MESSAGE FROM THE PRESIDENT DR. BARRY CREAMER

Since its establishment in 1970, Criswell College has played a unique and important role in Baptist and church life. Thankful for that legacy, we continue to build an institution of higher learning devoted to academic excellence and spiritual vitality.

Many of our graduates describe their time at Criswell as one of the most transformational periods of their lives, years spent in an academically rigorous environment, meeting apt and creative peers with whom they connect, grow, and maintain lifelong contact. At the close of their course of study, our graduates are well equipped for further study and are poised to meet challenges in whatever field they choose to pursue.

Criswell maintains a credentialed and experienced faculty who are devoted to ministry and to the church. The college's small size enables professors not only to instruct but also to mentor, providing students the opportunity to explore theological issues safely and deeply as they obtain the skills necessary to influence society.

We are honored by your interest in Criswell College. We choose our students carefully, as we are invested in their academic and spiritual development and the contributions to society they will offer. We hope you will consider joining us in the scholarly and community experience that constitutes the pursuit of a Criswell College degree.

“ It is to be an institution whose purpose is to prepare men and women for the work of the Christian ministry, church-wide and kingdom-wide. This includes lay people and those called by the Holy Spirit to be pastors, missionaries, and kingdom workers. ”

— W.A. CRISWELL (1909 - 2002)

GENERAL INFORMATION

HISTORY

Founding and Development

On October 5, 1969, his twenty-fifth anniversary as the pastor of First Baptist Dallas, Dr. W. A. Criswell presented to the church his vision for an institute that would provide biblical teaching for lay people that would be both intellectually and spiritually sound. The church enthusiastically approved the recommendation on October 7, 1970, and began developing the curriculum that would reflect the nature of the lifelong ministry of W. A. Criswell: teaching centered on the Bible with an evangelical theology and evangelistic passion.

Classes began on January 12, 1971 with two certificate programs consisting of twelve semester hours of study in theology and the Old and New Testaments. On the first night, 329 students enrolled. For the next two years the institute operated as a night school, providing working lay people with an education previously unavailable to them at a convenient time.

By 1973 a three-year diploma program had been established, and by 1977 both a bachelor's and master's program were instituted. The American Association of Bible Colleges (AABC) accredited the undergraduate programs in 1979, and in 1985 the Southern Association of Colleges and Schools (SACS) accredited all programs of study. At that time the name of the institute changed to Criswell College. The institute had been housed in the facilities of First Baptist Church since its founding, but in 1989 prayers for a dedicated campus were answered and the Gaston Avenue property was acquired. The property was remodeled, and in January 1991, the college moved onto its own campus just minutes from downtown Dallas.

Since that time the college has created and maintained a governing board independent from First Baptist Church Dallas and developed other undergraduate and graduate

programs, diversifying its curriculum to include Philosophy, Politics, and Economics, Education, and Psychology, in addition to the biblical studies major. The college has also established several online graduate degree programs.

Although the organization has developed from an institute for lay people to an accredited college, its distinctives have not changed: an uncompromising commitment to the inerrancy of Scripture, expository preaching, the study of biblical languages, personal evangelism, international missions, and hands-on practical ministry training. Each student who graduates from Criswell has some training in all of these areas, equipping them to influence the culture for Christ in whichever field they pursue.

ENDOWED CHAIRS

Hope for the Heart Chair of Biblical Counseling

The purpose of the bachelor's psychology major and master's counseling degree programs at Criswell College is to train biblical counselors to minister effectively to the needs of the hurting within a distinctly Christian worldview.

Dr. June Hunt is founder of Hope for the Heart, a worldwide biblical counseling broadcast heard daily across America and a live two-hour call-in counseling program heard each weeknight. She has developed Counseling Through the Bible, a scripturally-based counseling course addressing one hundred topics in her "reality counseling" format. Dr. Hunt has also authored the Biblical Counseling Keys, a curriculum designed to teach healthy thinking and living patterns. These Counseling Keys have become the foundation for the Biblical Counseling Institute for Hope, initiated by Criswell College, where Dr. Hunt earned her Master of Arts degree in counseling. The Hope for the Heart Chair for Biblical Counseling was established to train future leaders to apply God's truth to today's problems.

W. A. Criswell Chair of Expository Preaching

What Spurgeon was to the nineteenth century, W. A. Criswell was to the twentieth. An expositor and orator without peer, he had a scholar's mind, a pastor's heart, and a missionary's zeal. He was devoted to the church of the Lord Jesus Christ, and longed to see preachers prepared to preach the Bible for the salvation of the lost.

The Criswell Foundation, under Mr. Jack Pogue's leadership, maintains this legacy through the W. A. Criswell Chair of Expository Preaching for new generations of Christian leaders, captured in the closing line of Dr. Criswell's weekly "Pastor's Pen" column, in which he stated, "I'll see you Sunday with a Bible in my hand, and a message from God in my heart."

W. A. Criswell – Jack Pogue Chair of Evangelism

"This above all else: the saving of the lost!" was Dr. Criswell's primary aspiration for Criswell College. While the school expands its degree offerings, it will never lose its focus on local church ministry, biblical inerrancy, and the need for people personally to repent of sin and trust Jesus Christ for salvation. Supported by the W. A. Criswell Foundation and the guidance of Mr. Pogue, the W. A. Criswell – Jack Pogue Chair of Evangelism helps support ministry training in areas such as church planting and revitalization, evangelism, and missions. Each semester at Criswell College, students and professors engage in personally sharing the gospel with unbelievers. Dr. Criswell himself modeled such commitment, not only from the pulpit with every sermon he preached, but

12 GENERAL INFORMATION

in his day-to-day personal life as well, sharing the good news of Jesus' death, burial, and resurrection, and the hope only He can bring. Mr. Pogue carries on this legacy in his own ministry in many ways, not least by managing the funding for the Chair of Evangelism, which ultimately results in people hearing and being changed by the gospel.

INSTITUTES

Criswell Institute for Philosophy, Politics, and Economics

The purpose of the Criswell Institute for Philosophy, Politics, and Economics is to help develop critical, Christian thought concerning these three areas. It does so through research, writing, education, outreach, and praxis, exploring how the disciplines may affect positive change locally, nationally, and globally.

The institute's vision is to connect Christian believers with specific vocations, activities, and resources related to the fields of philosophy, politics, and economics, interacting and connecting with churches, ministries, graduate and law schools, elected and appointed officials, businesses, micro-finance organizations, as well as community development, non-profit institutes, centers, and foundations, media outlets and publishers, cultural events and the arts, and policy formation and analysis.

The institute's core principles include the belief that truth, goodness, and beauty exist and are grounded in God's nature and character; that power tends to corrupt; that limited government and the rule of law are foundational; that utopian schemes tend toward more harm than good; and that private property, entrepreneurship, free markets, and no unnecessary regulation are the ideal.

Hope For The Heart Counseling Institute

Criswell College partners with Hope for the Heart, a nationwide radio ministry featuring Dr. June Hunt. The college offers the choice of a psychology major in its B.A. degree and a Master of Arts in Counseling. This relationship with Hope for the Heart Counseling Institute offers student opportunities for in-service practicums at the Master's level and observational opportunities for undergraduates.

CRISWELL COLLEGE ARTICLES OF FAITH

Criswell College operates under a confessional statement. In keeping with a long tradition, the college has adopted the Southern Baptist Convention's Baptist Faith and Message (2000) doctrinal statement as follows, with several amendments added (in italics) to make it more consistent with Dr. Criswell's theology:

I. The Scriptures

The Holy Bible was written by men divinely inspired and is God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. *It is inerrant and infallible in its original manuscripts which are to be taken as verbally inspired.* Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

Exodus 24:4; Deuteronomy 4:1-2; 17:19; Joshua 8:34; Psalm 19:7-10; 119:11,89,105, 140; Isaiah 34:16; 40:8; Jeremiah 15:16; 36:1-32; Matthew 5:17-18; 22:29; Luke 21:33; 24:44-46; John 5:39; 16:13-15; 17:17; Acts 2:16ff.; 17:11; Romans 15:4; 16:25-26; 2 Timothy 3:15-17; Hebrews 1:1-2; 4:12; 1 Peter 1:25; 2 Peter 1:19-21.

II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ, He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet

without sin. He honored the divine law by His personal obedience and, in His substitutionary death on the cross, He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination, He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Savior and effects regeneration. At the moment of regeneration, He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus a part of the

goodness of God's creation. In the beginning, man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice, man sinned against God and brought sin into the human race. Through the temptation of Satan, man transgressed the command of God, and fell from his original innocence, whereby his posterity inherited a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

Genesis 1:26-30; 2:5,7,18-22; 3; 9:6; Psalms 1; 8:3-6; 32:1-5; 51:5; Isaiah 6:5; Jeremiah 17:5; Matthew 16:26; Acts 17:26-31; Romans 1:19-32; 3:10-18,23; 5:6,12,19; 6:6; 7:14-25; 8:14-18,29; 1 Corinthians 1:21-31; 15:19,21-22; Ephesians 2:1-22; Colossians 1:21-22; 3:9-11.

IV. Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense, salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

- A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Savior.
- B. Justification is God's gracious and full acquittal, upon principles of His righteousness, of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.
- C. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.
- D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. God's Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation, each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men, as qualified by Scripture. The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

VII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

Matthew 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22-26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; 20:7; Romans 6:3-5; 1 Corinthians 10:16,21; 11:23-29; Colossians 2:12.

VIII. The Lord's Day

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be commensurate with the Christian's conscience under the Lordship of Jesus Christ.

Exodus 20:8-11; Matthew 12:1-12; 28:1ff.; Mark 2:27-28; 16:1-7; Luke 24:1-3,33-36; John 4:21-24; 20:1,19-28; Acts 20:7; Romans 14:5-10; 1 Corinthians 16:1-2; Colossians 2:16; 3:16; Revelation 1:10.

IX. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

Genesis 1:1; Isaiah 9:6-7; Jeremiah 23:5-6; Matthew 3:2; 4:8-10,23; 12:25-28; 13:1-52; 25:31-46; 26:29; Mark 1:14-15; 9:1; Luke 4:43; 8:1; 9:2; 12:31-32; 17:20-21; 23:42; John 3:3; 18:36; Acts 1:6-7; 17:22-31; Romans 5:17; 8:19; 1 Corinthians 15:24-28; Colossians 1:13; Hebrews 11:10,16; 12:28; 1 Peter 2:4-10; 4:13; Revelation 1:6,9; 5:10; 11:15; 21-22.

X. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; *the dead in Christ will rise first, then we who are alive and remain until the coming of the Lord shall be caught up together with them in the clouds to meet the Lord in the air. After the judgments of God upon this sinful world in the Great Tribulation, Jesus our Lord will come with his saints to establish His millennial kingdom.* Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary efforts on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness, undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

Genesis 12:1-3; Exodus 19:5-6; Isaiah 6:1-8; Matthew 9:37-38; 10:5-15; 13:18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8,16; 17:15; 20:21; Acts 1:8; 2; 8:26-40; 10:42-48; 13:2-3; Romans 10:13-15; Ephesians 3:1-11; 1 Thessalonians 1:8; 2 Timothy 4:5; Hebrews 2:1-3; 11:39-12:2; 1 Peter 2:4-10; Revelation 22:17.

XII. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive, along with these, the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.

In Christian education, there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deuteronomy 4:1,5,9,14; 6:1-10; 31:12-13; Nehemiah 8:1-8; Job 28:28; Psalms 19:7ff.; 119:11; Proverbs 3:13ff.; 4:1-10; 8:1-7,11; 15:14; Ecclesiastes 7:19; Matthew 5:2; 7:24ff.; 28:19-20; Luke 2:40; 1 Corinthians 1:18-31; Ephesians 4:11-16; Philippians 4:8; Colossians 2:3,8-9; 1 Timothy 1:3-7; 2 Timothy 2:15; 3:14-17; Hebrews 5:12-6:3; James 1:5; 3:17.

XIII. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are, therefore, under obligation to serve Him with their time, talents, and material possessions, and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth. *The tithe is to be considered the starting place of Christian stewardship.*

Genesis 14:20; Leviticus 27:30-32; Deuteronomy 8:18; Malachi 3:8-12; Matthew 6:1-4,19-21; 19:21; 23:23; 25:14-29; Luke 12:16-21,42; 16:1-13; Acts 2:44-47; 5:1-11; 17:24-25; 20:35; Romans 6:6-22; 12:1-2; 1 Corinthians 4:1-2; 6:19-20; 12; 16:1-4; 2 Corinthians 8-9; 12:15; Philippians 4:10-19; 1 Peter 1:18-19.

XIV. Cooperation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity, in the New Testament sense, is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word, as revealed in the New Testament.

Exodus 17:12; 18:17ff.; Judges 7:21; Ezra 1:3-4; 2:68-69; 5:14-15; Nehemiah 4; 8:1-5; Matthew 10:5-15; 20:1-16; 22:1-10; 28:19-20; Mark 2:3; Luke 10:1ff.; Acts 1:13-14; 2:1ff.; 4:31-37; 13:2-3; 15:1-35; 1 Corinthians 1:10-17; 3:5-15; 12; 2 Corinthians 8-9; Galatians 1:6-10; Ephesians 4:1-16; Philippians 1:15-18.

XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. *Therefore, the greatest contribution the church can make to social betterment is to bring individual men to a heart-changing encounter with Jesus Christ.* In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends, Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love, without compromising their loyalty to Christ and His truth.

Exodus 20:3-17; Leviticus 6:2-5; Deuteronomy 10:12; 27:17; Psalm 101:5; Micah 6:8; Zechariah 8:16; Matthew 5:13-16,43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Romans 12:14; 1 Corinthians 5:9-10; 6:1-7; 7:20-24; 10:23-11:1; Galatians 3:26-28; Ephesians 6:5-9; Colossians 3:12-17; 1 Thessalonians 3:12; Philemon; James 1:27; 2:8.

XVI. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ, they should do all in their power to put an end to war. The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

Isaiah 2:4; Matthew 5:9,38-48; 6:33; 26:52; Luke 22:36,38; Romans 12:18-19; 13:1-7; 14:19; Hebrews 12:14; James 4:1-2.

XVII. Religious Liberty

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men, which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom, no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The Church

should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

Genesis 1:27; 2:7; Matthew 6:6-7,24; 16:26; 22:21; John 8:36; Acts 4:19-20; Romans 6:1-2; 13:1-7; Galatians 5:1,13; Philippians 3:20; 1 Timothy 2:1-2; James 4:12; 1 Peter 2:12-17; 3:11-17; 4:12-19.

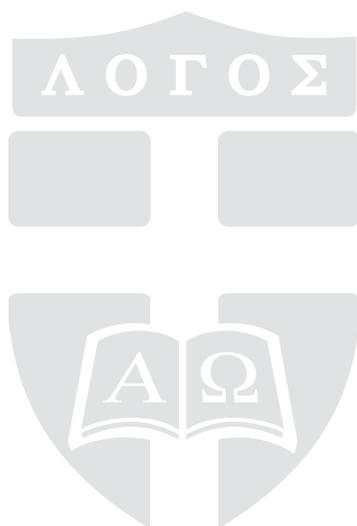

XVIII. The Family

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption. Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God's image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband, even as the church willingly submits to the headship of Christ. She, being in the image of God, as is her husband, and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God's pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.

Genesis 1:26-28; 2:15-25; 3:1-20; Exodus 20:12; Deuteronomy 6:4-9; Joshua 24:15; 1 Samuel 1:26-28; Psalms 51:5; 78:1-8; 127; 128; 139:13-16; Proverbs 1:8; 5:15-20; 6:20-22; 12:4; 13:24; 14:1; 17:6; 18:22; 22:6,15; 23:13-14; 24:3; 29:15,17; 31:10-31; Ecclesiastes 4:9-12; 9:9; Malachi 2:14-16; Matthew 5:31-32; 18:2-5; 19:3-9; Mark 10:6-12; Romans 1:18-32; 1 Corinthians 7:1-16; Ephesians 5:21-33; 6:1-4; Colossians 3:18-21; 1 Timothy 5:8,14; 2 Timothy 1:3-5; Titus 2:3-5; Hebrews 13:4; 1 Peter 3:1-7.

The applicant has submitted all documentation necessary and meets all admission requirements of the college.

Full Acceptance under Academic Warning

Students are encouraged to apply for admission even if they do not meet the college's full acceptance standards due to deficiencies in high school or previous college GPA and/or SAT/ACT scores. In such cases, students will be fully accepted under Academic Warning. On par with currently enrolled students who are placed under academic warning, the new undergraduate students may take up to 12 credit hours (graduate students may take up to nine) during their first semester and must meet the following cumulative grade point average (CGPA) standards during their first semester:

- 2.0 for A.A. and B.A. students;
- 2.75 for B.S.Ed. students;
- 2.5 for M.A.C.L., M.A.C.S., and M.Div. students;
- 2.75 for M.A.C. and M.A.T.B.S. students.

Failure to meet these academic standards in the student's first semester will result in further academic disciplinary action in accordance to the "Academic Standing" section of this catalog.

Provisional Acceptance

Applicants may be eligible for Provisional Acceptance wherein they begin classes while having pending documentation, if they meet the academic admissions standards. The

28 ENROLLMENT SERVICES

outstanding documentation must be submitted during the first semester of attendance. If the documents are not submitted during the first semester, the college reserves the right to withhold grades and deny approval to return the following semester.

Conditional Acceptance

The applicant may be eligible for conditional acceptance if he or she meets the academic admissions standards but has evidenced prior behavior that is inconsistent with the college's standards but which the college views as being corrected by the applicant. The conditions for the acceptance will be decided by the Admissions Committee and will allow the applicant to register for and begin classes for the upcoming term.

INTERNATIONAL STUDENTS

Criswell College is authorized under federal law to enroll non-immigrant alien students. Qualified international students, defined as all students who are not United States citizens and who are in the United States legally, are encouraged to contact the Office of Enrollment Services for special forms and instructions for admission to Criswell College.

The Vice President of Enrollment Services is responsible to the Department of Homeland Security for ongoing reporting of the status of non-immigrant students attending Criswell College and reserves the right to recommend the denial of admission or suspension from classes of any international student failing to meet non-immigrant requirements. Applications must be received by the Office of Enrollment Services by the first Monday in May for the fall semester and the first Monday in October for the spring semester. All admission documentation remains the property of Criswell College and cannot be transferred or returned.

Academic Standards

The Department of Homeland Security requires that international applicants enroll as full-time, degree-seeking students. Therefore, undergraduate students must carry a minimum of 12 credit hours every semester, and graduate students must carry a minimum of nine credit hours every semester. International students are also required by the college to meet minimum requirements for academic progress, as indicated in the "Academic Policies" section of this catalog. According to Department of Homeland Security regulations, International students are not allowed to take more than one (1) online course per semester.

International Student Application Process

To be considered for full acceptance, international students seeking to earn a degree are required to complete and submit the same documentation and recommendations enumerated in the "Application Process" section of this catalog. International students must also meet the following standards and submit the documentation listed below:

1. A certified English transcript evaluation of all foreign language transcripts, included with the original transcript. Currently the college uses Josef Silny & Associates for this service. The international applicant must ensure that these documents are sent directly to Josef Silny, 7101 SW 102 Avenue, Miami, FL 33173, USA; telephone: (305) 273-1616; www.jsilny.com or email info@jsilny.com.
2. An official TOEFL score. Criswell College requires the TOEFL with a minimum iBT (internet based TOEFL) test score of 80. "Full admission" may also be granted for those students who graduated from a U.S. institution. Regardless of "admission status" all students with F-1 student visas are required to complete ENG 090 Developmental English upon arrival. If an international applicant graduates from a U.S. high school, official results of the ACT or SAT must be submitted in lieu of the iBT TOEFL.
3. A Financial Guarantee Form, supporting bank statement(s), and/or other financial documents showing the ability to finance annual expenses to complete the degree at Criswell College. Single undergraduate applicants are required to document financial support of at least USD \$26,327 per year and single graduate applicants are required to document financial support of at least \$25,398 per year. Married applicants are required to document additional financial support of USD \$1,000 for each dependent (spouse/child). All documentation, including copies of supporting bank statements showing the availability of funds, must be received by the Enrollment Services office prior to full acceptance.
4. The applicant or sponsor must have on deposit USD \$1,000 for himself or herself and USD \$200 per dependent. These funds must be in U.S. dollars and deposited with the college prior to acceptance.
5. Copy of Passport photo page from the prospective student and each dependent planning on traveling to the U.S.

International Student Visa (F-1 Status) and I-20 Form

After all documents required for admission are received and reviewed, and the applicant is approved for full acceptance, the Certificate of Eligibility for Nonimmigrant Student status (Form I-20) will be issued to the new student. If the international student applicant is in his country of home residence, the I-20 must be presented to the United States consular official before a student visa (F-1) can be issued.

