering Master’s level degree programs of study.

NEW STUDENT CLASSES AND REQUIREMENTS

English Proficiency

Entering undergraduate students complete an English Placement Assessment Exam to determine their level of English proficiency. If a student receives less than 80% on this exam they are required to enroll in ENG 100 (Basic English Grammar), a non-credit course, before enrolling in ENG 101. Students can be exempted from the exam and ENG 100 if they have a validated score of 60 percentile on the English Achievement section of the SAT, an 18 on the ACT, or if they have taken a course at another institution which transfers in for ENG 101 or ENG 201, having completed the course with a grade “C” or higher.

New Student Orientation

New Student Orientation is designed to familiarize the student with campus facilities, College personnel, academic policies, student life, and student services. This required Orientation event also serves to advise students in course selection. All full-time students are required to attend Orientation the first semester of their enrollment. Part-time students are encouraged to attend Orientation as well, and will find the fellowship and instruction highly beneficial. New students initiating their programs during summer terms are required to attend Orientation in the fall. The college’s English Placement Assessment Exam is administered during Orientation in accordance with the English proficiency standards described below.

VETERANS

Criswell College is an approved institution for veterans training. Veterans eligible for Veterans Administration (VA) benefits must be certified by the certifying official on-campus (Prof. Kirk Spencer) to receive educational benefits. Eligible veterans must also meet Criswell College admission requirements. Course approval and certification is required each semester. Application for VA benefits should be started as soon as possible as approval of benefits can take as long as 90 days.
Attendance Standards

Attendance records are kept on all eligible persons enrolled in programs. Veteran students are required to meet the attendance standards recorded in the catalog and course syllabus. Failure to do so will result in the suspension of VA benefits. An eligible person whose benefits are suspended for excessive absences may be reinstated once during a semester upon written permission of the Vice President of Academic Affairs in consultation with the instructor.

Credit for Previous Training

Students receiving VA educational benefits do not have the “option” of having prior credit reviewed. ALL previous education and training must be provided to the school for review. This will include all credits from postsecondary institutions and military credits.

Educational Benefits

The Montgomery GI Bill (Chapter 30) provides benefits for veterans with at least twenty-four months of service after June 30, 1985, with an honorable discharge who elected the $100 deduction in monthly pay for those educational benefits; also certain veterans with Chapter 34 eligibility left beyond December 31, 1989, who remained on active duty after June 30, 1985.

The Montgomery GI Bill Selected Reserve (Chapter 1606) provides educational benefits for members of the Selected Reserve. Applicants must have a six-year obligation and must remain in good standing with a Reserve unit.

Post-Vietnam Era Veterans (Chapter 32) provides educational benefits to veterans who satisfy eligibility (1) if they established a contributory fund during active duty, with the VA and Department of Defense matching the funds 2-1, or (2) by use of a test or pilot program based on Public Law 96-342, Section 901 or 903, which was offered to some veterans who entered the service between November 1980-1981. Any person presently on active duty in the Armed Forces of the United States who has served on active duty for at least 181 days may be eligible for educational benefits.

Public Law 634 (Chapter 35) Title 38, U.S. Code, provides educational assistance to sons, daughters, and the spouse of a veteran who (1) died of a service-connected disability, (2) is 100% disabled as the result of a service-connected disability, or (3) while on active duty was killed in action (KIA), or had been listed for a total of more than 90 days as missing in action (MIA) or as a prisoner of war (POW).
Public Law 894 (Chapter 31) Title 38, U.S. Code, provides educational benefits to veterans, who as a result of a service-connected disability require retraining or other vocational rehabilitation, may be entitled to educational assistance.

Post-9/11 GI Bill (Chapter 33) is a new education benefit program for individuals who served on active duty on or after September 11, 2001.

All application forms can be found at: http://www.gibill.va.gov/. Further information on these benefits is available through the Financial Aid Office, Criswell College, 4010 Gaston Ave., Dallas, Texas 75246-1537, or by calling the Department of Veterans Affairs’ toll-free number, 800-827-1000.

Program Length and Course Approval

All degree programs are approved for a specific number of credit hours. Eligible veterans will not be certified to the VA or paid by the VA for courses past the approved length. The VA will pay only for required courses in an approved program. Veterans will be required to pay out-of-pocket for courses not required by their program.

Satisfactory Progress and Standards of Progress

All veteran students receiving benefits under the GI Bill must comply with the academic and conduct standards of Criswell College, as well as those of the Department of Veterans Affairs, in order to maintain satisfactory progress in the pursuit of the approved program of choice. Students who fail to maintain satisfactory progress are not permitted to continue in their program and will not be eligible to receive benefits.

The veteran student who experiences difficulty in a course should contact the instructor as early as possible in the semester. If the instructor believes that tutorial assistance will benefit the student, then recommendations will be made for suitable assistance times. The Office of Enrollment Services does not have paid tutors, nor is reimbursement offered to veterans who attain outside tutoring services. Receipt of veteran educational benefits normally disqualifies a student from receiving other student aid or benefits; however, the student must meet the qualifications of the other programs.

COURSES IN SPANISH

Criswell College schedules courses in the Spanish language for campus and distance education. These Spanish language courses are part of the Hispanic Initiative for offering academic recognition through the college’s Diploma Program and are also one of the cooperative benefits that come from the college’s affiliation with the Southern Baptists of Texas Convention (SBTC). The Hispanic Initiative is one of the ministries administered by its Education Commission.
DISTANCE EDUCATION

The Department of Distance Education at Criswell College works to develop online courses and degree programs. It is our goal to provide students with quality education that is equivalent to what they would experience in the traditional classroom. This new department, started in 2012 seeks to make it possible for students to attend Criswell who previously could not do so because of conflicts with scheduling or physical distance from the school. The eight-week long courses offered through our program are designed as 3 credit-hour courses where students may work on each week’s assignments at their own convenience so long as they are submitted by the due dates provided in the course schedule. These classes offer students greater flexibility without sacrificing quality. Students will still interact with other students in their courses and will have the opportunity to get to know each of their professors. Class sizes are limited to 25 students. The library and the writing center will also provide support to distance students as needed for research and writing.
FINANCIAL INFORMATION

TUITION AND FEES

Criswell College’s tuition and fees structure reflects a commitment to provide a superior Christian and Bible-centered education at a reasonable cost. Due to the generosity of many friends, past and present, the tuition and fees itemized below mark Criswell College as one of the most affordable, regionally accredited, four-year private and graduate colleges in America. A full-time undergraduate student (12 hours per semester) can expect to pay approximately $3,563 in tuition and required fees per semester. A full-time graduate student (9 hours per semester) can expect to pay approximately $3,449 in tuition and required fees per semester. Full payment of tuition and fees is required each semester for all part-time and full-time students.

While the costs provided fairly represent the intent of Criswell College at the time of the printing of this catalog, the college reserves the right to change tuition and fees without notice to applicants, new, returning, or readmitted students.

PAYMENT OPTIONS

Payment of tuition and fees is due in full at official Registration (prior to attending the first class) and may be made using cash, personal check, cashier’s check, money order, debit card, Discover, MasterCard, or Visa. Accounts not settled by the last day of official registration will be assessed a late registration fee.

Criswell College understands some students may need assistance in meeting their financial commitment. The following options are available with the Chief Financial Officer’s approval:

College Payment Plan

The college payment plan is available to a limited number of qualified students for the fall and spring semesters only. The payment plan is for a single semester and payments must be paid in regular installments as outlined in the contract. The payment plan service fee is due at Registration. Any balance due from a previous semester must be paid in full prior to completing registration for upcoming semesters and may not be rolled into future payment plans. Late fees are assessed for payments received more than five days after the due date and will recur each month until payment is received. Please contact the Business Office for applications, approval, deadlines, and questions.
Employer Tuition Reimbursement

Tuition reimbursement may be available through your employer as an employment benefit. Contact the Human Resources department at your place of employment for more information.

Federal and Private Loans

Federal loans may be available to qualified students. Contact Financial Aid for more information. Private loans may be available through your bank or credit union. Private loans are not student loans, and payments are non-deferrable. Contact your personal banking institution for more information.

Delinquent Accounts

It is the responsibility and duty of each student to ensure that all school related debts are properly paid. All accounts at the college must be paid in full by the end of the agreed upon payment schedule. It is the policy of Criswell College that students with unpaid balances will be subject to the following:

- grades withheld,
- transcript request denied,
- future enrollment refused,
- financial aid eligibility removed,
- payment plan eligibility removed,
- student services access restricted and/or removed (CAMS, Blackboard, wireless internet, and library),
- graduation postponed or denied, and/or
- other disciplinary actions taken.

NSF/RETURNED CHECK POLICY

A fee will be assessed for returned checks regardless of reason. For each occurrence the student will be notified to come to the Business Office to fulfill his/her obligations with cash, credit card, or money order. Failure to satisfy payment will result in withholding grades and transcripts, and even denying graduation. If two or more NSF checks are received, all future payments by that student must be made by cash, cashier’s check, money order, debit card, Visa, MasterCard, or Discover. An excessive number of NSF checks may result in stronger disciplinary action. Returned checks are subject to being turned over to the District Attorney’s office.

TUITION REFUND POLICY

The tuition refund policy applies to students either withdrawing from school or selectively dropping classes after completing the official add/drop or withdrawal process through the Registrar’s Office. When there is any course schedule change (classes
swapped, added and/or dropped), tuition and financial aid will be recomputed to reflect the new course load. Fees are non-refundable.

Financial aid recipients who withdraw from all classes before 60% of the semester is completed will be required to return a portion of the federal financial aid received.

A class meeting is defined as any official meeting time/day as noted on the semester calendar. Late registration, changes made by a professor to the official meeting dates listed on the semester calendar, and/or absences from class have no bearing on tuition refunds. Students suspended for academic or disciplinary reasons will not be entitled to a refund of tuition or fees. In the case where a course is cancelled by the college, a credit equal to 100% of tuition and fees will be given.

Refunds of credit balances on a student’s account will be paid after the student has officially dropped or withdrawn through the Registrar’s Office. It is the student’s responsibility to monitor the process of the Add/Drop or Withdrawal Form through each step to completion in the Registrar’s office. The refund will be calculated according to the date and time the completed Add/Drop or Withdrawal Form is received in the Registrar’s Office.

A credit balance resulting from the receipt of Criswell awards will not be paid to the student. All refunds are mailed.

FINANCIAL INFORMATION

FINANCIAL AID

All student financial aid is coordinated through the Financial Aid Office. Criswell College seeks to financially encourage new and continuing students in following the Lord’s leadership in their lives. All requests for student financial aid are reviewed and processed according to the following guidelines.

After the Financial Aid Office has received a student’s FAFSA information and a Criswell College Supplemental Application for Financial Aid, the student’s financial need and types of awards for which he/she qualifies may then be determined.

A formula established by the U.S. Congress determines the Expected Family Contribution (EFC). The EFC is an amount the student and the student’s family are expected to contribute to the cost of the student’s education. The EFC is subtracted from the Cost of Attendance to determine Financial Need.

The Financial Aid Office makes every effort to assist the student in meeting his/her need using all resources available. In addition, other “non-need-based” aid is also available.

Award Procedures

Financial Aid awards will be made only after the FAFSA results have been sent to Criswell College and the Criswell College Supplemental Application for Financial Aid has been completed. (As International Students are typically ineligible for Federal Aid, they should submit the Criswell College Supplemental Financial Aid Application with their International Student Application.) If a student’s record is selected for verification (a review of the FAFSA data), all required documentation and corrected FAFSA information must be received before the application process is complete. Only when these are done is a student’s financial aid file considered full and complete.

All application components must be received in the Financial Aid Office by according to the following priority application deadlines:

- New Students: thirty (30) days prior to New Student Registration,
- Continuing Students: April 15, and
- Church Matching Grant (Forms/Checks): July 15 for the Fall semester and December 15 for the Spring semester.

Late applicants will be processed if/when aid becomes available, but are not guaranteed funds.

Gift Aid

The Federal Pell Grant is awarded first to those who are eligible. After the Federal Pell Grant, any other gift aid, such as Criswell Scholarships and Church Match Gifts, are awarded.
It is the student’s responsibility to make the Financial Aid Office aware of any outside gift aid the student will receive, as aid cannot exceed Cost of Attendance.

**Self-Help Aid**

After gift aid sources have been applied, then additional awards are packaged from work study and loans (Criswell College does not participate in the Federal Work Study Program). Work Study positions are available on campus only and funds earned are only applied as tuition assistance. A student will be considered if he worked in the prior year or requested work-study on his Criswell College Supplemental Application for Financial Aid. International Students are given precedence.

When eligibility for all other funds has been exhausted, Federal Loans will be awarded to fill the remaining unmet need or Cost of Attendance.

An Award Letter is then mailed to the student, and pending aid is posted to the student’s account. This Award Letter contains the names and amounts of the financial aid awards that the student is eligible to receive. The notice also contains important information about restrictions and conditions that can affect the ability of the student to receive the amounts awarded. It should be read carefully, and the student should respond as accepting or declining by the stated deadline.

If the student is eligible for loans, the student must submit to the Financial Aid Office, on the appropriate form, the amount that the student would like to receive, not exceeding the approved amount. The student will be required to complete entrance counseling and sign a Master Promissory Note (MPN) as a first time borrower, as well as exit counseling when the student graduates, drops below half-time, or withdrawals.

For more information about Financial Aid and how to apply, please see the Financial Aid page of the Criswell website at www.criswell.edu.

**Satisfactory Academic Progress**

Federal and Institutional Satisfactory Academic Progress (SAP) will be reviewed at the end of each payment period and before funds for the next period are awarded. It will be based on the student achieving both a qualitative standard and a quantitative standard, as defined below:

- Qualitative Standard—Cumulative Grade Point Average (CGPA): Undergraduate and graduate students must maintain a minimum CGPA of 2.5 for all course work completed.
• Quantitative Standard—Pace of Progression: Pace of progression is determined by dividing the cumulative number of credit hours successfully completed by the cumulative number of credit hours attempted, including transfer hours that have been accepted. Students must maintain a pace of progression of 66.67% for all course work attempted, including transfer credits.

• Program Completion Time Frame: Students may receive financial aid, if they otherwise qualify, if they have not yet attempted 150% of the hours required for their degree program. (See the appropriate academic catalog for the year in which the student enrolled). Attempted hours include all transferred credits and all Criswell courses passed, failed, repeated, or withdrawn.

For budgeting and awarding purposes, student statuses will be determined as follows:

• Undergraduate students taking 12 or more credit hours during a semester or term are considered to be attending full time.

• Undergraduate students taking 9–11 credit hours during a semester or term are considered to be attending three-quarter time.

• Undergraduate students taking 6–8 credit hours during a semester or term are considered to be attending half-time.

• Graduate students taking 9 or more credit hours during a semester or term are considered to be attending full time.

• Graduate students taking 6–8 credit hours during a semester or term are considered to be attending three-quarter time.

• Graduate students taking 5 credit hours during a semester or term are considered to be attending half-time.

If the student drops or withdraws from any classes, ceasing to be enrolled full-time, the Financial Aid Office reserves the right to reduce the student’s aid based upon this change in enrollment. Dropping classes after being awarded on a full-time basis may affect eligibility for certain types of aid.

If a student meets all of the above standards, the student will receive an SAP status of Satisfactory and will be able to continue receiving federal and institutional aid at Criswell College.

If a student fails to meet one or more of the above standards, the student will be placed on one of three SAP statuses, as described below, and the student will be notified by e-mail of the change in his/her SAP status:
Warning status: If the student was previously under a Satisfactory SAP status, the student’s status will be moved to a Warning status for one semester, meaning that the student is being warned that he/she is not meeting SAP eligibility and has one semester to correct his/her eligibility before being placed on financial aid suspension. During this semester, the student will continue to be able to receive financial aid. A Warning status cannot be appealed since students are still eligible to receive financial assistance.

Suspension status: If the student was previously under a Warning or Probation SAP status and fails to meet SAP eligibility requirements during the next semester, the student’s status will be moved to a Suspension status and he/she will not be able to receive federal, state, or institutional financial aid during the next semester he/she attends. Students who are placed on financial aid suspension may appeal this decision by completing the SAP Appeal Process (see below). Note: Financial Aid SAP eligibility is different from academic probation or suspension. Students who are on financial aid suspension may be allowed to register for and attend classes in future semesters if they are not also on academic suspension. See the Registrar for more information.

Probation status: If a student is placed on financial aid suspension, he has the option to appeal this suspension through the SAP appeal process. If the appeal is granted, the student will be placed on financial aid probation for the next semester, and he must bring his/her SAP eligibility to Satisfactory during that semester or be placed on financial aid suspension. While on probation, the student may continue to receive federal, state, and institutional aid if he is otherwise eligible.

Appeal Process

A student who has been placed on financial aid suspension for not meeting the required SAP guidelines may appeal his/her suspension if there were unusual or extenuating circumstances that contributed to the student’s failure to meet these guidelines. Unusual or extenuating circumstances include:

- serious injury of the student and/or an immediate family member,
- serious extended illness of the student and/or an immediate family member, and
- death of a family member.
If the appeal is granted, the student will be placed on an SAP Probation status and will be allowed to receive financial aid for the next semester only (see “Probation status” above).

To make the appeal, the student should follow the steps outlined on and submit the Financial Aid Satisfactory Academic Progress Suspension Evaluation and Appeal Request form. All appeal requests will be reviewed by the Financial Aid Office and, if necessary, reviewed by the Satisfactory Academic Progress Appeals Committee. All individuals granted an appeal are normally placed on a one-semester Probation status. All appeal decisions are final. Students will be notified in writing as to the decision regarding their financial aid appeal.

The appeal request must include a statement from the student regarding what has changed or what he/she will do differently that will allow him/her to meet SAP guidelines in the future. If a student makes more than one appeal request, each appeal must be for a different reason. See the Financial Aid Satisfactory Academic Progress Suspension Evaluation and Appeal Request form for more information.

**Regaining Financial Aid Satisfactory Academic Progress Eligibility**

Students who are placed on financial aid suspension for not maintaining the required SAP eligibility standards for CGPA must complete courses at Criswell College at their own expense to regain their eligibility for financial aid. Students who are placed on financial aid suspension for not maintaining the required SAP eligibility standards for pace of progression must complete, at their own expense, courses at Criswell College or courses that transfer in from an accredited institution.

After the student has completed sufficient coursework to remove the suspension status, his/her SAP status will be reevaluated at the end of the following semester, and his/her status will be updated based on current SAP standards. Again, changes in status will be reported to the student via e-mail.

Students who are placed on financial aid suspension because they have not met the program completion time frame requirements and have reached the maximum number of hours or time frame allowed to complete their degree program may not regain eligibility to receive financial aid. In order to complete a degree program and graduate from Criswell College, the student will have to complete those courses without receiving federal financial assistance. If the student feels that these calculations are incorrect, he/she may contact the Director of Financial Aid and ask for a formal review of eligibility.
Other Financial Aid Satisfactory Academic Progress Guidelines

- Dual Enrollment: A student may not receive federal aid from more than one institution at the same time. A student transferring to Criswell College from another institution must have his aid canceled at the former institution. A “Cancellation of Aid” form may be required.

- Repeat Courses: Students may not receive federal financial aid for repeat courses in which a previous grade of “F” was received. Funding for remedial courses will only be provided once. If a student registers for a course in which he has previously received a grade of D or higher, an evaluation of the student's history taking that course will be made and aid will be paid accordingly. Institutional scholarships cannot be applied toward any repeat courses regardless of course grade or status.

- Incomplete grades: Courses in which a grade of “I” is received will affect a student's pace of progression and may lead to the student being placed on financial aid warning or suspension. Once the student has completed the course(s), he may request an evaluation to re-assess his/her SAP status using the Suspension Evaluation and Appeal Request form.

- Second Bachelor's Degree: Not all financial aid programs are available to students seeking a second bachelor's degree, including accredited and non-accredited degrees. Students should inquire in the Financial Aid Office for more information.

Return to Title IV

Under What Circumstances Might a Student Be Expected to Return Federal Aid Funds?

If a student officially withdraws, ceases attendance, or is administratively withdrawn from Criswell College, federal regulations require post-secondary institutions to calculate the amount of Federal Title IV funds “earned” during the term from which he/she withdrew. A student will be considered withdrawn from the semester if he/she ceases attendance for 4 or more weeks during the semester.

Funds Earned is based on the following formula: the percentage of time spent in attendance - the percentage of federal funds earned. Funds Unearned are the funds received for time beyond the percentage of time spent in attendance. Factors considered in this federally mandated calculation include:
number of days in the semester,
• the date of withdrawal and/or the number of calendar days the student attends before total withdrawal as determined by the Financial Aid Office (excluding scheduled breaks of at least five [5] days in length),
• the total amount of Title IV aid eligibility,
• tuition and fee charges,
• Criswell Housing charges (if applicable), and
• class attendance.

It is possible the student will owe a repayment of “unearned” financial aid funds to Criswell if he ceases attendance prior to the 60% completion point of any payment period for which he/she received financial aid funds. The completion point is based on the total number of class days in a payment period. If it is determined that the student owes a repayment of funds, he/she will receive notification by e-mail from the Financial Aid Office. Students can also check balances owed through the Criswell student portal. Students who owe a balance to Criswell from a previous academic year will not be disbursed aid until the balance owed is paid.

Other Possible Consequences of Dropping Classes or Withdrawal

If circumstances allow the student to remain in school past the 60% completion point of any payment period, then there is a definite advantage. No return of Federal funds is required for students who attend past the 60% completion point. There will, however, be other consequences to consider. Withdrawing from classes will affect the student’s future eligibility for financial aid and possibly affect future scholarship disbursements. Students must meet SAP requirements to maintain eligibility for financial aid as defined by the Financial Aid Office.

Post-Withdrawal Disbursement Conditions

If a student has accepted Title IV aid by the date of the withdrawal, but the aid has not been disbursed, the student may be eligible for a post-withdrawal disbursement. Under the circumstances, a Return to Title IV calculation must be performed to determine whether the student is actually eligible for a post-withdrawal disbursement. Criswell College must make this determination within thirty (30) calendar days after the student withdraws.

The following conditions apply when processing a post-withdrawal disbursement:

• If a student earns a passing grade for the enrolled term in one or more of his classes offered over an entire term, eligibility has been established.
• A student may not owe a prior-year balance or fail to meet SAP according to Criswell College policy.
A student must have accepted aid by the date of the withdrawal.

If, before the student’s withdrawal date a loan offer has been accepted, the loan must also have been originated by Criswell College.

The Financial Aid Office sends notification of post-withdrawal disbursement to students by e-mail.

For students who provide notification back to Criswell College that they want the funds prior to the expiration of the forty-five (45) calendar day time frame allowed in Federal regulations, the Financial Aid Office will request the post-withdrawal disbursement.

If the amount disbursed to the student is less than the amount the student earned, and for which the student is otherwise eligible, he is eligible to receive a post-withdrawal disbursement for the earned aid that was not received.

If the amount disbursed to the student is greater than the amount the student earned, unearned funds must be returned.

Return of Funds to Federal Programs

Financial Aid Office personnel will apply the federally mandated repayment formula for the return of financial aid funds. Funds will be returned to the programs from which the money was paid to the student in the following order:

- Unsubsidized Federal Direct Stafford Loan Program,
- Subsidized Federal Direct Stafford Loan Program,
- Federal Direct Parent Loan Program (PLUS), and
- Federal Pell Grants.

When Criswell returns loan funds to the Secretary on behalf of the borrower, Criswell will provide simultaneous written notice to the borrower in the form of an e-mail notification.

NOTE: In the event Criswell College cannot locate the student (or parent) to whom a Title IV credit balance must be paid, the balance will be returned to the appropriate Title IV programs by the Financial Aid Office.
STUDENT LIFE

Theological and ministerial education is far more than facts and information; the development of the student outside the classroom is equally important. Matters of student life and co-curricular involvement are embraced as significant contributors to the total educational environment.

Student life and student development at Criswell College are primarily the responsibility of the office of the Dean of Students, in cooperation with the Student Development Committee and the elected student leadership. These entities provide necessary oversight for most student development functions and student life as a whole; however, the college encourages broad involvement from administration, faculty, staff, and volunteer student leaders. Student development involves the physical, spiritual, and communal growth of the student. It is, at its core, a true co-curricular endeavor, helping to synthesize and apply academic principles. The specific mission of the Student Life Office states:

*Student Development at Criswell College exists to serve the Lord Jesus Christ by attending to the physical, spiritual, social, and emotional needs of students through quality services and co-curricular programming. Student Development seeks to challenge, nurture, encourage, instruct, and inspire all who are involved in our college campus community.*

This mission of service to the student body is exercised through these campus programs, organizations, and services:

LEADERSHIP DEVELOPMENT

The mission of Criswell College is not simply to prepare graduates for leadership positions, but rather to develop leaders who make a difference in the world, for Christ and the gospel. Therefore, leadership is not only a component of the curriculum; it is an integral part of the total Criswell College experience. Leadership training is the development of a person, and no one course can fully develop a person.
Campus Organizations

CCCF (Criswell College Counseling Fellowship)
Criswell College Counseling Fellowship exists to grow and develop students with a heart for meeting the needs of the hurting through the disciplines of pastoral care and counseling. CCCF meets two times throughout the course of each semester for the purpose of fellowship, prayer, planning, organization, and skills-based training. Guest speakers are invited to address relevant and practical ministry areas.

GCF (Great Commission Fellowship)
The Great Commission Fellowship is designed to build relationships with others who are passionate about missions. Led by faculty who have served as vocational missionaries, students learn and discuss issues related to reaching the world with the Gospel of Jesus Christ. The fellowship often meets in homes creating a casual setting with an opportunity to share a meal together. GCF meets twice a semester and everyone is invited who has a heart for the “Great Commission.”