As a general rule, the Department of Homeland Security regulations do not permit international students (F-1) to work off-campus or engage in business in order to support themselves. Dependents (F-2) of the student may not work under any circumstances or receive compensation for services.

30 ENROLLMENT SERVICES

It is the responsibility of the international student to maintain his/her legal immigration status with the Department of Homeland Security and to fulfill IRS (Internal Revenue Service) requirements.

AUDIT

Applicants may be admitted to Criswell College on an audit only basis for on-campus courses only and should read the “Academic Policies” section of this catalog pertaining to audit credit. To be considered for audit admission, applicants must file a completed Audit Application for Admission with the Office of Enrollment Services and pay the Audit fee (see the Financial Aid section of this catalog).

NON-DEGREE

Individuals may enroll as non-degree seeking students. This status affords a person access to the college curriculum, usually on a part-time basis, at the current per credit hour rates. Applicants will need to follow the steps outlined in the “Application Process” section of this catalog.

In most cases, a non-degree student is not eligible for financial assistance from the college. A non-degree student may move to degree seeking status upon completion of all applicable admission requirements.

STUDENT CONDUCT

Students who are admitted must agree to abide by the rules and regulations as set forth in the *Student Handbook*. Students should also carefully read the Criswell College “Articles of Faith,” which are subscribed annually by all faculty, administrators, and trustees. Both the *Student Handbook* and the “Articles of Faith” are available at www.criswell.edu.

DISTANCE EDUCATION

The Department of Distance Education at Criswell College works to develop online courses and degree programs. Our goal is to provide students with quality education that is equivalent to what they would experience in the traditional classroom. The courses offered at various time intervals (e.g., 4 weeks, 8 weeks, 16 weeks) are designed as three credit-hour courses where students may work on each week’s assignments at their convenience so long as they are submitted by the due dates provided in the course schedule. These courses offer students greater flexibility without sacrificing quality. Students will still interact with other students in their courses and will have the opportunity to know each of their professors. Class sizes are limited to 25 students. The library and the writing center will also provide support to Distance Education students as needed for research and writing.

DUAL ENROLLMENT

Students may be eligible to enroll in college courses at Criswell College while still attending high school. Eligible students should exhibit maturity and superior academic achievement. Authorization for admission must be granted by the student's high school counselor and parent(s) or legal guardian(s). In most cases, dual enrollment credit is limited to one or two courses per semester and may be applied toward a Criswell degree, and with the high school counselor's approval, toward high school graduation requirements. Interested students should contact the Office of Enrollment Services for more information.

EARLY ADMISSION

Applicants may be admitted to Criswell College and begin their college careers at the end of their junior year of high school according to these criteria: (1) If their academic achievement through grade eleven is superior; (2) If they have the recommendations of their principal, guidance counselor, and parents; and (3) If they show evidence of maturity necessary for college life. Regular admission procedures are required depending on the applicant's desire to study as a degree seeking or non-degree seeking student.

FINANCIAL AID

In addition to participating in post-secondary government funding (e.g., FAFSA), there is a privately funded Financial Aid Program. For more information, please see the "Financial Information" section of this catalog.

GRADUATE STUDIES FOR CRISWELL COLLEGE ALUMNI

Alumni of Criswell College applying for admission into a graduate program will be required to submit an Application for Admission and a new Church Endorsement form. If the applicant is applying for either the Master of Arts in Counseling or the Master of Arts in Theological and Biblical Studies, a writing sample will need to be submitted as well.

NEW STUDENT CLASSES AND REQUIREMENTS

English Proficiency

Students may be exempt from ENG 090 Developmental English, a remedial English course, if they have a validated score of at least 60% national percentile on the English Achievement section of the SAT, an 18 on the ACT, or if they have taken a course at another institution which transfers in for ENG 101 or ENG 201, having completed the course with passing grade.

New Student Orientation

New Student Orientation is designed to familiarize the student with campus facilities, college personnel, academic policies, student life, and student services. This required Orientation event also serves to advise students in course selection. All on-campus, degree-seeking students are required to attend Orientation the first semester of their enrollment. Non-degree seeking and re-admit students are encouraged to attend Orientation as well, and will find the fellowship and instruction highly beneficial. New students initiating their programs during summer terms are required to attend Orientation in the fall.

READMISSION

Students seeking readmission after an absence of three consecutive semesters (excluding summer and winter terms) must follow the procedures as stated under the “Application Process” section of this catalog. Readmission cannot be considered unless former students have met all previous obligations with the college, including the Business Office, Financial Aid Office, Academic Affairs, Office of Enrollment Services, Student Services, and the Wallace Library. If readmitted, former students enter under the requirements of the current academic year catalog.

TRANSFER OF CREDIT

Transfer students must provide the Office of Enrollment Services with an official copy of transcripts from every higher education institution previously attended. All credits for courses received from institutions which are accredited by regional accrediting associations-The Association for Biblical Higher Education (ABHE), The Association of Theological Schools (ATS), and the Transnational Association of Christian Schools (TRACS)-which have a grade of “C” or better (2.0), are accepted at full value, to the extent that the courses are comparable to the college’s stated requirements.

A limited amount of undergraduate transfer credit may be accepted from schools without regional, ABHE, or TRACS accreditation, provided the grade for such credit is a “B” or higher (3.0) and the work was done in residence. No more than 30% of the total credit hours required for a Criswell College degree may be from these types of institutions.

Fulfillment of Systematic Theology course credit at Criswell College must take place through Criswell College. Other theology courses may be transferred in for open elective credit per academic administrative approval.

Students must complete a certain percentage of their degree requirements through Criswell College. For more information, see the residency requirements listed in the college’s Graduation Policy at www.Criswell.edu. Residency requirements are also located under the “Academic Policies” section of this catalog.

For information regarding the application of College Level Examination Program (CLEP) credits, see the “Academic Policies” section of this catalog.

Educational programs and courses sponsored by non-degree-granting organizations may be evaluated for transfer according to the recommendations of guides published by the American Council on Education, the American Association of Collegiate Registrars and Admissions Officers, and the National Association for Foreign Student Affairs.

TRANSIENT STUDIES

Criswell College accepts as transient students those who are enrolled in degree programs at other colleges, universities, and seminaries. Transient students should obtain approval from the institutions in which they are enrolled. Applicants will need to follow the steps outlined in the “Application Process” section of this catalog. Applicants must also submit a letter of good standing from the institution at which they are currently enrolled. Transient students are typically not eligible for institutional financial aid and scholarships, and study is usually limited to nine semester hours in fall/spring semesters and six semester hours in winter/summer terms.

VETERANS BENEFITS

Criswell College is an approved institution for veterans training. Veterans eligible for Veterans Affairs (VA) benefits must be certified by the certifying official on-campus (Registrar’s Office) to receive educational benefits. Eligible veterans must also meet Criswell College admission requirements. Course approval and certification is required each semester. Application for VA benefits should be started as soon as possible as approval of benefits can take as long as 90 days.

Admission Requirements

In addition to the admission requirements outlined under the “Application Process” section of this catalog, students receiving military benefits are required to submit the following documents: (1) CCAF and/or Joint Military Transcript; (2) DD-214; (3) all official transcripts; (4) VA Form 28-1905 (chapter 31 only); and (5) Certificate of Eligibility.

Credit for Previous Training

Students receiving VA educational benefits do not have the “option” of having prior credit reviewed. All previous education and training must be provided to the school for review. This includes all credits from postsecondary institutions and military credits.

Educational Benefits

The Montgomery GI Bill (Chapter 30) provides benefits for veterans with at least twenty-four months of service after June 30, 1985, with an honorable discharge who elected the \$100 deduction in monthly pay for those educational benefits; also certain veterans with Chapter 34 eligibility left beyond December 31, 1989, who remained on active duty after June 30, 1985.

The Montgomery GI Bill Selected Reserve (Chapter 1606) provides educational benefits for members of the Selected Reserve. Applicants must have a six-year obligation and must remain in good standing with a Reserve unit.

Post-Vietnam Era Veterans (Chapter 32) provides educational benefits to veterans who satisfy eligibility (1) if they established a contributory fund during active duty, with the VA and Department of Defense matching the funds 2-1, or (2) by use of a test or pilot program based on Public Law 96-342, Section 901 or 903, which was offered to some veterans who entered the service between November 1980-1981. Any person presently on active duty in the Armed Forces of the United States who has served on active duty for at least 181 days may be eligible for educational benefits.

Public Law 634 (Chapter 35) Title 38, U.S. Code, provides educational assistance to sons, daughters, and the spouse of a veteran who (1) died of a service-connected disability, (2) is 100% disabled as the result of a service-connected disability, or (3) while on active duty was killed in action (KIA), or had been listed for a total of more than 90 days as missing in action (MIA) or as a prisoner of war (POW).

Public Law 894 (Chapter 31) Title 38, U.S. Code, provides educational benefits to veterans, who as a result of a service-connected disability require retraining or other vocational rehabilitation, may be entitled to educational assistance.

Post - 9/11 GI Bill (Chapter 33) is a new education benefit program for individuals who served on active duty on or after September 11, 2001.

All application forms can be found at: <http://www.gibill.va.gov/>. Further information on these benefits is available through the Registrar's Office, Criswell College, 4010 Gaston Ave., Dallas, Texas 75246-1537, or by calling the Department of Veterans Affairs' toll-free number, 800-827-1000.

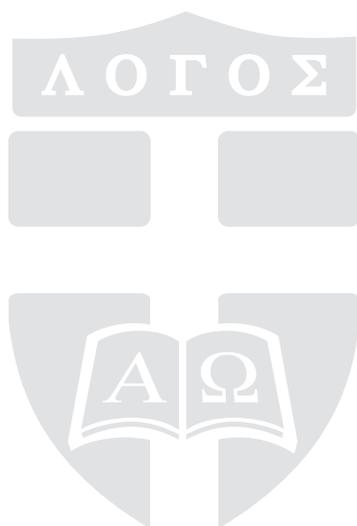

Program Length and Course Approval

All degree programs are approved for a specific number of credit hours. Eligible veterans will not be certified to the VA or paid by the VA for courses past the approved length.

The VA will pay only for required courses in an approved program. Veterans will be required to pay out-of-pocket for courses not required by their program. The VA limits payment for repeated courses (see VA Certifying Official for details).