ISM (International Student Ministry)
The International Student Ministry exists to encourage and edify a growing international student population. ISM hosts a weekly International Student Conversation group that provides lunch and an opportunity to work on conversational English. ISM also meets for fellowship activities, international worship, and guidance on the unique issues facing foreign students in America.

SWIFT (Students & Wives in Fellowship Together)
Students and Wives in Fellowship Together represents the college women’s ministry and is open to all female students and wives of male students. SWIFT provides women a rich opportunity for fellowship, encouragement, and guidance through various campus activities, Bible studies, and fellowship events.

Co-Curricular Learning

The Student Life Office works closely with our faculty and administration to intentionally design programs that enhance classroom learning. These programs encourage greater faculty-student dialogue and provide opportunities to explore specific issues related to Kingdom living. Co-curricular programming includes Criswell Theological Lectures, biblical studies forums, and Cinematic Theology.

Student Leadership Team

Student leadership and leadership training are essential components of the Student Leadership Team (SLT). This select body of students serves as official representatives of student governance and student needs, concerns, and issues.
The purpose of the SLT is:

\[
\begin{align*}
&\text{To honor the Lord Jesus Christ;} \\
&\text{To promote the general spiritual, social, and physical welfare of the student body;} \\
&\text{To cooperate with the administration, faculty, and staff in promoting the best interests of Criswell College.}
\end{align*}
\]

The SLT is composed of two elected executive officers. The student body of Criswell College chooses SLT officers during election season each spring semester. The Dean of Students recruits representatives and delegates from the student body to serve as the selected officers. The various campus groups appoint organizational delegates in the fall semester.

**SPIRITUAL ENRICHMENT**

Many programs and events are scheduled each semester to specifically nurture our students spiritually and to challenge them to higher levels of Christian maturity. Each semester brings various campus prayer groups and student led Bible study sessions, as well as ongoing Great Commission Chapels where students share ministry experiences, give their testimonies, and pray for one another.

Special days each semester include Harvest Day and other spiritual emphases. On Harvest Day all faculty and students go out into neighboring areas and the surrounding community during chapel time as a public service for the purpose of praying with people and sharing the gospel message through personal evangelism encounters.

Each semester, the college sets aside a special week to focus on Spiritual Renewal and the great evangelical tradition of revival. Spiritual enrichment finds its most consistent proponent through weekly chapel services.

**Campus Ministry and Mission**

Opportunities for ministry abound in the Dallas Metroplex. Many strong evangelical churches and ministry organizations exist even in the immediate College neighborhood. Students are involved with urban mission sites, jail and prison ministries, street evangelism, social service ministries, overseas mission ventures, and special ministry projects. Many local churches seek volunteer assistance from Criswell College students for community evangelism, pulpit supply, church planting, and worship leadership. Campus ministries also seek to minister to the unique spiritual needs of each student, faculty, and staff member. Other ministry related events include Mission Practicum and Great Commission Days.

During Great Commission Days (world missions conference) inspirational messages of hands-on missionary experiences are augmented by exposure to, and contact with, selected mission agency representatives in order to supply volunteer and career information to those interested in serving the needs of global evangelization.
Chapel

Criswell College's chapel program is a vital component of the Christ-centered education offered at the college and is designed around a four-fold mission:

- To engage students, faculty, and staff in deliberate and sincere corporate worship;
- To endear sound biblical teaching to students, faculty, and staff;
- To experience genuine community as a campus family; and
- To expose students to creative, diverse ministries and ministry callings.

Missionaries, pastors, educators, denominational workers, and other special speakers provide inspiration and encouragement through chapel worship. Students are invited to speak in Chapel on various occasions, and are encouraged to participate through music and testimony.

Chapel programs are scheduled weekly. Students are required to attend chapel programs. Chapel grades are issued each semester on a credit/non-credit basis. Exemptions are available for work-related conflicts with chapel attendance.

For more information on chapel requirements, please refer to the Student Handbook.

Counseling and Guidance

Each student, upon enrollment, is assigned an academic advisor. Advisors give guidance to students in academic, social, spiritual, and professional ministry areas. Although the college does not sponsor a formal counseling center, the Dean of Students is available to give initial guidance and to make the appropriate referrals to qualified professional counselors.

CAMPUS SECURITY

The safety and well being of our College family is a high priority with Campus Security. Should security needs arise, students are requested to contact the first floor receptionist or call Campus Security. A red emergency phone is located on the second floor along the south wall and will call Campus Security directly. During business hours, Campus Security can be reached by contacting the first floor receptionist or by calling Campus Security at 214-543-1716. After 4:30 P.M., go to either the Cafeteria or the Wallace Library and ask for Campus Security to be called, or call Campus Security at 214-543-1716.
EMPLOYMENT SERVICES

Employment opportunities are posted year-round for students and spouses. Many area businesses and organizations seek specifically to hire Criswell College students. Job files are kept current in the Student Life Office and are posted publicly on campus boards. Church ministry positions are also kept current and posted for student consideration. Criswell College actively networks with current students and alumni for resume production and distribution through our Ministry Placement Services.

PUBLICATIONS

The Student Handbook is the primary source for policies, guidelines, and information concerning student life and student issues. It is expected that every student will be familiar with the handbook and conscientiously abide by all College rules, regulations, and policies. The Criswell Student Event Calendar, distributed during Registration each semester, provides the official menu of student activities and seasonal events.

RESIDENCE LIFE

The Criswell House System is at the center of spiritual and student life at Criswell College. Residents live with 2 to 4 other students in a unit, and they will face the challenges and triumphs of daily college life together. It goes far beyond providing convenient, affordable, and quality housing for students. The Criswell House System serves as a vital network to maximize the student life experience as well as provide a framework within which students grow relationally, academically, and spiritually. The college endeavors to support, encourage, and develop students in every area of their lives.

To participate in the House system, students must live in student housing as arranged by Criswell College. The college has an arrangement with a local apartment management company to provide housing for students. See the Residence Life Office for rates and other information.

SOCIAL EVENTS

The Student Leadership Team leads out in planning social events and activities each semester. Often, these events include student families and faculty/staff involvement. Although the college is currently a commuter campus, students still find time for fellowship and social interaction. Some current semester activities include the Back to School Bash, campus fellowships, a 3-on-3 basketball tournament, flag football, volleyball, a ping pong tournament, and the graduation reception.
SPORTS AND RECREATION

Recreational events and sports leagues are scheduled each semester for the entire campus community. Recreational facilities include Pendleton Gym and the Game Room in Horner Hall. Recreational programming usually includes basketball, softball, volleyball, and indoor soccer. Recreational programming also includes outings to area sporting events for students and their families. Organized events are listed each semester in the Criswell Student Event Calendar.

WEATHER POLICY

Student safety is of primary importance, and since all of our students commute, it is important that students determine their ability to travel safely to the college when weather conditions create road hazards. Students who feel it is not safe to travel to classes should contact their instructors at the earliest possible time. Should the college decide not to hold classes and/or to close all functions of the college due to weather, appropriate announcements will be made on radio station KCBI 90.9 FM and local television stations FOX 4 and WFAA Channel 8. Announcements will also be posted on the college website and student portals.
ACADEMIC ADVISING AND CURRICULUM PLANNING

When admitted to Criswell College, each student is assigned an academic advisor, primarily to assist in scheduling courses each semester. In a personal crisis situation, however, academic advisors seek to minister to their advisees as much as practically possible. Advisors are generally assigned according to the student’s degree choice.

Criswell College uses milestones as part of its guidance philosophy for academic advising and curriculum planning. Students will be advised according to the milestones noted below.

ENG 100, 101, and 201 must be completed within the student’s first 45 earned hours of course work, unless transferred credits for these courses have been accepted by the Registrar for the student’s degree plan. English classes must be completed prior to taking Hebrew and Greek courses.

Students with less than 63 earned hours are advised to complete all 100 and 200 level courses, since the majority of these courses are common to all B.A. degree programs and provide students with the foundation for benefiting from 300 and 400 level courses. Course prerequisites must be followed and recommended course sequences should be observed for taking courses like Systematic Theology I.

Students with more than 63 earned hours (junior standing) are advised to complete (prioritize) 300 and 400 level core requirements and then mix in other course degree requirements offered in a given semester. Course prerequisites must be followed and recommended course sequences should be observed. Ministry practicum courses are normally reserved for upper level degree program completion.
Entering graduate students are strongly advised to prioritize prerequisite and core curriculum courses in planning their programs and pre-registration choices each semester. Students with remaining entry-level prerequisites should complete these requirements prior to taking upper level required courses. Course prerequisites must be adhered to and recommended course sequences should be observed.

ACADEMIC APPEALS

Students wishing to appeal their grades must follow this sequence and schedule:

1. Begin by consulting the professor(s) involved, seeking to reach an agreement. If that is not possible, the student may appeal in writing to the Academic Cabinet within 60 days from the date the grade was assigned.
2. The Academic Cabinet will collect the relevant evidence. All concerned parties will be given the opportunity to present their case to the Academic Cabinet.
3. Any member of the Academic Cabinet with a prejudiced viewpoint may be excused from the discussion.
4. The Academic Cabinet will provide a decision in writing, copies of which will be available to the student, involved faculty, and the student’s permanent file. The Academic Cabinet’s decisions are normally considered final.
5. Appeals of the Academic Cabinet’s decisions must be made to the Vice President of Academic Affairs, whose decision is final, within 10 days.

ACADEMIC HONESTY

Absolute truth is an essential belief and basis of behavior for those who believe in a God who cannot lie and forbids falsehood. Academic honesty is the application of the principle of truth in the classroom setting. Academic honesty includes the basic premise that all work submitted by students must be their own and any ideas derived or copied from elsewhere must be carefully documented.

Academic dishonesty includes, but is not limited to:

- cheating of any kind,
- submitting, without proper approval, work originally prepared by the student for another course,
- plagiarism, which is the submitting of work prepared by someone else as if it were his/her own, and
- failing to credit sources properly in written work.
Academic dishonesty is an especially serious matter for a Christian, given the significant theological, ethical, moral, and legal aspects of it. In cases of suspected academic dishonesty:

1. The professor seeks to clear the student of the suspected offense through direct interaction with the student.
2. If that is not possible, the professor refers the matter to the Academic Cabinet for handling, through the Chairman.
3. If academic dishonesty is confirmed, there will be very serious academic consequences, such as significant grade reduction or failure of the entire course. In addition, a record of the incident will be placed in the student’s permanent file.
4. A second proven offense is considered a sufficient basis for dismissal from the college.

ACADEMIC RECORDS

Consistent with the Family Educational Rights and Privacy Acts of 1974 (FERPA), as amended, Criswell College uses the following guidelines regarding academic records:

Academic Record

When a student enrolls at Criswell College, an official academic record begins with the student’s relevant admissions material and is maintained in the Registrar’s Office. Necessary documents are added to the file, as they become available. Current or former students, and the parents of legally dependent students, may review their records during the operating hours of the college, unless access to a document has been waived, such as with recommendations. The educational records of current or former students may not be released to other parties without the written permission of the student. Responsible individuals at the college, if determined to possess a legitimate educational interest, may be given access to educational records at the discretion of the Registrar. Other exceptions may be made, consistent with the exceptions noted in FERPA. It should be noted that original documents contained in the student’s educational record will not be returned to the student, parent or guardian, or any third party inquiry.

Challenge to Academic Record

Current or former students may challenge their academic records if they believe the record is inaccurate or misleading. To do so, the student must give written notification to the Registrar’s Office, indicating which portion of the record is considered inaccurate or misleading, and should include evidence for drawing that conclusion. The Registrar and Vice President of Academic Affairs will consider the challenge and make a decision, which may be appealed to the President or, where appropriate, the Academic Cabinet (see Academic Appeals). Students not satisfied with the outcome of the challenge have the right to place in their academic record a statement commenting on the issue or decision.
Directory Information

Each semester the college maintains a student directory that contains contact information for students enrolled. At the discretion of the Student Life Office, this information can be released with written consent to parties demonstrating a legitimate need for such access. Students wishing to withhold such information must notify the Student Life Office at the beginning of each semester via the Registration Form for courses.

ACADEMIC REQUEST FORMS

Special requests regarding a student’s academic program and records are processed by using one of the academic request forms. The Registrar’s Office only processes the request after compliance with all relevant instructions and applicable signatures. The approved original form will be placed in the student’s academic record.

ACADEMIC STANDING

Warning

A student is placed on Academic Warning when either the semester or cumulative grade point average is unsatisfactory.

- Below 1.0 for diploma students
- Below 2.0 for undergraduate students
- Below 2.5 for M.A.C.L. and M.Div. graduate students
- Below 2.75 for other M.A. graduate students

After being placed on Academic Warning, an undergraduate student cannot take more 12 hours and a graduate student cannot take more than 9 hours.

Progress

Diploma students must maintain, after the semester being put on Academic Warning, a cumulative grade point average (CGPA) of at least 1.0 to avoid Academic Probation.

Associate of Arts or Bachelor of Arts students must maintain, after the semester being put on warning, a CGPA of at least 2.0 to avoid Academic Probation.

Graduate students must maintain, after the semester being put on warning, a minimum CGPA of 2.5 for the M.A.C.L. and M.Div. degrees. Graduate students in other M.A. degrees must maintain a 2.75 the semester after being put on warning to avoid Academic Probation.
Probation

Any student not meeting minimum standards of Academic Progress (see above) will be placed on Academic Probation. If a student on probation raises their GPA above the requirements for one semester even though their CGPA remains below the standard, then the student may be removed from probation and placed on warning. (International students should also see Academic Standards, International Students, in the Enrollment Services section of the catalog.) An undergraduate student on probation cannot take more than 6 credit hours (3 credit hours for graduate students), may be restricted from college extracurricular activities, and forfeits all institutional financial aid. Failure to raise the CGPA to the required minimum standard within two semesters will result in suspension for a semester, unless the Vice President of Academic Affairs concludes there are significant extenuating circumstances.

Suspension

A student who has been academically suspended from the college (i.e., required absence for one regular semester) must apply for readmission. Students readmitted under these circumstances will be on Academic Probation.

Dismissal

After readmission, failure to meet minimum CGPA standards within two semesters will result in permanent dismissal from the college.

NOTE: The academic status and progress of students receiving V.A. benefits will be monitored and reported periodically to the Department of Veteran Affairs.

ADD/DROP/WITHDRAWAL

Students making course schedule changes after Registration must file a properly approved Add/Drop Form with the Registrar’s Office in a timely manner (see below) and pay a fee for each change. To add a course, the student must have the signed approval of the assigned academic advisor, the Business Office, and the Registrar’s Office; the process must be completed during the first two weeks of classes. Failure to comply may result in receiving no credit for attending the class. Students who decide to withdraw from the college subsequent to enrollment are required to sign a notice of withdrawal to be placed on file in the Registrar’s Office.

Grades for dropped courses and withdrawal from the college are given according to the following schedule, with exceptions made only under the most unusual circumstances, with the approval of the course professor.

<table>
<thead>
<tr>
<th>Week Description</th>
<th>Grade Assigned</th>
</tr>
</thead>
<tbody>
<tr>
<td>First Week</td>
<td>No academic penalty</td>
</tr>
<tr>
<td>Second-Eighth Week</td>
<td>WP-Withdraw Passing</td>
</tr>
</tbody>
</table>
Ninth-Twelfth Week  WF-Withdraw Failing
Thirteenth Week-End of Semester  No withdrawals allowed

Proportionate times for dropping courses apply to special terms (such as the compressed January and summer terms). Refund information can be found in the Financial Information section of the catalog.

ADVANCED PLACEMENT (AP) CREDIT

Students submitting a score of three or higher on an Advanced Placement (AP) test administered by the college Entrance Examination Board (CEEB) will be awarded credits equal to those of the course equivalent at Criswell College. Such credit will be evaluated upon receipt of an official copy of scores. AP tests must be completed prior to enrollment at the college and cannot be applied as elective credit.

APPLIED MINISTRY PROJECT

The Applied Ministry Project is the required supervised field education part of the curriculum. The Director of Applied Ministry coordinates the program and approves all ministry projects or other missions-related activities each semester.

The Applied Ministry Project is designed to provide the setting in which the student can apply the theoretical material gained in the classroom in actual practical ministry involvement. If taken seriously, the student will have a richer educational experience, as well as enter full-time ministry, or the work force, with an enhanced sense of professional confidence.

ATTENDANCE IN CLASS

Absences

Since class participation is vital to learning, absences should be taken only when absolutely necessary. More than seven (7) absences for two-day-per week classes, and more than three (3) absences for block classes will result in a grade of “F” for the courses. The professor and the Vice President of Academic Affairs must approve all exceptions to this policy. Proportionate absences apply to all other terms (J-Term, summer classes, language term, etc.). Students are responsible for all absences due to illness or any other reason. Granting of excused absences is permitted at the discretion of the professor.

Tardies

Missing more than fifteen (15) minutes at the beginning or end of a class period is considered one absence. Three instances of tardiness of fifteen minutes or less equals one absence. The tardy student is responsible for notifying the professor of his/her
presence in writing at the end of class. Students who wish to depart early should clear it with the professor.

AUDITING A COURSE

Any course may be audited if there is space available in the classroom. The Registration Fee is required for a student classified as an auditor. After the two-week drop/add period, students may not change status from audit to credit or credit to audit. Audit students do not receive grades from professors. A student’s permanent transcript will reflect which courses have been completed as audits. A course may be audited only two times. An audited course may be taken for academic credit at a later time.

BI-LEVEL COURSE DISTINCTIVES

Criswell College offers a limited number of bi-level courses germane to foundational studies for undergraduate and graduate degree program outcomes. The majority of these courses are in the biblical and theological studies areas. Bi-level courses contain a core that benefits undergraduate and graduate students. Syllabi in bi-level courses address differing learning outcomes and testing expectations for undergraduate and graduate students. Graduate learning outcomes and assignments in bi-level courses focus on independent study and include a research assignment.

CAMs ENTERPRISE AND BLACKBOARD LEARN

In 2010, Criswell College contracted with Three Rivers Systems for the use of CAMS Enterprise®. CAMS Enterprise serves as the college’s centralized student information system. Students can utilize CAMS Enterprise to register for classes, access past grades, request transcripts, plan their degrees, receive campus news, and communicate with campus departments. Students may access their information through the CAMS student portal, located at students.criswell.edu. Students receive their initial portal username and password during the admission process.

In 2011, Criswell College began implementing Blackboard Learn® to supplement its on-campus course delivery process. Many on-campus courses now deliver tests, quizzes, assignments and supplemental content via Blackboard Learn. In addition to providing content via Blackboard, many courses allow students to view updated grades throughout the semester, allowing students to keep track of their academic progress in the course.

CHANGE IN DEGREE PROGRAM

Any student changing his/her program major/minor(s)/track must notify the Registrar’s Office and obtain signatures of approval from the assigned academic advisor and the Registrar on the appropriate completed and approved academic request form. Students making these changes must meet all requirements of the Criswell College Catalog in effect at the time of the program change.
CLASSIFICATION OF STUDENTS

Freshmen  Completed less than 30 semester hours
Sophomores  Completed at least 30 and less than 60 semester hours
Juniors  Completed at least 60 and less than 90 semester hours
Seniors  Completed at least 90 semester hours and all Chapel and Applied Ministry Project requirements
Graduates  Completed baccalaureate degree and working toward a graduate degree
Non-degree  Not following a regular course of study
Auditors  Attending classes without academic credit
Sit-ins  Attending classes without transcripted credit

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

Students may submit for evaluation official results of the CLEP subject tests for course credit at Criswell College. CLEP credit may not be applied to any course in which a student is enrolled or has been enrolled. Students should receive permission from the Vice President of Academic Affairs to apply CLEP credit to their degree programs prior to taking an examination. Normally students may apply CLEP credit to no more than four courses.

CONTINUING EDUCATION UNITS CREDIT

The college occasionally awards Continuing Education Unit credit(s) for professional development training courses, conferences, or seminars. Actual participation and completion of all requirements is documented. All arrangements for credit must be completed and approved in advance before the college agrees to offer appropriately awarded Continuing Education Units. An individual may not be awarded both CEU and academic credit.

CORRESPONDENCE CREDIT AND DISTANCE COURSES

Transfer credit earned by correspondence or distance courses from schools with regional accreditation, the Accrediting Association of Bible Colleges (ABHE), or Transnational Association of Colleges and Schools (TRACS) is limited. Approved courses may be applied to an undergraduate degree. Correspondence work completed by a transfer student prior to enrolling at Criswell College can be evaluated for transfer credit, if it is not more than 30% of the degree, including residence credit transferred from non-
regional and non-ABHE schools. After enrolling at Criswell College, correspondence work or distance courses may be taken only by special permission from the Vice President of Academic Affairs. Permission will be granted only when it is absolutely necessary to take the course that semester and no other arrangement is possible. Certain classes are unacceptable for correspondence credit.

COURSE CANCELLATION

Scheduled courses taught by full-time faculty normally are not cancelled unless enrollment is below five. Courses taught by adjunct professors may be cancelled if the enrollment is below eight. Notification that a course may be cancelled is normally provided before or during the first class session.

COURSE LOAD

A full-time undergraduate student is one who is taking a minimum of 12 semester hours, with 15 hours being the recommended load. If a student’s CGPA is at least 3.0, a maximum of 18 hours may be carried. Requests for more hours require filing the appropriate academic request form, with the approval of the student’s assigned academic advisor, the Registrar and the Vice President of Academic Affairs.

A full-time graduate student is one who is taking a minimum of 9 semester hours, with 12 hours being the recommended load. With a CGPA of at least 3.0, a maximum of 15 hours may be carried. Requests for more hours require filing the appropriate academic request form, with the approval of the student’s assigned academic advisor, the Registrar and the Vice President of Academic Affairs.

As students determine their course loads, it should be remembered that each hour in class requires an average of two hours study outside class. Following this guidance will help students make consistent progress toward degree completion and provide a healthy balance in their relationship with God, family, school, work, and ministry.

Entering Freshman: Students must prioritize their course load accordingly. After beginning study, the following courses should be taken as soon as possible:

NOTE: CPL 100 Chapel and AMP 100 Applied Ministry Project are required non-credit courses taken each semester.
DISTANCE EDUCATION

Criswell College offers selected courses through asynchronous and text-based technologies. A distance education fee is charged on a per-course basis. All distance education courses share a description, learning outcomes, textbooks, assignments, and grading scale with on-campus courses. This requires students to work with the integrity and commitment necessary to participate in and benefit from all of the instruction and assignments given by the professor for learning the subject matter of the course. Therefore, academic policies and credit for distance education courses are the same as for courses taken on campus. For more information about taking distance education courses, please contact the office of Distance Education.

GRADE CHANGES

After grades have been turned in to the Registrar's Office, grade changes are permitted for errors made in computing grades. If, beyond the possibility (and resolution) of such a computing error, the student wishes to further appeal a grade, the procedure under the heading Academic Appeals must be followed.

GRADE REPORTS

Normally, grade reports are made available to students within four weeks of the close of each semester (with summer terms being one reporting period). Course grade reports are posted by the Registrar on the student's portal through the college's campus online information system.

Grades are not released by the Registrar until students have met all remaining financial or other obligations to the college, including the Business Office, Enrollment Services, Student Life Office, and the Wallace Library.

GRADING SYSTEM

The significance of letter grades is as follows:

<table>
<thead>
<tr>
<th>Grade</th>

</tbody>
</table>
The following grade symbols are also recognized for transcript evaluation:

- AU: Audited Course
- CR: Credit
- EX: Exempt
- I: Incomplete
- NC: No Credit
- P: Passed Non-credit Course
- RC: Repeat Course
- S: Satisfactory Progress
- W: Withdrawn
- WF: Withdrawn Failing
- WP: Withdrawn Passing

**NOTE:** An “I” will be changed to an “F” 60 calendar days after the close of the term or semester in which the “I” was awarded, if the course work is not completed by the stated date published in the Academic Calendar.

**GRADUATE COURSES FOR B.A. STUDENTS**

In order for a B.A. student to enroll in a graduate level course for transcripted credit, the student must have academic administrative approval and meet the following standards:

- Classified as a Senior with all current Chapel and Applied Ministry Project requirements completed.
- A minimum current cumulative GPA of 3.0.
- Meet all academic criteria for the course.
- Normally not exceed a maximum of 6 semester hours of graduate courses for undergraduate or graduate credit with B.A. degree requirements uncompleted.

Any graduate course taken for undergraduate credit cannot be taken for graduate credit at a later time nor be applied to a graduate degree.

Qualified seniors who have filed an Application to Graduate Form with the Registrar’s Office may take more than 6 credit hours of graduate courses with approval and at least a Provisional Acceptance to Criswell College as a graduate student.

**GRADUATION REQUIREMENTS**

To be eligible for graduation, students must maintain high standards of moral and ethical conduct, settle all financial obligations with the college (at least two weeks prior to Commencement), and successfully complete their prescribed course of study.

Clearance for approving a graduation application must be secured from the Business Office, Wallace Library, Registrar’s Office, and Student Life Office (Chapel and Applied
Ministry Project). It is the responsibility of all students expecting to graduate to be certain that they are clear and in good standing with the college through all of these administrative and educational support areas.

**Application**

Students must indicate their intent to graduate by filing a completed Application to Graduate form with the Registrar’s Office and paying the accompanying fee by the deadline per the academic calendar. If the Application to Graduate is turned in after the deadline, a late fee will be charged in addition to the application fee, payable immediately. Late applications filed one month prior to Commencement will be moved to the next graduation class.

**Commencement Attendance**

Students are normally required to attend graduation rehearsal and commencement exercises to receive their diplomas. Permission to graduate in absentia must be granted by the President’s Office and filed in the student’s academic records in the Registrar’s Office.