Satisfactory Progress and Standards of Progress

All veteran students receiving benefits under all VA programs must comply with the academic and conduct standards of Criswell College, as well as those of the Department of Veterans Affairs, in order to maintain satisfactory progress in the pursuit of the approved program of choice. Students who fail to maintain satisfactory progress are not permitted to continue in their program and will not be eligible to receive benefits. The veteran student who experiences difficulty in a course should contact the instructor as early as possible in the semester. If the instructor believes that tutorial assistance will benefit the student, then recommendations will be made for suitable assistance times. Criswell College does not have paid tutors, nor is reimbursement offered to veterans who attain outside tutoring services. Receipt of veteran educational benefits typically disqualifies a student from receiving other student aid or benefits; however, the student must meet the qualifications of the other programs.

The college payment plan is available for credit courses in the fall and spring semesters only. Audit courses are not eligible. The payment plan is paid in four installments, has a service fee, and is for a single semester. The first month’s payment and service fee are due during registration. The other three payments are due on the 18th of September,

DELINQUENT ACCOUNTS

It is the responsibility and duty of each student to ensure that all school related debts are properly paid. All accounts at the college must be paid in full by the end of the agreed upon payment schedule. It is the policy of Criswell College that students with unpaid balances will be subject to the following:

- grades withheld,
- transcript request denied,
- future enrollment refused,
- payment plan eligibility removed,

- other disciplinary actions taken.

NSF/RETURNED CHECK POLICY

A fee will be assessed for all returned checks. For each occurrence the student will be notified to come to the Business Office to fulfill his/her obligations with cash, credit card, or money order. Failure to satisfy payment will result in withholding grades and transcripts, and even denying graduation. If two or more NSF checks are received, all future payments by that student must be made by cash, cashier's check, money order, or credit card.

TUITION REFUND POLICY

The tuition refund policy applies to students either withdrawing from school or selectively dropping courses after completing the official add/drop process through the Registrar's Office. When there is any course schedule change (courses added, dropped, or withdrawn), tuition and financial aid will be recomputed to reflect the new course

load. Fees are non-refundable. A return to Title IV calculation will be made if a student withdraws from all courses before the semester is completed.

A class meeting is defined as any official meeting time or day as noted on the semester calendar. Late registration, changes made by a professor to the official meeting dates listed on the semester calendar, and/or absences from class have no bearing on tuition refunds. Students suspended for academic or disciplinary reasons will not be entitled to a refund of tuition or fees. In the case where a course is cancelled by the college, a credit equal to 100% of tuition and fees will be given.

It is the student’s responsibility to monitor the process of the required documentation through each step to completion in the Registrar’s office. The refund will be calculated according to the date and time the required documentation is received in the Registrar’s Office.

Refunds of credit balances on a student’s account will be paid after the student has officially dropped or withdrawn through the Registrar’s Office. A credit balance resulting from the receipt of Criswell awards will not be paid to the student. All refunds are mailed.

First time applicants may apply for a federal student aid id number and password which is used to electronically sign the FAFSA. The FAFSA must be completed annually and is available for the next award year each October 1st.
2. The Criswell College Supplemental Application for Financial Aid. This form must be completed annually, prior to the start of each academic year, and is available at <http://www.criswell.edu/admissions/tuition-aid/financial-aid/how-to-apply/>.
3. Additional documents may be required to complete your file. Such documents may include verification worksheets, federal tax return transcripts, verification of untaxed income, proof of citizenship or permanent residency, proof of Selective Service Registration, etc. Students will receive notification of needed documents by phone, mail, or e-mail from the Office of Financial Aid.

Application Deadlines:

However, students who do not meet this deadline should apply as soon as possible and contact the business office to make payment arrangements if financial aid is not processed prior to the next term's registration. Criswell Supplemental applications will not be processed after the deadline dates posted above.

Cost of Attendance (Student Budget)

Cost of Attendance is calculated based on educational costs allowed by The Department of Education. The cost of attendance includes tuition and fees, room and board, books and supplies, transportation, and miscellaneous expenses. Costs unrelated to the completion of a student's course of study are not included in calculating the student's cost of attendance.

Expected Family Contribution (EFC)

The information reported on the FAFSA is used to determine an EFC, which is calculated by a formula established by the U. S. Congress. This number is used in determining eligibility for the Federal Pell Grant and Federal Loans and represents the amount the family is estimated to contribute to the student's education that year. The EFC is subtracted from the Cost of Attendance to determine financial need.

Criswell College Awarding Policy

Criswell College only awards students with complete financial aid files. Files are considered to be complete when the FAFSA (and verification documents as required) and the Criswell College Supplemental Application are submitted and processed. Criswell College uses the following sequence to award aid. Pell Grant is awarded first as it is the foundation of a student's financial aid award. Institutional Scholarships are awarded second along with any outside scholarships. If a student continues to have remaining unmet need, student loans are offered and awarded.

International students are not eligible for federal aid. International students are required to complete both the Criswell College Financial Aid Application for international students and the Criswell College Supplemental Application for Financial Aid. For budgeting and awarding purposes, student statuses will be determined as follows:

- Undergraduate students taking 12 or more credit hours during a semester or term are considered to be attending full-time.
- Undergraduate students taking 9–11 credit hours during a semester or term are considered to be attending three-quarter time.
- Undergraduate students taking 6–8 credit hours during a semester or term are considered to be attending half-time.
- Undergraduate students taking 3–5 credit hours during a semester or term are determined to be less than half-time.
- Graduate students taking 9 or more credit hours during a semester or term are considered to be attending full-time.
- Graduate students taking 6–8 credit hours during a semester or term are considered to be attending three-quarter time.

Award Notification

Once a financial aid award offer has been made, an Award Letter is posted on the student's portal. If federal loans have been awarded, the student must secure these loans on an external Website (www.studentloans.gov). First time Criswell College borrowers must complete entrance loan counseling and sign a Master Promissory Note (MPN) before loan funds can be disbursed.

Process for Accepting Financial Aid

An Award Letter is created and uploaded to the student's financial aid portal, and, pending aid, is posted to the student's account. The Award Letter contains the names and amounts of the financial aid awards the student is eligible to receive. The notice also contains important information about restrictions and conditions that can affect the student's eligibility to receive the amounts awarded. It should be read carefully and signed.

If the student is eligible for loans, the student must indicate that he/she wishes to be awarded student loans on the Criswell Supplemental Application. The student needs to accept the awarded loans online through the student portal as well. The student has the option to request an adjustment to their direct loan award amounts by completing the Direct Loan Adjustment Form found on the Criswell Financial Aid Website. First-time borrowers are required to complete entrance counseling and sign a Master Promissory Note (MPN).

Exit counseling is required when the borrowing student graduates, drops below half-time, or withdraws.

For more information about Financial Aid and how to apply, please see the Financial Aid page of the Criswell website at <http://www.criswell.edu/admissions/tuition-aid/financial-aid/how-to-apply/>.

Additional Eligibility Requirements

Satisfactory Academic Progress

Federal and Institutional Satisfactory Academic Progress will be reviewed at the end of each payment period. Criswell College runs SAP reports at the end of every Fall, Spring, and Summer term for three different classifications of students. These classifications include associate and bachelor degrees in Art, bachelor degrees in Science, and all graduate level programs. Satisfactory Academic Progress is based on the student achieving both a qualitative standard and a quantitative standard, as defined below:

- **Qualitative Standard—Cumulative Grade Point Average (CGPA):**
Undergraduate students in Associates' and Bachelors' of Arts must maintain a minimum of 2.0 cumulative grade point average. Bachelors' degrees in Science must maintain a minimum of 2.75 cumulative grade point average. All graduate students must maintain a minimum of 3.0 for all course work completed in order to continue federal financial aid eligibility. Undergraduate and graduate students must maintain a minimum of 2.5 for all course work completed in order to continue to receive Criswell aid.
- **Quantitative Standard—Pace of Progression:**
Pace of Progression: Pace of progression is determined by dividing the cumulative number of credit hours successfully completed by the cumulative number of credit hours attempted, including transfer hours that have been accepted. Students must

46 FINANCIAL INFORMATION

maintain a pace of progression of 66.67% for all course work attempted, including transfer credits.

- **Program Completion Time Frame:**
Students may receive financial aid, if they otherwise qualify, if they have not yet attempted 150% of the hours required for their degree program. (See the appropriate academic catalog for the year in which the student enrolled). Attempted hours include all transferred credits and all Criswell courses passed, failed, repeated, or withdrawn.

If a student fails to meet one or more of the above standards, the student will be placed on one of three SAP statuses, as described below, and the student will be notified by mail of the change in his or her SAP status:

- **Warning status:**
If the student was previously under a Satisfactory SAP status, the student's status will be moved to a Warning status for one semester, meaning that the student is being warned that he or she is not meeting SAP eligibility and has one semester to correct his or her eligibility before being placed on financial aid suspension. During this semester, the student will continue to be able to receive financial aid.
- **Suspension status:**
If the student was previously under a Warning SAP status and fails to meet SAP eligibility requirements during the next semester, the student's status will be moved to a Suspension status, and he or she will not be eligible to receive federal or institutional financial aid during the next semester he or she attends. Students on financial aid suspension may appeal this decision by completing the SAP Appeal Process (see below). Note: Financial Aid SAP eligibility is different from academic probation or suspension. Students who are on financial aid suspension may be allowed to register for and attend classes in future semesters, if they are not also on academic suspension. See the Registrar for more information.
- **Probation status:**
If a student is placed on financial aid suspension, he or she has the option to appeal this suspension through the SAP Appeal Process. If the appeal is granted, the student will be placed on financial aid probation with an academic plan to assist the student in regaining satisfactory academic progress. While on probation, the student may continue to receive federal, state, and institutional aid if he is otherwise eligible.

Appeal Process

A student who has been placed on financial aid suspension for not meeting the required SAP guidelines may appeal his/her suspension if there were unusual or extenuating circumstances that contributed to the student's failure to meet these guidelines.

Unusual or extenuating circumstances include:

- serious injury of the student or an immediate family member,
- serious extended illness of the student or an immediate family member, or
- death of a family member.

To make an appeal, the student should follow the steps outlined on the Appeals Application, and submit the Financial Aid Satisfactory Academic Progress Suspension Evaluation and Appeal Request form. All SAP appeal requests will be reviewed by the Director of Financial Aid.

The appeal request must include a statement from the student regarding what has changed and what he or she will do differently to enable him or her to meet SAP guidelines in the future. Appropriate documentation to support the request is required.

Documents provided must support the reason for the appeal and match the period of time for which SAP standards were not met. If a student makes more than one appeal request, each appeal must be for a different reason. See the Financial Aid Satisfactory Academic Progress Suspension Evaluation and Appeal Request form for more information.

All appeal decisions are final. Students are notified in writing of the outcome of the financial aid appeal.

Regaining Financial Aid Satisfactory Academic Progress Eligibility

Students who are placed on financial aid suspension for not maintaining the required SAP eligibility standards for CGPA must complete courses at Criswell College at their own expense to regain their eligibility for financial aid. Students who are placed on financial aid suspension for not maintaining the required SAP eligibility standards for pace of progression must complete courses at Criswell College, or courses that transfer in from an accredited institution, at their own expense.

After the student has completed sufficient coursework to remove the suspension status, the student's SAP status will be reevaluated at the end of the semester, and his or her status will be updated based on current SAP standards.

Students who are placed on financial aid suspension because they have not met the program completion time frame requirements and have reached the maximum number of hours or time frame allowed to complete their degree program may not regain eligibility to receive financial aid. In order to complete a degree program and graduate from Criswell College, the student will have to complete those courses without receiving federal financial assistance. If the student feels that these calculations are incorrect, he or she may contact the Director of Financial Aid and ask for a formal review of eligibility.

Other Financial Aid Satisfactory Academic Progress Guidelines

- Repeat Courses:
Students may receive federal financial aid for repeat courses in which a previous grade of “F” was received. Students can continue to receive financial aid for each repeated course as long as the previous attempt resulted in an F. Students have only one additional opportunity to retake a course to improve the grade and receive financial aid once the student has received a grade of D or higher for that course. Funding for remedial courses is only provided once.

Institutional scholarships are not applied toward any repeated course regardless of course grade or status.

- Incomplete grades:
Courses in which a grade of “I” is received will affect a student’s pace of progression and may lead to the student being placed on financial aid warning or suspension. Once the student has completed the course(s), he may request an evaluation to re-assess his/her SAP status using the Suspension Evaluation and Appeal Request form.
- Second Bachelor’s Degree:
Not all financial aid programs are available to students seeking a second bachelor’s degree, including accredited and non-accredited degrees. Students should inquire in the Financial Aid Office for more information.

Return of Title IV Funds (Maintaining Eligibility for Financial Aid)

Under What Circumstances Might a Student Be Expected to Return Federal Aid Funds?

Federal law specifies how schools must determine the amount of Title IV program assistance that is earned when a federal financial aid recipient withdraws from school.

When a student withdraws during the payment period, the amount of federal grant and/or loan assistance earned up to that point is determined by a Department of Education sponsored online calculator. If less assistance was received than earned, the student might qualify for a post withdrawal disbursement. If more assistance is received than earned, the unearned funds must be returned by the school and/or student to the appropriate federal program(s). The federal code of regulations 34 CFR 668.22 defines the treatment of withdrawals, the calculation of earned and unearned aid, the disbursement or return of federal funds, and the timelines for each.

If a recipient of Title IV funds withdraws from school after beginning attendance, the amount of Title IV aid earned by the student must be determined. This applies to any student receiving Title IV aid who officially withdraws, stops attending, or is suspended.

If a student ceases attendance prior to the 60% completion point of any payment period for which he or she received financial aid, the student may owe a repayment of unearned financial aid funds to the college. The completion point is based on the total number of class days in a payment period. If it is determined that a student owes a repayment of funds, the Financial Aid office will notify him or her via email. Students can also check balances owed through the college's student portal. Aid will not be disbursed to students who owe a balance from a previous academic year until the balance is paid in full.

Other Possible Consequences of Dropping Classes or Withdrawing from the College

If circumstances allow the student to remain in school past the 60% completion point of any payment period, then Title IV funds are considered to be "earned". Schools are required to complete a return to title IV calculation for all students regardless of completion point to evaluate for post-withdrawal disbursement eligibility. Withdrawing from courses can affect a student's future eligibility for Title IV funds and institutional scholarships due to SAP eligibility requirements.

Post-Withdrawal Disbursement Conditions

If a student has accepted Title IV aid by the date of the withdrawal, but the aid has not been disbursed, the student may be eligible for a post-withdrawal disbursement. A Return to Title IV calculation must be performed to determine if the student is eligible for a post-withdrawal disbursement. Criswell College must make this determination within thirty (30) calendar days from the date the Financial Aid Office becomes aware of the withdrawal.

The following conditions apply when processing a post-withdrawal disbursement:

- A student must have accepted aid by the date of the withdrawal.
- If, before the student's withdrawal date a loan offer has been accepted, the loan must also have been originated by Criswell College.
- The Financial Aid Office sends notification of post-withdrawal disbursement to students by e-mail.
- For students who provide positive affirmation in response to the PWD notification within the forty-five (45) calendar day time frame allowed in Federal regulations, the Financial Aid Office will request the post-withdrawal disbursement.
- If the amount disbursed to the student is less than the amount the student earned and for which the student is otherwise eligible, he is eligible to receive a post-withdrawal disbursement for the earned aid that was not received.

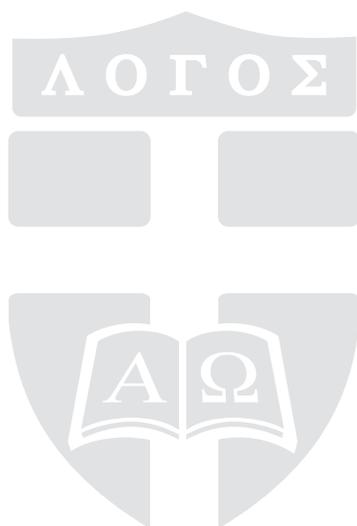

Return of Funds to Federal Programs

Financial Aid Office personnel will apply the federally mandated repayment formula for the return of financial aid funds. Funds will be returned to the programs from which the money was paid to the student in the following order:

- Unsubsidized Federal Direct Stafford Loan Program,
- Subsidized Federal Direct Stafford Loan Program,
- Federal Direct Parent Loan Program (PLUS), and
- Federal Pell Grants.

When Criswell College returns loan funds to the Department of Education on behalf of the borrower, the college will provide simultaneous written notice to the borrower in the form of an e-mail notification.

Theological and ministerial education is far more than facts and information; the development of the student outside the classroom is equally important. Matters of student life and co-curricular involvement are embraced as significant contributors to the total educational environment.

Student life and student development at Criswell College are primarily the responsibility of the Student Services Office, in cooperation with the Student Development Committee. These entities provide necessary oversight for most student development functions and student life as a whole; however, the college encourages broad involvement from administration, faculty, staff, and volunteer student leaders. Student development involves the physical, spiritual, and communal growth of the student. It is, at its core, a true co-curricular endeavor, helping to synthesize and apply academic principles. The specific mission of the Student Services Office states,

The Student Services Office exists to promote the success of all Criswell College students by providing support programs that foster and encourage the physical, intellectual, spiritual, social and emotional growth of individual students, contributing to their preparation to serve as Christian leaders throughout society.

This mission of service to the student body is exercised through these campus programs, organizations, and services:

LEADERSHIP DEVELOPMENT

The mission of Criswell College is not simply to prepare graduates for leadership positions, but rather to develop leaders who make a difference in the world, for Christ and the gospel. Therefore, leadership is not only a component of the curriculum; it is an integral part of the total Criswell College experience. Leadership training is the development of a person, and no one course can fully develop a person.

Campus Organizations

Students are encouraged to present ideas and designs for new clubs and organizations that serve various student interests. All proposed student organizations or publications must be approved by the Director of Student Services and by the administration. For more information, please refer to the Student Handbook.

Co-Curricular Learning

The Student Services Office works closely with our faculty and administration to intentionally design programs that enhance classroom learning. These programs encourage greater faculty-student dialogue and provide opportunities to explore specific issues related to Kingdom living.

Student Representatives

Student Representatives are composed of two student ambassadors who serve as members of the Student Development Committee and as official representatives of student needs, concerns, and issues. Their purpose is to represent the general spiritual, social, and physical needs of the student body to the administration, faculty, and staff in accordance with the best interests of Criswell College.

SPIRITUAL ENRICHMENT

Many programs and events are scheduled each semester to specifically nurture our students spiritually and to challenge them to higher levels of Christian maturity. Each semester brings various campus prayer groups and student led Bible study sessions, as well as ongoing Great Commission Chapels where students share ministry experiences, give their testimonies, and pray for one another.

Campus Ministry and Service Practicum

Opportunities for ministry abound in the Dallas Metroplex. Many strong evangelical churches and ministry organizations exist even in the immediate College neighborhood. Students are involved with urban mission sites, jail and prison ministries, street evangelism, social service ministries, overseas mission ventures, and special ministry projects. Many local churches seek volunteer assistance from Criswell College students for community evangelism, pulpit supply, church planting, and worship leadership. Other ministry related events include Domestic and Global Service Practicum and Great Commission Days.

Chapel

Criswell College's chapel program is a vital component of the Christ-centered education offered at the college and is designed around a four-fold mission:

- To engage students, faculty, and staff in deliberate and sincere corporate worship
- To endear sound biblical teaching to students, faculty, and staff
- To experience genuine community as a campus family
- To expose students to creative, diverse ministries and ministry callings.

Missionaries, pastors, educators, denominational workers, and other special speakers provide inspiration and encouragement through chapel worship. Students are invited to speak in Chapel on various occasions and are encouraged to participate through music and testimony.

Chapel programs are scheduled weekly. Students are required to attend chapel programs, but Petitions are available. Chapel grades are issued each semester on a credit/non-credit basis. For more information, please refer to the *Student Handbook*.

Counseling and Guidance

Personal and confidential conference appointments with Hope for the Heart Chair of Biblical Counseling, Dr. Steve Hunter, are available to any student through the Student Services Office. In addition, students can receive a referral or be directed to a counselor appropriate for their situation.

CAMPUS POLICE

The safety and well-being of our college family is a high priority. Should any emergency or security issue arise, students are requested to immediately contact Campus Police at 214-818-1333 or by dialing 1333 from any campus phone. A red emergency phone is located on the second floor along the south wall and will call Campus Police directly. If there is an emergency requiring medical assistance, students should also call 911.

Campus Police also prepares and provides an annual report, in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), which documents public crime statistics for specific types of crimes that have occurred on or around the campus during the previous three calendar years. Contact Campus Police or visit www.criswell.edu for a copy of this report.