In order to participate in the May commencement, students must normally complete all graduation requirements by the beginning of the week of final exams in the semester dated with the Application for Graduation. No classes needed for graduation may be deferred after the spring semester.

**Cumulative Grade Point Average**

Undergraduates must achieve at least a 1.0 GPA for the Diploma program, or 2.0 GPA for the Associate and Bachelor degree programs. A semester grade of “D” or better is required for any course applied toward all undergraduate program degree requirements. Graduates from the M.A.C.L. and M.Div. degree programs must complete their course of study with a CGPA of 2.5 or better, while those in the Master of Arts in Counseling, Jewish Studies, Ministry, and Theological and Biblical Studies must finish with a CGPA of 2.75 or better. For all graduate programs, a semester grade of “C” or better is required for any course applied toward degree requirements.

**Graduate Thesis Requirement**

After passing the oral defense stage of the thesis process, graduate students must make any assigned corrections for form and content designated by the thesis committee chairman. At least one copy of the final corrected thesis manuscript must be submitted to the Wallace Library for binding and addition to the library collection. The fee for binding the library copy is $45. Any additional copies are $25 each. Check with the Director of Library Services for submission and binding processes. A student’s transcript and diploma will not be released until this graduation requirement is met.
International Student Graduation Requirement

At the beginning of the semester in which an international student is scheduled to complete his/her program, a written statement concerning the student’s plans to return home must be filed with the President’s Office and the Registrar’s Office.

Residency Requirement

For undergraduate programs, at least 50% of course work (including 100% of the final 30 hours) required for graduation must be taken at Criswell College. The only exception is for students who have already completed at least 50% of required course work at Criswell College and file the appropriate completed and approved academic request form with the Registrar’s Office to do Transient Study during their senior year. This request must be approved by the Vice President of Academic Affairs.

Graduate students are required to complete at least 50% of course work (including 100% of the final 9 hours) required for graduation at Criswell College. The only exception is for students who have already completed at least 50% of required course work at Criswell College and file the appropriate completed and approved academic request form with the Registrar’s Office to do Transient Study during their final year. This request must be approved by the Vice President of Academic Affairs.

Scholastic Recognition

Scholastic excellence will be recognized at Commencement as follows:

- **Summa Cum Laude**: Candidates with a CGPA of at least 3.8
- **Magna Cum Laude**: Candidates with a CGPA of at least 3.7
- **Cum Laude**: Candidates with a CGPA of at least 3.5

When a student retakes a course for credit, only the final grade is calculated in the CGPA. However, for the purpose of determining academic honors, all of a student’s attempted course work will be calculated in determining the overall CGPA.

*The H. Leo Eddleman Award* is presented annually to the outstanding Bachelor’s graduate. In order to qualify for this award, a student must have a CGPA of 3.7 or above and must have completed a minimum of 70 semester hours at Criswell College.

*The W. A. Criswell Award* is presented annually to the outstanding Master’s graduate. In order to qualify for this award, a student must have a CGPA of 3.7 or above and must have completed at least 24 semester hours at Criswell College.

*The C. Richard Wells Award* is presented annually to a Master of Arts in Christian Leadership graduate in recognition of academic excellence. To qualify for this award, a student must have completed the Master of Arts in Christian Leadership course of study at Criswell College, and must have demonstrated a high level of academic success.
The H. Leroy Metts Greek Language Award was established to recognize the outstanding teaching ministry of Dr. Roy Metts as the premier Greek Scholar in the Southern Baptist Convention. It is given annually to recognize the academic achievement of an outstanding student in the study of New Testament Greek.

The Lamar E. Cooper, Sr. Hebrew Language Award was established to recognize the teaching ministry of Dr. Lamar Cooper, Professor of Hebrew and Old Testament. It is given annually to recognize the academic achievement of an outstanding student in the study of biblical Hebrew.

The Presidential Scholarship at Southwestern Baptist Theological Seminary is presented annually to an outstanding Bachelor’s or Master’s graduate who displays academic excellence and is in the top 5% of his/her class.

The Student Leadership Award is presented annually by the faculty and administration of the college to one student who throughout the academic year has consistently and sacrificially offered himself/herself in service to the college.

The O. S. Hawkins Scholarship Award is funded through the W. A. Criswell Foundation and awarded annually to an outstanding pastoral ministry student and involves a mentoring relationship with a local pastor.

The Who’s Who Award is determined by the student’s CGPA and rank in their graduation class. To qualify for faculty consideration students must have a minimum CGPA of 3.5 and be in the top 10% of the their graduating class based on CGPA.

HONORARY DEGREE AWARDS

Through a vote of the faculty, the college identifies and cites the distinguished contributions of Baptist individuals to the cause of the gospel ministry worldwide by awarding the honorary Doctor of Laws, the Doctor of Divinity, and the Doctor of Humane Letters at the annual commencement ceremony.

The Doctor of Laws (L.L.D.), first conferred in 1773, is the most popular honorary doctorate now awarded. It is regarded as the most appropriate award for a person distinguished in general service to the state, to learning, and to mankind.

The Doctor of Divinity (D.D.) is the oldest and most traditional honorary degree awarded to men who have made major contributions, both by service and example, to the Gospel ministry over an extended period of years.

The Doctor of Humane Letters (L.H.D.) is the oldest and most traditional honorary degree awarded to those who have made major contributions both by service and example to the field of Humanities over an extended period of years.
INCOMPLETE GRADES

Students requesting a grade of Incomplete (I) must understand that incomplete grades may be given only upon approval of the faculty member involved. An “I” may be assigned only when a student is currently passing a course and in situations such as those involving extended illness, serious injury, death in the family, or employment or government reassignment, not student neglect.

Students are responsible for contacting their professors prior to the end of the semester, plus filing the appropriate completed and approved academic request form with the Registrar’s Office. The “I” must be removed (by completing the remaining course requirements) no later than 60 calendar days after the grade was assigned, or the “I” will become an “F.”

INDEPENDENT STUDIES

Courses may be offered as independent studies for seniors who have an irreconcilable schedule conflict among courses needed to complete a degree program for graduation. Students must be in good academic standing with at least a 3.0 CGPA. Students are normally not allowed to take more than one course by independent study per semester. Certain courses such as Core Courses may be inappropriate for independent study. Independent study courses are normally limited to supervision by full-time faculty only. Clarification may be obtained from the Vice President of Academic Affairs. Students are not permitted to do an independent study of a course that has been failed previously. In addition, students on warning or probation or who have unsettled financial or library matters will not be permitted to do an independent study.

All independent study courses must be approved by the professor and academic advisor before being approved by academic administration prior to or during Registration. Independent studies must be processed at Registration and be completed by the end of that semester. Independent study courses are normally not available for the January or May terms. In cases involving class cancellations, exceptions may be granted to complete a course by independent study with the approval of the student’s academic advisor, the professor, Vice President of Academic Affairs, and the Registrar.

Tuition for independent studies is the same as for regular classroom course work and is due at the time of Official Registration. The student must also pay an additional Independent Study Fee per course.

INSTITUTIONAL EFFECTIVENESS/RESEARCH

The mission of the Office of Institutional Effectiveness and Research is to support the mission of the college by establishing and maintaining assessment methods, data reporting, and administrative best practices for the purposes of institutional planning, improvement, and accreditation compliance.
As a part of its mission, the Office of Institutional Effectiveness and Research oversees the college's academic degree program assessment process. This process involves the extraction of key student performance indicators from select core courses for the purpose of assessing student progress throughout all degree programs. The information compiled from this process allows the faculty and administration to find ways to improve our academic programs so that our students are better equipped for life and ministry.

MISSION PRACTICUM

All B.A. degree seeking students are required to complete EMS 417 Mission Practicum on a cross-cultural mission field. The many purposes for this curriculum requirement include encouraging students to: 1) consider seriously God's call to foreign missions; 2) become global Christians in thinking and practice; and 3) develop as leaders by facing challenging and unfamiliar experiences.

For a student to be eligible to participate in the scheduled mission practicum of his choice, the following requirements must be met: 1) good academic standing; 2) at least a junior; 3) a minimum of 30 credit hours successfully completed at Criswell College; and 4) must complete EMS 101 Personal Evangelism and its appropriate prerequisites. At the discretion of the professor, students may sit-in or audit the class and participate in the mission trip. Support for this course is raised by the student.

NON-RESIDENT CREDIT REQUIREMENTS

Currently enrolled undergraduate students may complete courses at other accredited or approved institutions for credit at Criswell College according to the Residency Requirement under Graduation Requirements in this catalog. However, to ensure that such courses can be used for credit at Criswell College, students are strongly advised to use appropriate forms to seek approval prior to enrolling in non-resident courses.

PROGRAM COMPLETION

Catalog Requirements for Program Completion

Program completion requirements are governed by the catalog year and semester under which the student enters. When a student does not attend Criswell College for three consecutive fall/spring semesters, he/she may be placed under the new Catalog and degree plan in effect upon readmission to the college. At the time of graduation, readmitted students will be assessed for program completion with a current graduation audit.
Cooperative Resolution for Program Completion

Criswell College recognizes that it is important for students to earn their degrees in a timely fashion. Criswell College commits itself to providing each student all possible assistance to ensure graduation within the proposed time frame of their degree program beginning at the point when they enter the system. The student’s responsibilities for completion of a degree within the projected time of the program of study is contingent upon the following criteria:

- having appropriate high school or other education requirements for the degree program before entering the course of study;
- selecting a major early in the college career and adhering to the proposed course plan for that major;
- working closely with one’s academic advisor to develop a curricular plan;
- enrolling in courses according to the order that is outlined in the catalog for the degree plan, prioritizing prerequisite courses early in the program;
- pre-registering early during each semester’s pre-registration period;
- registering for and completing a full load of courses as appropriate for the degree program (15-18 credit hours per semester for undergraduates and 9-12 credit hours per semester for graduates);
- notifying one’s academic advisor immediately in the case of a possible delay in degree completion caused by the unavailability of a course that is needed in the last year of study.

For its part, the college guarantees each student enrollment in the courses that are required for their degree program. If the required courses are unavailable when needed, mutually acceptable alternatives may be provided.

The mutual commitment outlined in this resolution by both the college and the student will result in graduation in the proposed time for the degree program.

PROGRAM DECLARATION

Students are encouraged to declare a degree program as early on in their academic career as possible, but must declare no later than 60 hours into their undergraduate degree and 18 hours into their graduate degree.

QUALITY ENHANCEMENT PLAN (QEP)

Criswell College regularly engages in a five-year Quality Enhancement Plan (QEP) designed to improve key areas of student learning. Our current QEP focuses on the college’s C. S. Lewis Writing Center, located on the third floor of the library. The writing center is staffed by faculty, staff, and student workers who provide tutoring services to
our students in the areas of basic composition, writing style, formatting, writing structure, and any other writing needs. Any student interested in receiving help in these areas should visit the writing center in person or email an appointment request to writingcenter@criswell.edu.

REGISTRATION

Students must complete course registration prior to attending courses. All course registration should be done in accordance with faculty advisement to ensure the student takes courses appropriate to the student’s degree plan and education goals. Information on registration dates, times, and procedures are available on the college website and is updated regularly.

REPEATING COURSES

Only courses for which the student received a grade of “C” or lower can be repeated at Criswell College. When a course is retaken for credit, only the final grade is calculated in the student’s cumulative GPA. However, to determine academic honors, all attempted course work will be calculated in the final GPA. Sit-in or audited courses may be taken for credit at a later time.

RESEARCH AND WRITING STANDARDS

The college faculty publishes the *Criswell College Manual of Style* on-line. This manual contains research and writing standards prescribed for successfully completing research papers assigned by professors and for the advanced writing courses RES 410 Senior Thesis, RES 601 Library Research Seminar, RES 602 Thesis Seminar, and RES 603 M.A. Thesis. Additional guidelines approved by faculty for thesis courses are provided in the course.

SIT-IN STATUS

Sit-in status in a course is available for students who have previously completed a credit course to serve as a review and refresher of course material or for those desiring to further their education. If space is available, approval must be given by the professor and Registrar’s Office along with paying the sit-in course fee.

SPECIAL EVENTS

Classes are sometimes dismissed due to special events, such as seminars or conferences. When regular classes are dismissed for students to participate in special events, students must attend the event or be counted absent for those classes.
TECHNOLOGY

The IT Department maintains a network for student use that provides access to campus computing facilities by way of the Wallace Library and a computer lab, including software support for e-mail, the Internet, library research, and standard applications for preparing course assignments. Students agree to adhere to the college’s technology policies whenever they connect or login to the network or online information system. The college reserves the right to disconnect users without warning to protect the integrity and/or usability of the network. Technology policies are distributed through the Student Life Office.

TEXTBOOKS

Textbooks for classes are available at the Dallas Theological Seminary’s Book Center, which is located two blocks north of the college campus at 4005 Swiss Avenue, Dallas, TX 75204. The Book Center can be contacted by phone at 214-841-3700 and found at bookcenter.dts.edu.