COMPLAINTS

A student or parent may, at any time, submit complaints or concerns to the Student Services Office. Complaints can be either formal or informal, with different implications respectively. Details regarding both formal and informal complaints, and their submission and handling, can be located in the *Student Handbook*.

DISABILITIES

Criswell College recognizes and supports the standards set forth in Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990, and similar state laws, which are designed to eliminate discrimination against qualified individuals with disabilities. Students with requests or concerns related to qualifying disabilities should contact the Director of Student Services, who serves as the 504 Representative of the college. For more information, see the Students with Disabilities Policy located on the Criswell College website.

EMPLOYMENT SERVICES

Employment opportunities are posted year-round for students and spouses. Many area businesses and organizations seek specifically to hire Criswell College students. Job listings are made available through the CAMS Student Portal. Church ministry positions are also kept current and posted for student consideration.

IDENTIFICATION CARDS

Student identification cards are issued by the Student Services Office during registration at no charge and provide various services, including access to the campus. If lost, stolen, or damaged, the student should report it to the Student Services Office or the Campus Chief of Police and have his/her ID replaced. A replacement fee applies (see fee schedule under “Financial Information” section of the *Catalog*). For more information, contact the Student Services Office or refer to the *Student Handbook*.

TECHNOLOGY USE AND SUPPORT

The Department of Academic and Administrative Technology maintains a network for student use that provides access to campus computing facilities by way of the Wallace Library and a computer lab, including software support for e-mail, the Internet, library research, and standard applications for preparing course assignments. Students agree to adhere to the college’s technology policies whenever they connect or login to the network or online information system. The college reserves the right to disconnect users *without warning* to protect the integrity and/or usability of the network. For more information, refer to the *Student Handbook*.

For technical support on student email accounts, the learning management system (Canvas), and the student information system (SONIS), students can email the Department of Academic and Administrative Technology at studenttechsupport@criswell.edu.

Canvas

Canvas by Instructure is the learning management system to supplement its on-campus course delivery process and to host its online delivery process. Many on-campus courses

and all online courses now deliver tests, quizzes, assignments and supplemental content via Canvas. In addition to providing content via Canvas, many courses allow students to view updated grades throughout the semester, allowing students to keep track of their academic progress in a course. Students may access Canvas through their student email. Students receive their email username and password during the admission process. For more information or technical support, email studenttechsupport@criswell.edu.

Identity Verification for Distance Education Courses

Students enrolled in Distance Education courses are required to present a photo ID to verify their participation in each course at the beginning of the term. Confirmation will occur through live-streamed meetings, video assignments, scheduled video conference calls, and/or other online video medium the professor assigns. For more information, email studenttechsupport@criswell.edu.

SONIS

SONIS serves as the college's centralized student information system. Students can utilize SONIS to register for classes, access past grades, request transcripts, plan their degrees, receive campus news, and communicate with campus departments. Students may access their information through the SONIS login page, located at <https://www.criswell-sonis.com>. Students receive their initial SONIS username and password during the admission process. For more information or technical support, email studenttechsupport@criswell.edu.

Student Passwords

Students who are unable to log into the student information system (SIS) or institutional email account may request a password change from the Campus Software Manager. Students must confirm their identity either in person or by phone by accurately providing their student identification number, the last four digits of their social security number, and their mailing address and phone number the college has on file. Once the student provides this information, the Campus Software Manager will reset the student's SIS or institutional email password in consultation with the student. For more information visit or call the office of Academic and Administrative Technology at 214-818-1358.

PUBLICATIONS

The *Student Handbook* is the primary source for policies, guidelines, and information concerning student life and student issues. It is expected that every student will be familiar with the handbook and conscientiously abide by all college rules, regulations, and policies.

RESIDENCE LIFE

The Criswell Housing Program is at the center of spiritual and student life at Criswell College. Residents live with one to three other students in an apartment and face the challenges and triumphs of daily college life together. The Criswell Housing Program serves as a vital network to maximize the student life experience as well as provide a framework within which students grow relationally, academically, and spiritually.

To participate in the Housing Program, students must live in student housing as arranged by Criswell College. The college has an arrangement with a local apartment management company to provide housing for students. See the Student Housing Office for rates and other information.

SOCIAL EVENTS

The Student Services Office leads out in planning social events and activities each semester. Often, these events include student families and faculty/staff involvement. Although the college is predominantly a commuter campus, students find time for fellowship and social interaction. Some current semester activities include the Back to School Bash, campus fellowships, Criswell Cinema, worship night, and open mic nights.

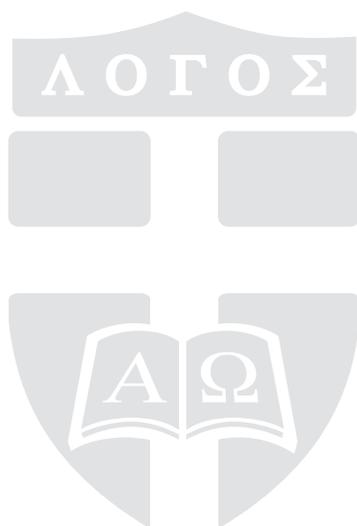

SPORTS AND RECREATION

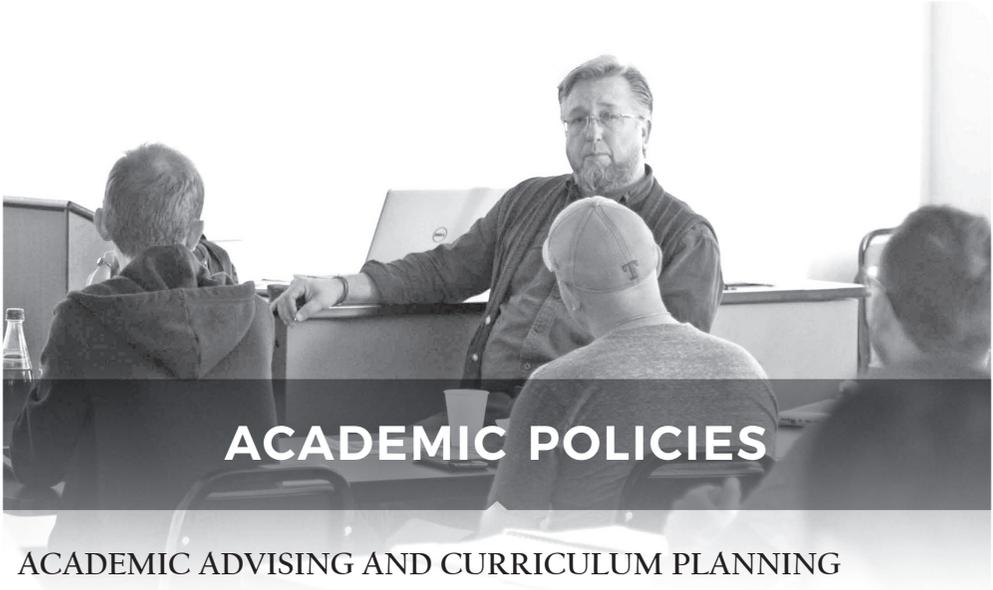

Recreational events and sports leagues are scheduled each semester for the entire campus community. Recreational facilities include Pendleton Gym and the Game Room in Horner Hall. Recreational programming also includes outings to area sporting events for students and their families.

WEATHER POLICY

It is important that students determine their ability to travel safely to the college when weather conditions create road hazards. Students who feel it is not safe to travel to classes should contact their instructors at the earliest possible time. Should the college decide not to hold classes and/or to close all functions of the college due to weather, appropriate announcements will be made on radio station KCBI 90.9 FM and KLTY 94.9 FM, as well as local television stations FOX 4, ABC, 8 NBC 5, CBS 11, and WFAA Channel 8. Announcements will also be posted on the college website and students will be notified via their school issued email addresses. Students who have opted into the Nixil notification program will also be notified via their chosen preferences. For more information regarding Nixil, please visit the Campus Police Office.

ACADEMIC ADVISING AND CURRICULUM PLANNING

When admitted to Criswell College, students meet with the Registrar for academic advising and course registration in order to begin working towards their degree completion. Students return to the Registrar's Office each semester for assistance in course scheduling. Degree-seeking students also have access to the director of their academic program and should consult with him or her about the program as well as about future professions and/or other academic degrees the student might pursue. For help with personal matters, students are encouraged to schedule an appointment with the Dean of Students in the Student Services Office.

Criswell College uses milestones as part of its guidance philosophy for academic advising and curriculum planning. Students will be advised according to the milestones noted below.

ENG 090, 101, and 201 must be completed within the student's first 30 earned hours of course work, unless transferred credits for these English courses have been accepted by the Registrar for the student's degree plan. English courses must be completed prior to taking foreign language courses.

Students with fewer than 63 earned hours are advised to complete all 100 and 200 level courses, since the majority of these courses are common to all B.A. degree programs and provide students with the foundation for benefiting from 300 and 400 level courses. Course prerequisites must be followed and recommended course sequences should be observed for taking courses like Systematic Theology I.

Students with at least 60 earned hours (junior standing) are advised to complete (prioritize) 300 and 400 level core requirements and then mix in other course degree requirements offered in a given semester. Course prerequisites must be followed and

recommended course sequences should be observed. Ministry practicum courses are reserved for upper level degree program completion.

Masters students must complete all degree prerequisites within the first 50% of course work for each graduate degree. Until the degree prerequisites are satisfied, a prerequisite must be taken each semester in which a student is enrolled. Course prerequisites must be adhered to and recommended course sequences should be observed.

ACADEMIC APPEALS

Students wishing to appeal a final course grade must follow this sequence and schedule:

1. Begin by consulting the professor(s) involved, seeking to reach an agreement. If that is not possible, the student may appeal in writing to the Academic Cabinet within 30 days from the date the grade was assigned.
2. The Academic Cabinet will collect the relevant evidence. All concerned parties will be given the opportunity to present their case to the Academic Cabinet.
3. Any member of the Academic Cabinet with a prejudiced viewpoint may be excused from the discussion.
4. The Academic Cabinet will provide a decision in writing, copies of which will be available to the student, involved faculty, and the student's permanent file.
5. Appeals of the Academic Cabinet's decisions must be made within 10 days to the Vice President of Academic Affairs, whose decision is final.

A student who wishes to appeal an assignment or exam grade must do so by consulting the professor(s) involved.

ACADEMIC HONESTY

Absolute truth is an essential belief and basis of behavior for those who believe in a God who cannot lie and forbids falsehood. Academic honesty is the application of the principle of truth in the classroom setting. Academic honesty includes the basic premise that all work submitted by students must be their own and any ideas derived or copied from elsewhere must be carefully documented.