TRANSCRIPTS

Official and unofficial transcripts and certifications of student academic records are issued by the Registrar’s Office. Official copies of high school records or transcripts of any work done at other institutions must be requested from the school where the work was completed.

Transcript request fees from Criswell College are payable in advance by cash, debit card, credit card, or money order. Transcripts are available for pick-up or to be mailed, within 24 to 48 hours of the request, with exceptions due to unfulfilled financial or other obligations to the college, delays related to the posting of a grade change, a degree earned, or semester grades received from faculty.

Transcripts must be requested in writing, including the signature of the individual student. No partial or incomplete transcripts are issued. All obligations to Criswell College must be satisfied before a transcript will be released.

VISITORS

Visitors are invited to attend class as non-participants if space is available and the professor gives approval.
PROGRAMS OF UNDERGRADUATE STUDY

THE PROGRAM OF BIBLICAL STUDIES
A student participating in the Program of Biblical Studies, upon successful completion of the chosen course of study, will be awarded a Diploma, Associate of Arts, or Bachelor of Arts degree.

The competencies listed below are based on Criswell College’s philosophy of education and are reflected in the learning outcomes for each undergraduate program. A student completing an undergraduate program should demonstrate:

1. A knowledge of the storyline of Scripture and the skill to study and interpret Scripture consistently and methodically;
2. An understanding of systematic theology and the spiritual disciplines;
3. A comprehension of areas of study beyond the strictly biblical and theological, and the ability to express elements of a Christian worldview and to engage effectively the community in which the student lives and serves;

In addition, a student completing the Baccalaureate program should demonstrate:

4. The ability to apply scriptural, theological, and general truths to contemporary issues in society;
5. Academic achievement indicative of the student’s preparedness for graduate studies.
Diploma

BIBLICAL STUDIES

The program of study leading to the Diploma in Biblical Studies is designed to give a strong foundation in both biblical and theological studies with college-level English language proficiency. Biblical and theological courses are taught in English and Spanish. From its very foundation, Criswell College has maintained a special interest in ministerial students who may not necessarily be a high school graduate, have not had an opportunity for college or seminary training, or who have entered the ministry after reaching their mature years.

PROGRAM LEARNING OUTCOMES

Diploma graduates should demonstrate:

Biblical Studies

1. A basic knowledge of the storyline of Scripture

Theology

2. A basic knowledge of the major doctrines of systematic theology
3. An understanding of Christian spirituality for the purpose of living a healthy Christian life

General Education

4. The ability to write well at a college level

Associate of Arts Degree
BIBLICAL STUDIES

The Associate of Arts degree is designed primarily for students desiring basic general education curricula with a strong biblical and theological foundation for their total education. Students choose one of two concentrations (minors) based on individual interests and educational goals. The concentrations are often directly transferable into bachelor of arts degree programs. This degree meets the minimum requirements for appointment with certain missionary agencies.

PROGRAM LEARNING OUTCOMES
A.A. graduates should demonstrate:

Biblical Studies

1. A basic knowledge of the storyline of Scripture
2. The ability to interpret the Bible properly and effectively

Theology

3. A basic knowledge of the major doctrines of systematic theology
4. An understanding of Christian spirituality for the purpose of living a healthy Christian life

General Education

5. The ability to write well at a college level
6. A knowledge of worldview issues at a personal, familial, and cultural level

Bachelor of Arts Degree with Minors

The Bachelor of Arts in Biblical Studies provides students with the opportunity to study general education curricula, major in biblical studies, and become grounded in systematic theology. Students also significantly personalize the program by choosing one or two minors or a second major. For students so inclined, the B.A. program is an excellent preparation for graduate studies.

PROGRAM LEARNING OUTCOMES

B.A. graduates should demonstrate:

Biblical Studies

1. A basic knowledge of the storyline of Scripture
2. The ability to translate and exegete both the Hebrew Old Testament and Greek New Testament at a basic level
3. The ability to interpret scripture in its original historic, cultural, and literary context

Theology

4. A basic knowledge of the major doctrines of systematic theology
5. An understanding of Christian spirituality for the purpose of living a healthy Christian life

General Education

6. The ability to write well at a college level
7. The ability to use basic critical thinking skills
8. A familiarity with multiple historical cultures and their impact on the current world
9. A knowledge of worldview issues at a personal, familial, and cultural level

Integration

10. The ability to lead people within Christian organizations
11. The ability to impact communities by applying scriptural truths, consistent doctrine, and a Christian worldview to contemporary issues in society

Academic Advancement

12. The level at which each student is likely to succeed in graduate studies

UNDERGRADUATE COURSE DESCRIPTIONS

All courses, unless otherwise noted, are three credit hours. Undergraduate course numbers range from 100 to 499, with 100s generally designating Freshman courses, 200s Sophomore courses, 300s Junior courses, and 400s Senior courses or upper-level electives.

AMP 100  Applied Ministry Project  Required every semester
A practical application of Christian ministry in diverse areas, such as discipleship, Christian counseling, Bible study leadership, chaplaincy, street evangelism, hospital visitation, etc. A position of ministry in a local church will satisfy this requirement if approved by the Director of Applied Ministry. This is a required non-academic credit course for all full-time students taking 12 or more credit hours.

ARB 301  Arabic I
An introduction to Modern Standard Arabic (MSA) and the Levantine dialect focusing on the four language skills, listening, reading, writing and speaking, with a study of Arab culture and civilization.

ARB 302  Arabic II
A continuation of Arabic I, focusing on the four language skills, listening, reading, writing and speaking, with a study of Arab culture and civilization. (Prerequisite: ARB 301)

BIB 101  Bible Introduction
A general introduction to the Bible focusing on the nature, historical background, linguistics, canonization, transmission of the text, and English translations of the Bible.
BIB 105  Hermeneutics  A study of the transmission and translation of the Scriptures and of the principles and procedures of their interpretation and application.

CPL 100  Chapel  Required every semester  As a vital component of a Christ-centered education, Criswell College embraces chapel worship to encourage a community of learning and of faith. Chapel supports the educational curriculum of the campus community through weekly collective meetings as a campus family, exposing students to quality models of expository preaching and sound biblical teaching, an enacted theology of worship, and a model of good corporate worship. This is a required non-credit course for all full-time students taking 12 or more credit hours.

CPR 201  Missional Foundations  Develops a theology of missions and examines the concept of Missio Dei, which acknowledges that the initiative for missions come directly from God. The writings of Darrell Guder, Lesslie Newbigin, Tim Keller and Ed Stetzer and others will be used to apply Missio Dei to church planting.

CPR 301  Introduction to Church Planting  A basic introductory course, covering subjects from qualifications of the planter to methodological strategies involved in church planting and revitalization. (Prerequisite for CPR Second Majors only, may be taken concurrently: CPR 201)

CPR 310  Cross-Cultural Communication  A survey of basic communication principles with cross-cultural applications. Emphasis is placed on developing effective bicultural models for evangelistic persuasion using modified receptor-oriented communicative techniques with understanding. (See also EMS 203; Prerequisites for CPR Second Majors only, may be taken concurrently: EMS 101, EMS 205)

CPR 401  Church Planting Models and Methods  An exploration of the different church planting models that are prevalent today, including accelerated church planting, traditional-style churches, and the house church movement. (Prerequisite for CPR Second Majors only, may be taken concurrently: CPR 301)

CPR 402  Church Growth  An analysis of the theological foundations for church growth in order to critique the church growth movement and benefit from its history. Principles of church growth theory are evaluated and applied to specific field situations. Strategies for targeting community needs and integrating
converts into the life of the church are studied. (Prerequisite for CPR Second Majors only, may be taken concurrently: CPR 201)

**CPR 404  Current Issues in Church Planting**  
An in-depth analysis of the selected topic related to church planting. This course may be repeated for credit when the topic studied is different. (Prerequisite for CPR Second Majors only, may be taken concurrently: CPR 201)

**CPR 410  Evangelism in the Book of Acts**  
The main thrust of the Book of Acts is the expansion of the church by the spreading of the good news throughout the ancient world. This verse-by-verse study, focusing on evangelism, rekindles in the student the excitement, enthusiasm, and boldness exemplified by the first Christians. It also reveals principles that can be utilized in the twenty-first century church. (Prerequisite for CPR Second Majors only, may be taken concurrently: CPR 201)

**CPR 415  Church Planting Practicum**  
A hands-on practicum involving either an internship in a recent local church plant or a NAMB study trip to a “pioneer” area within the United States. The main components of the course include in-depth analysis and assessment of the work being observed. (Prerequisite for CPR Second Majors only, may be taken concurrently: CPR 401)

**ECN 301  Introduction to Economics**  
An examination of the primary economic theories, systems, and practices, with emphasis given to the examination of free market capitalism.

**EDU 201  History and Philosophy of Christian Education**  
An introduction to the philosophy of education—its meaning and scope focused on the indispensable importance of a Christian worldview philosophy of education. The history of education ideas through the study of selected educational theorists and intellectual movements from antiquity to the present are surveyed. The knowledge aspects of education, its nature, sources, and forms of knowledge are examined along with the moral aspect of education. Moral theories, fundamental moral education, the nature of human brain creativity, and cultural applications are examined.

**EDU 300  Principles of Teaching**  
An introductory study of principles and methods of effective Christian teaching. Emphasis placed on developing teaching plans. Opportunity to practice teaching provided. Approaches include teaching for knowledge, understanding, attitude change, Christian growth, and application.
EDU 305  Curriculum Construction and Evaluation
An introduction to the theoretical basis of learning which includes
the nature and structure of teaching and learning. A systems approach
is applied to teaching educational aims and instructional objectives.
Attention is given to planning for teaching, communication in the
classroom, motivation and sustenance of the learner’s interest and
providing for individual differences. Students gain an understanding of
procedures for measuring and evaluating learning outcomes as well as an
introduction to record keeping.

EDU 310  Organizational Management
An introductory course focused on understanding the purposes, processes,
and problems involved in organizational administration, including the area
of Christian education. Students gain an understanding of management
concepts that encourage Christian stewardship of resources. Areas of study
include budgeting, scheduling, staff management, committee structure and
leadership, and facilities.

EDU 311  Educational Ministry in the Church
An introductory study of the various educational organizations of the
local church, relating the biblical goals of the church to the organizational
life of a given local church. Attention given to the available curricula for
Christian education today.

EDU 408  Conflict Management
An introductory analysis of the causes of conflict at both the interpersonal
and institutional levels. Particular attention given to models of
communication and the constructive role conflict can play when carefully
managed. In addition to case studies, students will explore their own
inclinations in an environment of conflict.

EDU 420  Educational Technology
The concepts and foundations of educational technology. Theories of
communication and the learning process at both the verbal and non-verbal
levels are examined. The range of media for teaching a targeted learning
group are presented with complementary design and techniques suited for
anticipated learning outcomes. The library as a resource in teaching and
learning is also presented.

EMS 101  Personal Evangelism
An introduction to the oral presentation of the gospel to the individual,
including personal spiritual preparation for the task. Biblical foundations
and demands for evangelism provide the basis of study. (Prerequisite may
be taken concurrently: THS 101)

HUM 302  The Modern World
A survey of Enlightenment and Romanticism and how these opposing forces shaped philosophy, literature, art, and music. Various movements are examined such as the revolution, evolution, and World War I.

HUM 305  The Greek World
An overview of the great themes of the Greek civilization. These themes will be explored through Greek philosophy, poetry, architecture, and politics. Emphasis will be given to the ideas that directly impact later developments within Western civilization.

HUM 402  American Culture
Beginning with the richness of American literature, this course will explore the variegated nature of American art, politics, music, and thought. Emphasis will be placed on the lives of American authors and how they influenced the times in which they lived.

HUM 403  Topics in Humanities
A detailed study of the developments within a specific area of Humanities (philosophy, art, music, literature, or rhetoric). This course may be repeated for credit when the topic of study differs.

HUM 404  Faith and Culture
A capstone course that will attempt a biblically-based critique of the ongoing integration of theology and modern thought. The various facets of western culture (music, art, literature, theater, etc.) are examined, evaluating the strengths and deficiencies of each from the perspective of a Judeo-Christian worldview. Throughout this survey of art and ideas, the student will develop the analytical skills necessary to recognize and evaluate the contributions that modern (and postmodern) culture has made to the church as well as our individual lives. (Prerequisites may be taken concurrently: THS 203 or 301 or 302)

HUM 405  Cinematic Theology
A seminar course exploring the theological content of contemporary cinema, evaluating the impact such appropriations of Christian symbols and theological meta-narratives can have on popular perceptions of God and the local church.

JMS 200  Archaeology and the Bible
An introduction to the contributions archaeology has made to the field of biblical interpretation. Included is a study of the history of archaeology, a basic geography of Israel, and an examination of some of the major archaeological sites in the Middle East and their relation to biblical studies.
JMS 201  Introduction to Jewish Studies  
An introduction establishing a biblical rationale for Jewish evangelism. Examines the history, culture, and religious thought of the Jewish people with a view to better understand them, be able to evaluate past Christian efforts in Jewish evangelism, and to formulate strategies for effectively communicating the gospel in a Jewish context.

JMS 205  History and Geography of Israel  
An introductory course providing the student with a thorough understanding of the biblical and modern history of Israel, its surrounding region, and the role geography played in these events. Particular attention is placed on locations mentioned in the biblical stories. Students survey the vast literature on this subject, and then travel throughout Israel for the purpose of enhancing their understanding gained in the classroom. (The student is expected to bear the costs of the study trip to Israel.)

JMS 210  History of the Jewish People  
An introductory course tracing the history of Jewish believers in Jesus from the first century to the present against the background of Jewish history in general. Attention is given to the most significant individuals and events that have shaped Jewish history, as well as methods that have been used in missions to the Jews.

JMS 220  Jewish Intercultural Communication  
An introductory course designed for students interested in evangelistic ministry focusing on cross-cultural encounters with Jewish people. Acquiring a better understanding of American Jewry and Jewish evangelism. Students employ an anthropological approach to identify features of Jewish ethnic identity and culture and become familiar with religious practices and traditions in Judaism along with the ideological beliefs of contemporary Jewry in the United States. These broad foundations will be applied to strategic thinking about practice and theory in Jewish evangelism.

JMS 250  Theology of Israel  
An introductory biblical-theological study of the subject of Israel and its practical application to ecclesiology (doctrine of the church) and missiology (doctrine of missions). This course critically evaluates Replacement Theology and Dual Covenant Theology in light of relevant biblical texts concerning Israel’s past, present, and future with a special focus on a Pauline theology of Israel and its application for the church today.

JMS 260  Messianic Prophecy  
An introductory course that traces the development of messianic prophecy in the Old Testament as it relates to Israel and the nations and also shows
its fulfillment in the person of Jesus, the Messiah of Israel. Attention given to Jewish interpretation of prophetic passages as expressed in Jewish literature.

JMS 300  Field Archeology

PROGRAMS OF GRADUATE STUDY

THE PROGRAM OF BIBLICAL STUDIES

The student participating in the Program of Biblical Studies, upon successful completion of the chosen course of study, will be awarded a Master of Arts or Master of Divinity degree.

The college’s philosophy of education leads to the following competencies, which apply specifically to the learning outcomes for each graduate degree program of study.

1. Move toward a mature Christian life by learning to apply scriptural truths to the contemporary issues of society.

2. Maintain a disciplined devotional life and an ongoing program of methodical study of the Scriptures.

3. Evidence the knowledge and skills necessary for the spiritual care and leadership of people within varying contexts and traditions. Such areas of care and leadership include the pastorate, missions, evangelism, Christian education, communications, youth ministry, worship leadership, women’s ministry, or other related Christian ministries.

4. Progress to further graduate and doctoral studies in biblical, theological, and leadership fields.

5. Identify and articulate aims and objectives for life-long personal and professional development in ministry.
Master of Arts
CHRISTIAN LEADERSHIP

The Master of Arts in Christian Leadership (M.A.C.L.) is designed to provide basic theological and ministry education for persons who want to be better equipped for ministry and/or advance in their employment setting, but who have little or no previous theological education and have limited time to attend graduate school. Upon successful completion of this degree plan, the student should evidence the skills, knowledge, and leadership abilities applicable in the marketplace and for successfully leading the educational ministry of a local church. Its design also qualifies a missionary candidate whose mission board requires a year of graduate theological education for appointment (e.g. those undertaking specialized assignments, such as in medicine or agriculture). Applicants choose from two specialized program tracks: Spiritual Leadership or Educational Leadership.

PROGRAM LEARNING OUTCOMES

M.A. Christian Leadership graduates will be able to demonstrate:

Biblical Studies

1. A basic knowledge of the storyline of Scripture
2. The ability to articulate the content and themes of each biblical book

Theology and Spiritual Formation

3. A basic knowledge of the major doctrines of systematic theology
4. An understanding of Christian spirituality for the purpose of living a healthy Christian life
   Leadership
5. A personal philosophy of leadership that is biblically-based, theologically informed, practical, and coherent

Research

6. The ability to conduct graduate-level research and writing in the areas of church ministry and leadership

Integration

7. The skills necessary to apply a personal philosophy of leadership to church ministry, with particular focus on educational ministry

GRADUATE COURSE DESCRIPTIONS

All courses, unless otherwise noted, are three credit hours. Graduate course numbers range from 500 to 799. Courses at the 500 level are generally graduate-level basic core curriculum courses, while courses in the 600s and 700s are generally either upper-level required courses or electives.

AMP 500  Applied Ministry Project  Required every semester
A practical application of Christian ministry in diverse areas, such as discipleship, Christian counseling, Bible study leadership, chaplaincy, street evangelism, hospital visitation, etc. A position of ministry in a local church will satisfy this requirement if approved by the Director of Applied Ministry. This is a required non-academic credit course for all full-time students taking 9 or more credit hours.

ARB 601  Arabic I
An introduction to Modern Standard Arabic (MSA) and the Levantine dialect focusing on the four language skills, listening, reading, writing and speaking, with a study of Arab culture and civilization.

ARB 602  Arabic II
A continuation of Arabic I, focusing on the four language skills, listening, reading, writing and speaking, with a study of Arab culture and civilization. (Prerequisite: ARB 601)

BIB 501  Bible Introduction
An advanced introduction that emphasizes the nature, historical background, linguistics, canonization, transmission of the text, and English translations of the Bible.
BIB 505  Biblical Hermeneutics
An advanced study of the transmission and translation of the Scriptures and of the principles and procedures of their interpretation and application.

CPL 500  Chapel  
Required every semester
As a vital component of a Christ-centered education, Criswell College embraces chapel worship to encourage a community of learning and faith. Chapel supports the educational curriculum of the campus community through weekly collective meetings as a campus family, exposing students to quality models of expository preaching and sound biblical teaching, an enacted theology of worship, and a model of good corporate worship. This is a required non-academic credit course for all full-time students taking 9 or more credit hours.

CSL 505  Counseling Theories
Introduces students to theories of counseling from a historical, chronological, and theological perspective. The psychoanalytic, Adlerian, person-centered, humanistic-existential, cognitive-behavioral theories of counseling are identified and analyzed. Students examine each theory in light of their personal Christian worldview.

CSL 510  Social, Cultural and Family Issues
Students investigate attitudes and perspectives regarding gender, race, ethnicity, sexual orientation, age, and other cultural differences. Particular emphasis will be placed upon biblical, historical, and cultural perspectives and the impact current views have on the counseling relationship. Students are encouraged to expand their points of view of diverse populations leading toward successful therapeutic relationships.

CSL 515  Counseling Methods and Techniques
A study of selected methods and techniques of counseling as they apply to normal and abnormal human behavior in order to aid students in identification of a preferred counseling theory based on their understanding of selected theories and self-understanding of personal values, beliefs, and personality. In addition, students are challenged to integrate their Christian worldview as it impacts the counselor and counseling relationships. (Prerequisite may be taken concurrently: CSL 505)

CSL 520  Human Growth and Development
A broad overview of perspectives, principles, theories, and research findings associated with the field of human life span development. Providing a foundation of knowledge that will help students become more effective practitioners through a greater knowledge of how people develop
over the course of their lifespan. Students also gain a perspective of how Christians develop and grow over the course of their spiritual lives.

**CSL 525 Abnormal Human Behavior**
A study of psychopathology to aid students in understanding problems outside the normal range of behavior. Students develop skills in making diagnoses according to the DSM-IV and grow in their understanding of the various treatments of abnormal behavior. Students examine the interaction between the Christian worldview and abnormal human behavior and treatment.

**CSL 530 Lifestyle and Career Development**
An investigation of the concept of career, providing an overview of the career development field and the practice of career guidance. Students identify and analyze theories of career development relevant to American culture including strategies, assessments, and various resources to assist with career decisions. Students examine the concept of career as a process that continues throughout the life span in light of God’s purpose and plan.

**CSL 601 Appraisal and Assessment Techniques**
An examination of the basic principles and methods of individual assessment in counseling psychology. Addresses mental health exams, scoring, and interpretation of standardized assessment measures. Special issues include ethical considerations, social-cultural implications, and the use of testing and assessment methods within the context of a local church.

**CSL 605 Research**
Designed to assist the student in becoming a critical consumer of research through learning to conduct an integrative review of the literature on various topics in counseling. Students are challenged to think critically and form research questions to evaluate the growing body of literature in the areas of counseling and psychology. In addition, students are required to consider research, statistics, and assessment techniques to be utilized within the context of the local church body.

**CSL 610 Topics in Counseling**
A course treating any number of specific issues pertaining to psychology, sociology, and spirituality as it relates to the counseling profession. This course may be repeated for credit when the topic of study differs.

**CSL 615 Group**
A study of current theories and techniques in group therapy, including dynamics of interpersonal relationship and the social, diagnostic, and other factors that impact group psychotherapy. Dynamics of interpersonal
relationships and groups within the context of the church are also examined.

CSL 620 **Professional Orientation/Pre-Practicum**
An introduction to biblical responsibility in counseling, the myriad of ethical issues that surface in counseling settings, and legal requirements of counselors. Topics include privacy and confidentiality, duty to warn, abuse reporting procedures, licensure and certification, marketing, boundaries in therapeutic relationships, and counselor health and welfare. Students are required to perform informal interviews to demonstrate practical counseling skills.

CSL 630 **Practicum I**
In order to be eligible for this course, students must have the approval of the department chair, be in good academic standing, completed all degree prerequisites, and be in the final 12 hours toward M.A. Counseling degree completion. Designed to provide supervised practical counseling experience from a Christian perspective that can be applied in a ministry, school, agency, or college setting. Students learn the basics of active listening skills and appropriate counseling techniques through role-play and supervised counseling experience. Students must have three to five actual tape-recorded sessions and acquire 150 hours of indirect and direct counseling experience at an approved site. Practicum students will meet with the professor every week. Interview summaries, detailed analyses, and other relevant counseling experiences are a part of the course. Orientation to the role of the professional counselor and ethical concerns are re-addressed. (Practicum I must be taken during a student’s last year of enrollment.)

CSL 640 **Practicum II**
A continuation of CSL 630. Students apply knowledge and skills in a face-to-face relationship gained from previous course work in their degree program. Students work under the supervision of a field counselor with accountability to the professor of record. A professional portfolio is prepared that reflects field experiences integrated with course content and research. A minimum of 150 field experience clock hours is required, averaging about 8 hours per week, during the course of the semester. Faculty counseling program professors visit students at their assigned school at least twice during each semester. (Prerequisite: CSL 630)

EDU 501 **Educational Ministry in the Church**
An advanced introduction to the various aspects of the educational ministry of the local church. The educational mandates of the New Testament are applied to the organizational life of the church. Attention is given to goals, principles, and leadership required for the educational
process. The student is made aware of various curricula for current Christian education.

EDU 532  Principles of Teaching  
An advanced study of principles and methods of effective Christian teaching. Emphasis is placed on developing teaching plans with an opportunity to teach. Approaches include teaching for knowledge, understanding, attitude change, Christian growth, and application.

EDU 601  Educational Psychology  
An analysis of major educational theories made in the context of Christian education. Major emphases include personality and cognitive development, theories of learning, instructional objectives, motivation, and the educational psychology of Jesus.

EDU 610  Organizational Management  
An advanced course focused on understanding the purposes, processes, and problems involved in organizational administration, including the area of Christian education. Areas of study include budgeting, scheduling, staff management, committee structure and leadership, and facilities, encouraging a Christian concept of stewardship.

EDU 615  Conflict Management  
An analysis of the causes of conflict both at the interpersonal and institutional levels. Particular attention is given to models of communication and the constructive role of conflict managed correctly. In addition to case studies, students explore their own inclinations in the environment of conflict.

EMS 501  Personal Evangelism  
Research in the principles of effective evangelism. Attention is given to the biblical foundation and mandate to evangelize, personal spiritual preparation for the task, problems encountered in witnessing, the role of prayer and the Holy Spirit in evangelizing, and methods of follow-up and discipleship for the convert. (Prerequisite may be taken concurrently: THS 504)

EMS 502  Strategies for Church Growth  
An advanced analysis of the theological foundations for church growth in order to critique the church growth movement and benefit from its history. Principles of church growth theory are evaluated and applied to specific field situations. Strategies for targeting community needs and integrating converts into the life of the church are studied. (Prerequisite may be taken concurrently: EMS 501)
EMS 510  Evangelism in the Early Church
The main thrust of the Book of Acts is the expansion of the church by the spreading of the good news throughout the ancient world. This verse-by-verse advanced study, focusing on evangelism, rekindles in the student the excitement, enthusiasm, and boldness exemplified by the first Christians. It also reveals principles that can be utilized in the twenty-first century church.

EMS 515  Evangelism and the Kingdom of God
A careful analysis of the central evangelistic message preached by Jesus and the apostles. While theologians and New Testament scholars have adequately studied the Kingdom of God, it has been virtually ignored by evangelists. Students examine the Old Testament concept of the Kingdom, how it was interpreted by Jesus, applied to His listeners, and its relevance for today.