Academic dishonesty includes, but is not limited to:

- cheating of any kind,
- submitting, without proper approval, work originally prepared by the student for another course,
- plagiarism, which is the submitting of work prepared by someone else as if it were his/her own, and
- failing to credit sources properly in written work.

Academic dishonesty is an especially serious matter for a Christian, given the significant theological, ethical, moral, and legal aspects of it. In cases of suspected academic dishonesty:

1. The professor seeks to clear the student of the suspected offense through direct interaction with the student.
2. If the student is cleared of any wrong doing by the professor, no action is needed.
3. If academic dishonesty is confirmed the professor must submit the appropriate form to the Academic Affairs office, which will be placed in the student's permanent file. The professor has authority to take whatever academic action he deems suitable, from a significant grade reduction to failure of the course.
4. If the student disagrees with the professor's conclusion, the student may appeal the decision to the Academic Cabinet through the Office of Academic Affairs.
5. The Academic Cabinet will provide a decision in writing, copies of which will be available to the student, involved faculty, and the student's permanent file.
6. A second confirmed offense is considered a sufficient basis for dismissal from the college.

ACADEMIC RECORDS

Consistent with the Family Educational Rights and Privacy Acts of 1974 (FERPA), as amended, Criswell College uses the following guidelines regarding academic records:

Academic Record

When a student enrolls at Criswell College, an official academic record begins with the student's relevant admissions material and is maintained in the Registrar's Office. Necessary documents are added to the file, as they become available. Current or former students may review their records during the operating hours of the college, unless access to a document has been waived, such as with recommendations. Responsible individuals at the college, if determined to possess a legitimate educational interest, may be given access to educational records at the discretion of the Registrar. The educational records of a current or former student may not be released to other parties without the written permission of the student. Other exceptions may be made, consistent with the exceptions noted in FERPA. It should be noted that original documents contained in the student's educational record will not be returned to the student, parent or guardian, or any third party inquiry.

Challenge to Academic Record

Current or former students may challenge their academic records if they believe the record is inaccurate or misleading. To do so, the student must give written notification

to the Registrar's Office, indicating which portion of the record is considered inaccurate or misleading, and should include evidence for drawing that conclusion. The Registrar and Vice President of Academic Affairs will consider the challenge and make a decision, which may be appealed to the President or, where appropriate, the Academic Cabinet (see "Academic Appeals" section). Students not satisfied with the outcome of the challenge have the right to place in their academic record a statement commenting on the issue or decision.

Notification of Rights under FERPA for Postsecondary Institutions

Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student's education records within 45 days after the day Criswell College receives a request for access. A student should submit to the Registrar a written request that identifies the record(s) the student wishes to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the Registrar does not maintain the records, the Registrar shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with

legitimate educational interests. A school official is a person employed by Criswell College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of Criswell College who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Criswell College.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Criswell College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is as follows:

Family Policy Compliance Office
 U.S. Department of Education
 400 Maryland Avenue, SW
 Washington, DC 20202

Disclosure of Personally Identifiable Information (PII)

FERPA permits the disclosure of PII from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student —

- To other school officials, including teachers, within Criswell College whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))

These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. - To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))

- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(a)(13))
- To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school’s rules or policies with respect to the allegation made against him or her. (§99.31(a)(14))
- To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))

ACADEMIC REQUEST FORMS

Special requests regarding a student’s academic program and records are processed by using one of the academic request forms. The Registrar’s Office only processes the request after compliance with all relevant instructions and applicable signatures. The approved original form will be placed in the student’s academic record.

ACADEMIC STANDING

Good Standing

A student is considered to be in Good Standing when he or she holds a satisfactory Grade Point Average (GPA) for the semester and a satisfactory Cumulative Grade Point Average (CGPA) for all completed semesters, and therefore not subject to Academic Warning, Probation, Suspension, or Dismissal. Satisfactory GPA and CGPAs are as follows:

- 2.0 or higher for A.A. and B.A. students;
- 2.75 or higher for B.S. students;
- 2.5 or higher for M.A.C.L., M.A.C.S., and M.Div. students;
- 2.75 or higher for other M.A. students.

Academic Warning

A student is placed on Academic Warning when either the semester or cumulative grade point average is unsatisfactory.

- Below 2.0 for A.A. and B.A. students;
- Below 2.75 for B.S. students;
- Below 2.5 for M.A.C.L., M.A.C.S., and M.Div. students;
- Below 2.75 for other M.A. students.

The student stays on Warning so long as he or she is making Progress (see below), and is removed from Warning when the student achieves Good Standing. While on Warning during a fall or spring semester, an undergraduate student may not take more than 12 hours, and a graduate student may not take more than 9 hours. A student on Warning may not take more than 3 hours during a winter or summer term.

Academic Progress

A student is making Academic Progress when he or she achieves a satisfactory GPA but is still lacking a satisfactory CGPA.

Academic Probation

A student is placed on Probation when, at the end of the semester on Warning, he or she has failed to make Progress.

The student on Probation, whose GPA and CGPA are Unsatisfactory at the end of the semester on Probation, continues on Probation a second semester. The student who makes Progress during the second semester is placed on Warning. The student on Probation, whose GPA and CGPA both become Satisfactory, returns to Good Standing. (International students should also see “International Students” under “Academic Standards” in the “Enrollment Services” section of the Catalog.)

While on Probation during a fall or spring semester, an undergraduate student may not take more than 6 hours, and a graduate student may not take more than 3 hours. A student on Probation may not take more than 3 hours during a winter or summer term. A student on Probation forfeits all institutional financial aid and might also be restricted from College extracurricular activities.

Academic Suspension

A student is placed on Suspension for a semester (and its preceding term, if applicable) when, at the end of the second semester on Probation, he or she has failed to make Progress.

Returning from Academic Suspension

A student returning to the College after Academic Suspension is placed on Academic Probation. The returning student who makes Progress during his or her first semester back is then placed on Warning. The returning student who does not make Progress during his or her first semester back remains on Probation for a second semester.

Academic Dismissal

A student who returns to the College after Suspension and does not make Progress during the first and second semesters back is Dismissed from the college.

NOTE: The academic status and progress of students receiving V.A. benefits are monitored and reported periodically to the Department of Veteran Affairs.

ADD OR DROP A COURSE

Students making course schedule changes after the semester or term begins must file a properly approved Add/Drop Form with the Registrar's Office in a timely manner and pay a fee for each change. Deadlines for adding and dropping a course are published on the Academic Calendar within this catalog.

Students may add a course during a semester by the designated Last Day to Add. Failure to file the required documentation with the Registrar's Office may result in receiving no credit for attending the course. Students are not allowed to add a course during a term after Official Registration ends.

Students may drop a course during a semester or term by the designated Last Day to Drop. The course will be removed from the student's registration record with no assigned grade. Students may not drop a course during terms shorter than 8 weeks.

Students may withdraw from a course by the designated Last Day to Withdraw. The course will remain on the student's registration record and a grade of "W" will be assigned. Students may not withdraw from a course after the designated Last Day to Withdraw. Proportionate deadlines for withdrawing from a course apply to terms shorter than 8 weeks.

Proportionate deadlines for adding and dropping a course apply to special terms, such as the compressed winter and summer terms.

Refund information can be found in the "Financial Information" section of the catalog.

ADVANCED PLACEMENT (AP) CREDIT

Students submitting a score of three or higher on an Advanced Placement (AP) test administered by the College Entrance Examination Board (CEEB) will be awarded credits equal to those of the course equivalent at Criswell College. Such credit will be evaluated upon receipt of an official copy of scores from the College Board. AP tests must be completed prior to enrollment at the college and cannot be applied as elective credit.

APPLIED MINISTRY PROJECT

The Applied Ministry Project is the required supervised field education part of the curriculum. The Director of Applied Ministry coordinates the program and approves all ministry projects or other missions-related activities each semester.

The Applied Ministry Project is designed to provide the setting in which the student can apply the theoretical material gained in the classroom in actual practical ministry involvement. If taken seriously, the student will have a richer educational experience and will enter vocational ministry, or other vocations, with an enhanced sense of professional confidence.

ATTENDANCE: ON-CAMPUS AND ONLINE

On-Campus Courses

Criswell College is not an attendance-taking institution. Students are responsible for enrolling in courses for which they anticipate being able to attend every class session on the day and time appearing on course schedules, and then making every effort to do so. When unavoidable situations result in absence or tardiness, students are responsible for acquiring any information missed. Professors are not obliged to allow students to make up missed work. Per their independent discretion, individual professors may determine how attendance affects students' ability to meet course learning objectives and whether attendance affects course grades. Professors apprise students of such information in course syllabi.

Online Courses

Online students are responsible for enrolling in courses for which they anticipate being able to participate weekly during the weeks appearing on course schedules, and then making every effort to do so. Such participation may include the following: completing quizzes or exams; emailing faculty or class members as part of an assignment; discussion board posting or response; turning in an assignment; or other communication reflecting ongoing learning in the course. When unavoidable situations result in non-participation, students are responsible for acquiring any information missed. Professors are not obliged to allow students to make up missed work. Per their independent discretion, individual professors may determine how participation affects students' ability to meet course

learning objectives and whether participation affects course grades. Professors apprise students of such information in course syllabi.

Attendance: Maintaining Eligibility for Financial Aid

Students receiving grants, loans, or scholarships must meet certain requirements at the college and should consult relevant sections of this catalog. To ensure such funds will not be forfeited, students are responsible for contacting the proper departments at the college to ascertain any specific course participation requirements and consequences of not meeting such requirements. Students receiving grants, loans, or scholarships should consult the Financial Aid office.

AUDITING A COURSE

Any on-campus course may be audited with approval by the Registrar and if space is available in the classroom. Audit status is available for students who have previously completed a credit course, to serve as a review and refresher of course material, or for those desiring to further their education. An audit fee will apply (see “Financial Information” section of this *Catalog*.) Students who audit a course receive a grade of AU. A student’s permanent transcript will reflect which courses have been audited. An audited course may be taken for academic credit at a later time. For more information regarding audit status, please see the “Enrollment Services” section of this *Catalog*.

BI-LEVEL COURSE DISTINCTIVES

Criswell College offers a limited number of bi-level courses germane to foundational studies for undergraduate and graduate degree program outcomes. Bi-level courses have core material and requirements benefitting all students (undergraduate and graduate), with additional material and requirements for those taking the course for graduate credit. Graduate course objectives and assignments in bi-level courses focus on increased reading materials and independent study, and include a research component.