EMS 550  History and Theology of Missions
An advanced study and analysis of major missiological motifs. An examination of the biblical foundation for missions, theological ramifications of cross-cultural communication of the Gospel, strategies for applied missiology, and the historical expansion of Christian missions. The historical survey highlights the modern mission era and draws attention to trends shaping missionary activity in the twenty-first century. (Prerequisite may be taken concurrently: EMS 501)

EMS 602  Church Planting
An advanced course analyzing topics related to church planting in North America and cross-culturally. Factors which inhibit and enhance successful church planting are identified and applied. Particular attention is given to gathering and using statistical data to identify such factors. (Prerequisite may be taken concurrently: EMS 501)

EMS 611  Evangelism Practicum
An approved practical evangelistic project. Designed to offer students extensive supervised experience in a specific field of evangelism.

EMS 625  Modern Revival and Awakenings
A study of major spiritual awakenings in the twentieth century and beyond. Attention will be given to the Welsh Revival, Azusa Street Revival, ministries of Billy Sunday, Aimee Semple McPherson, and Billy Graham, the rise of evangelicalism, healing revivals of the late 1940s, the Asbury Revival, the Jesus Movement, and the Charismatic Movement. Differences between genuine and pseudo-revivals are discussed.
EMS 710  Contemporary Issues in Evangelism
A thorough examination of a current issue in evangelism. Topics include apologetics, evangelism in a pluralistic society, reaching the postmodernist with the Gospel, Jewish evangelism, and other contemporary and pertinent issues.

GRK 501  Greek I
An advanced introduction to the basic Greek grammar in the New Testament.

GRK 502  Greek II
A study of the elements of New Testament Greek with an emphasis on grammar and syntax from selected readings in the Johannine literature. (Prerequisite: GRK 501 or equivalent)

GRK 610  Greek Reading
An examination of the elements of New Testament Greek I and II with an emphasis on the rapid reading and advanced exegesis of the Greek text from selected Greek New Testament books and related Hellenistic texts. (Prerequisite: GRK 502 or equivalent)

GRK 620  Greek Exegetical Syntax I
A study of Greek grammar, emphasizing exegetical method in the Greek New Testament. Special attention given to syntax, textual criticism, literary analysis, and lexical studies. (Prerequisite: GRK 502 or equivalent)

GRK 630  Greek Exegetical Syntax II
A study of the traditional descriptive grammatical heritage of Robertson, Blass-Debrunner, Moulton, Turner, Howard, et al. Introduces the case grammar of T. H. Mueller, generative-transformational models, as well as a distinctly semantically-based theoretical orientation to the Greek New Testament. Expository-hortatory texts of advanced difficulty (e.g. 1 Peter, Lukan narrative, and Hebrews) provide the textual data to achieve the lexical, grammatical, semantical, and practical exegetical objectives. (Prerequisite: GRK 620 or equivalent)

HEB 501  Hebrew I
An introduction to the elements of biblical Hebrew with an emphasis on phonology, grammar, and vocabulary.

HEB 502  Hebrew II
A study of the elements of biblical Hebrew with an emphasis on grammar and syntax, with selected readings from the Hebrew Old Testament. (Prerequisite: HEB 501 or equivalent)
HEB 610 Hebrew Reading
A continuation of the elements of Old Testament Hebrew I and II with an emphasis on rapid reading and advanced exegesis of the Hebrew text from selected Hebrew Old Testament Books. (Prerequisite: HEB 502 or equivalent)

HEB 620 Hebrew Exegetical Method I
A study of Hebrew grammar, emphasizing exegetical method in Hebrew prose literature. Special attention given to syntax, textual criticism, literary analysis, and lexical studies. (Prerequisite: HEB 502 or equivalent)

HEB 630 Hebrew Exegetical Method II
An advanced study of Hebrew grammar and syntax, with special attention given to the exegesis and exposition of Old Testament poetic texts. Topics include the interpretation of figurative language, parallelism, and meter in the exegesis of poetic texts. (Prerequisite: HEB 620)

JMS 500 Archaeology and the Bible
An introduction to the contributions archaeology has made to the field of biblical interpretation. Included is a study of the history of archaeology, a basic geography of Israel, and an examination of some of the major archaeological sites in the Middle East and their relation to biblical studies.

JMS 502 Introduction to Jewish Studies
An advanced study establishing a biblical rationale for Jewish evangelism. Examines the history, culture, and religious thought of the Jewish people with a view to better understand them, be able to evaluate past Christian efforts in Jewish evangelism, and to formulate strategies for effectively communicating the gospel in a Jewish context.

JMS 505 History and Geography of Israel
An advanced course providing the student with a thorough understanding of the biblical and modern history of Israel, its surrounding region, and the role geography played in these events. Particular attention is placed on locations mentioned in the biblical stories. Students survey the vast literature on this subject, and then travel throughout Israel for the purpose of enhancing their understanding gained in the classroom. (The student is expected to bear the costs of the study trip to Israel.)

JMS 510 History of the Jewish People
An advanced course tracing the history of Jewish believers in Jesus from the first century to the present against the background of Jewish history in general. Attention is given to the most significant individuals and events that have shaped Jewish history, as well as methods that have been used in missions to the Jews.
JMS 521  Jewish Intercultural Communication
An advanced course designed for students interested in evangelistic ministry focusing on cross-cultural encounters with Jewish people, acquiring a better understanding of American Jewry and Jewish evangelism. Students employ an anthropological approach to identify features of Jewish ethnic identity and culture and become familiar with religious practices and traditions in Judaism along with the ideological beliefs of contemporary Jewry in the United States. These broad foundations are applied to strategic thinking about practice and theory in Jewish evangelism.

JMS 550  Theology of Israel
An advanced biblical-theological study of the subject of Israel and its practical application to ecclesiology (doctrine of the church) and missiology (doctrine of missions). This course critically evaluates Replacement Theology and Dual Covenant Theology in light of relevant biblical texts concerning Israel’s past, present, and future with a special focus on a Pauline theology of Israel and its application for the church today.

JMS 560  Messianic Prophecy
An advanced course that traces the development of messianic prophecy in the Old Testament as it relates to Israel and the nations and also shows its fulfillment in the person of Jesus, the Messiah of Israel. Attention given to Jewish interpretation of prophetic passages as expressed in Jewish literature.

JMS 600  Field Archeology
An advanced course that includes a practical hands-on study and utilization of archaeological excavation techniques and procedures under the guidance of trained professionals. Excavation sites are chosen with reference to their relevance and importance to the field of biblical studies.

JMS 610  Rabbinic Literature
An advanced course examining both the phenomenon and the essential texts of rabbinic literature. Attention given to the relevance of this literature to the New Testament and to the use of the Old Testament in the New. Students are introduced to Rashi, Rambam, and the mysticism of the Zohar.

JMS 620  Jewish Life and Culture
An advanced study of Jewish religious thought, sense of time, holidays, music, film, and modern literature. Emphasizing the historical, social, and cultural dynamics of the Jewish people. Students analyze and interact with Jewish music, film, and literature through listening, reading, writing, viewing, and class discussion.
JMS 670  Topics in Jewish Studies  
An advanced in-depth analysis of a selected topic related to Jewish studies. Areas of concern are apologetics, Middle East conflict, and Holocaust. This course may be repeated for credit when the topic of study differs.

MIN 501  Preparation of Expository Sermons  
An advanced study of the basic principles of sermon preparation. Attention is given to the formulation of a biblical philosophy of preaching and to sermon organization that facilitates expository messages which are biblical and relevant. Both the formal and functional elements of the sermon are explored. (Completion of GRK 502 and HEB 502 are recommended)

MIN 502  Delivery of Expository Sermons  
A continuing advanced study of basic types of sermon delivery, with emphasis placed on preaching without notes. (Prerequisite may be taken concurrently: MIN 601)

MIN 505  Christian Leadership  
An examination of distinctive principles of Christian leadership. Seeks to evaluate contemporary thought about leadership, assisting each student in achieving the most significant leadership skills possible. Attention is given to researching and developing a biblical philosophy of leadership and ministry.

MIN 625  Topics in Leadership  
A detailed study, with a significant research component, of a selected topic in Christian leadership. This course may be repeated for credit when the topic studied differs. Open to graduate students who are completing their final 18 hours of an M.A. degree. (see Academic Advising and Curriculum Planning)

MIN 630  Kerygma: Apostolic Preaching in Acts  
An advanced preaching course seeking to discover the authentic kerygma preached by the Apostles. Students critically read and examine the apostolic sermons in the book of Acts to determine their content and how the apostles effectively delivered sermons and called people to Christ. Each student prepares a sermon based on the apostolic model. (Prerequisite may be taken concurrently: MIN 601)

MIN 631  Preaching from the Old Testament  
An advanced Old Testament preaching course. The use of Hebrew exegetical tools and the application of the elementary principles of Hebrew exegesis to a selected passage from the Old Testament for the purpose of preparing an expository sermon. Integrates previous studies in hermeneutics, language, theology, and homiletics in preparing a biblical passage for exposition. (Prerequisite may be taken concurrently: HEB 502, MIN 601 recommended)

OTS 602  Old Testament Theology
A study of the principal religious themes of the Old Testament from the perspective afforded by exegetical studies of the Hebrew text. While the course includes a historical introduction to the discipline of Old Testament theology, focus is on delineating the distinctive elements of Hebrew thought and their contributions to the shape of biblical revelation.

OTS 715  Topics in Old Testament Studies
A concentrated study of selected topics and exegesis of selected passages relevant to Old Testament studies. Methodologically, the courses offered are exegetical, yet integrating other related disciplines such as exposition, hermeneutics, theology, ethics, discipleship, and leadership.

PHI 502  Philosophy of Religion
An advanced study of historical and contemporary worldviews and philosophical issues relevant to Christian ministry, such as religious pluralism, the problem of evil, and the relationship between faith and reason.

PHI 503  Faith and Reason
An exploration of the issues related to faith and reason. The question of antithesis, whether or not faith and reason are mutually exclusive, or synthesis, whether or not faith seeking understanding is viable, are discussed, and a biblical model of synthesis is established.

PHI 515  Introduction to Logic
A general introduction to logic covering both deductive and inductive inference and the analysis of arguments in ordinary language.

PHI 520  Philosophy of Language
A study of the nature and use of language in general and specifically its ability to communicate religious truth and experience. Key thinkers representing major historical time periods (including the contemporary) and supposed problems for Christian theology are examined. Important questions include how temporal language is used to discuss the eternal God.

PHI 530  Mind and Body
A study in ontological and anthropological issues of what properly connotes being in general, and in particular, human being. Issues such as the
Image of God, the relation of the body to the soul, and the eternal aspects of life after death are discussed.

**PHI 540 Moral Philosophy**
An examination of the views of prominent philosophers regarding the moral life and the nature of morality. Emphasis is placed on what it means for humans to be moral beings, both as individuals and in community, covering aspects of political philosophy, and on the proper grounds and ultimate end of the moral life.

**PHI 550 Christian Apologetics**
An examination and critique of contemporary and historical Christian apologetic methods, Christian evidences, methods’ and evidences’ philosophical foundations, and non-Christian criticisms of and challenges to Christian apologetics.

**PHI 601 Topics in Philosophy**
A thorough examination of a subject within the discipline of philosophy. A particular philosopher or school of philosophy may be the chosen subject, or a philosophical question may be selected. The relevance of the subject for Christian theism is discussed. This course may be repeated for credit when the topic of study differs.

**PHI 650 Ethics, Economics, and Natural Law**
This course is a research and writing based philosophical, theoretical, integrated investigation addressing how one’s understanding of anthropology, government, and the cosmos affects one’s understanding of how to help the poor and engage culture at various levels.

**RES 601 Library Research Seminar**  
*Non-credit Course*
Required for all incoming graduate students, this one hour seminar includes the use of a theological library and preparation of a research paper according to the standards of the current Criswell College Manual of Style. Must be completed in the first nine hours of graduate studies. Offered two times at the beginning of each semester with several assignments due over a five week period.

**RES 602 Thesis Seminar**
A study of strategies and resources for research and technical writing in the field of theology and biblical studies. Includes advanced instruction in the use of a theological library and preparation of a thesis proposal according to the standards of the current Criswell College Manual of Style. Course offered by request only. (Prerequisite: 24 graduate credit hours)
RES 603  M. A. Thesis
With the permission of the Academic Cabinet and an appointed thesis committee, Master of Arts students may submit a thesis of 60 to 80 typewritten pages. Three semester hours credit will be given upon the approval of the completed thesis. Suitable topics must be approved by the thesis committee and the Academic Cabinet. A prospectus of the proposed research project should be submitted to the Academic Cabinet for approval by the completion of RES 602. Guidelines for prospectus and thesis writing may be secured from the Vice President of Academic Affairs or are presented in RES 602. Students must register for this course in the semester following the approval of the prospectus. (Prerequisite: RES 602)