CHANGE IN DEGREE PROGRAM

Students changing their program major/minor(s)/track must notify the Registrar’s Office and obtain signatures of approval from the assigned academic advisor and the Registrar on the appropriate completed and approved academic request form. Students making these changes must meet all admissions and program requirements outlined in the *Criswell College Catalog* in effect at the time of the program change.

STUDENT CLASSIFICATION

Sophomore	Completed at least 30 and less than 60 semester hours

72 ACADEMIC POLICIES

Junior	Completed at least 60 and less than 90 semester hours
Senior	Completed at least 90 semester hours and all Chapel and Applied Ministry Project requirements

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

Students may submit for evaluation official results of the CLEP subject tests for course credit at Criswell College. CLEP credit may not be applied to any course in which a student is enrolled or has been enrolled. Students should receive permission from the Vice President of Academic Affairs to apply CLEP credit to their degree programs prior to taking an examination. Students may apply CLEP credit to no more than four courses. CLEP credit is not accepted for electives.

CONTINUING EDUCATION UNITS CREDIT

The college occasionally awards Continuing Education Unit credit(s) for professional development training courses, conferences, or seminars. Actual participation and completion of all requirements is documented. All arrangements for credit must be completed and approved in advance before the college agrees to offer appropriately awarded Continuing Education Units. An individual may not be awarded both CEU and academic credit.

COURSE CANCELLATION

Scheduled courses are typically not cancelled unless enrollment is below five for undergraduate courses or below three for graduate courses. Notification that a course may be cancelled is provided either before or during the first class session.

COURSE LOAD

A full-time undergraduate student is one who is taking a minimum of 12 semester hours, with 15 hours being the recommended load. If a student's CGPA is at least 3.0, a maximum of 18 hours may be carried. Requests for more hours require filing the appropriate academic request form, with the approval of the student's assigned academic advisor, the Registrar, and the Vice President of Academic Affairs.

A full-time graduate student is one who is taking a minimum of 9 semester hours, with 12 hours being the recommended load. With a CGPA of at least 3.0, a maximum of 15 hours may be carried. Requests for more hours require filing the appropriate academic

request form, with the approval of the student's Program Director, the Registrar, and the Vice President of Academic Affairs.

As students determine their course loads, it should be remembered that each hour in class requires an average of two hours study outside class. Following this guidance will help students make consistent progress toward degree completion and provide a healthy balance in their relationship with God, family, school, work, and ministry.

Entering Freshman: Students must prioritize their course load accordingly. After beginning study, the following courses should be taken as soon as possible:

<i>Semester Hrs</i>	<i>Courses</i>	
3	ENG 101	Composition I or ENG 090 Developmental English
3	BIB 105	Hermeneutics (<i>prerequisite for THS 203</i>)
3 + 3	NTS 101, 201	New Testament Survey I, II (<i>prerequisites for THS 203</i>)
3 + 3	OTS 101, 201	Old Testament Survey I, II (<i>prerequisites for THS 203</i>)
3	THS 101	Spiritual Foundations (<i>prerequisite for EMS 101</i>)

NOTE: CPL 100 Chapel and AMP 100 Applied Ministry Project are required non-credit courses taken each semester.

DEFINITION OF CREDIT HOUR

In accordance with the requirements of the US Department of Education and the Southern Association of Colleges and Schools Commission on College, a credit hour is defined as an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates

1. Not less than one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve weeks for one quarter hour of credit, or the equivalent amount of work over a different amount of time, or
2. An equivalent amount of work as outlined in item 1 above for other academic activities as established by the institution including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

For academic purposes, Criswell College uses "Carnegie" units to measure semester credit hours. A Carnegie unit of credit is awarded to students for the satisfactory completion of at least one 50-minute session of classroom or direct faculty instruction and at least 100 minutes of out-of-class work per week for not less than 15 weeks. Thus, one semester credit hour represents a minimum of 2,250 minutes, or 37.5 clock hours, of total student work per semester.

DISTANCE EDUCATION

Criswell College offers selected courses through asynchronous and text-based technologies. A distance education fee is charged on a per-course basis. All distance education courses share a description, learning outcomes, textbooks, assignments, and grading scale with on-campus courses. This requires students to work with the integrity and commitment necessary to participate in and benefit from all of the instruction and assignments given by the professor for learning the subject matter of the course. Therefore, academic policies and credit for distance education courses are the same as for courses taken on campus. For more information about taking distance education courses, please contact the office of Distance Education, and see “Distance Education” in the “Enrollment Services” section of the *Catalog*.

GRADE CHANGES

After grades have been turned in to the Registrar’s Office, grade changes are permitted for errors made in computing grades. If, beyond the possibility (and resolution) of such a computing error, the student wishes to further appeal a grade, the procedure under the “Academic Appeals” section must be followed.

GRADE REPORTS

Final course grades are available to registered students within two weeks of the close of each semester or term through the student portal of the college’s student information system once they have been received and processed by the Registrar’s Office. Students desiring to know their course grades prior to this distribution should contact the course professor(s), not the Registrar’s Office.

Students must have all remaining financial and other obligations to the college, including Student Accounts, Financial Aid, Enrollment Services, Student Services, and the Wallace Library, before grades may be accessed at the end of each semester through the student portal.

GRADING SYSTEM

The significance of letter grades is as follows:

A	93-100	4.0 grade points per semester hour
A-	90-92	3.7 grade points per semester hour
B+	87-89	3.3 grade points per semester hour
B	83-86	3.0 grade points per semester hour
B-	80-82	2.7 grade points per semester hour
C+	77-79	2.3 grade points per semester hour
C	73-76	2.0 grade points per semester hour
C-	70-72	1.7 grade points per semester hour
D+	67-69	1.3 grade points per semester hour

D	63-66	1.0 grade point per semester hour
D-	60-62	0.7 grade points per semester hour
F	0-59	0.0 grade points per semester hour

The following grade symbols are also recognized for transcript evaluation:

AU	Audited Course
CR	Credit
EX	Exempt
I	Incomplete
NC	No Credit
RC	Repeat Course
S	Satisfactory Progress
W	Withdrawn

NOTE: An “I” will be changed to an “F” 60 calendar days after the close of the term or semester in which the “I” was awarded, if the course work is not completed by the stated date published in the Academic Calendar.

GRADUATE COURSES FOR UNDERGRADUATE STUDENTS

In order for an undergraduate student to enroll in a graduate level course for transcribed credit, the student must have academic administrative approval and meet the following standards:

- Classified as a Senior with all current Chapel and Applied Ministry Project requirements completed;
- A minimum current cumulative GPA of 3.0;
- Meet all academic criteria for the course;
- Not exceed a maximum of 6 credit hours of graduate courses for undergraduate or graduate credit with B.A. or B.S. degree requirements uncompleted.

Any graduate course taken for undergraduate credit cannot be taken for graduate credit at a later time nor be applied to a graduate degree. Qualified seniors who have filed a Graduation Application with the Registrar’s Office may take more than 6 credit hours of graduate courses with approval.

GRADUATION REQUIREMENTS

To be eligible for graduation, students must maintain high standards of moral and ethical conduct, settle all financial obligations with the college (at least two weeks prior to Commencement), and successfully complete their prescribed course of study. Clearance for approving a graduation application must be secured from the Business Office, Financial Aid Office, Wallace Library, Registrar’s Office, and Student Services Office (Chapel and Applied Ministry Project). It is the responsibility of all students

expecting to graduate to be certain that they are clear and in good standing with the college through all of these administrative and educational support areas.

Application

Students must indicate their intent to graduate by filing a completed Graduation Application form with the Registrar's Office and paying the accompanying fee by the deadline per the academic calendar. If the Graduation Application is submitted after the deadline, a late fee will be charged in addition to the application fee, both payable immediately. Late applications filed after January 31 will be moved to the next graduation class.

Commencement Attendance

On-campus students are required to attend graduation rehearsal and commencement exercises to receive their diplomas. Permission to graduate in *absentia* must be granted by the Academic Affairs Office and filed in the student's academic records in the Registrar's Office. Online students are not required to attend but are encouraged to do so.

In order to participate in the May commencement, students must complete all graduation requirements two weeks prior to dress rehearsal. Courses needed for graduation (except the travel portion of EMS 417, with professorial approval) may be deferred after the spring semester.

Grade Point Average (GPA) and Course Grades

Undergraduate GPA Requirements

Students in the AA or BA programs must achieve at least a 2.0 cumulative grade point average (CGPA); students in the BS Education program must achieve at least a 2.75 CGPA. Within a bachelor's major itself (i.e., the courses listed under headings such as "Biblical Studies Major," "Psychology Major," "Education Professional Major," etc.), students must achieve at least a 2.0 grade point average.

Undergraduate Course Grade Requirements

Students in the AA program must achieve a grade of "D-" or better for all required courses. Students in bachelor's programs must achieve a grade of "D-" or better for all required non-major courses (i.e., various "Core Studies" courses listed in any undergraduate program). Within a bachelor's major itself (i.e., the courses listed under headings such as "Biblical Studies Major," "Psychology Major," "Education Professional Major," etc.), students must achieve a grade of "C" (2.0) or better in at least 80% of those major courses.

Graduate GPA Requirements

MA Christian Leadership, MA Christian Studies, and Master of Divinity students must achieve at least a 2.5 cumulative grade point average (CGPA); MA Counseling and MA Theological and Biblical Studies students must achieve at least a 2.75 CGPA.

Graduate Course Grade Requirements

Students in any graduate program must achieve a grade of “C” (2.0) or better for any course required in their program.

Residency RequirementUndergraduate Residency Requirements

Undergraduate students must complete at least 50% of their overall degree program through Criswell College (including 100% of the final 30 hours). Bachelor’s students must also complete at least 70% of their major courses (i.e., the courses listed under headings such as “Biblical Studies Major,” “Psychology Major,” “Education Professional Major,” etc.) through Criswell College.

Graduate Residency Requirements

Graduate students must complete at least 70% of their degree program through Criswell College (including 100% of the final 9 hours).

Scholastic Recognition

Scholastic excellence will be recognized at Commencement as follows:

Summa Cum Laude	Candidates with a CGPA of at least 3.8
Magna Cum Laude	Candidates with a CGPA of at least 3.7
Cum Laude	Candidates with a CGPA of at least 3.5

When a student retakes a course for credit, only the highest grade is calculated in the CGPA. However, for the purpose of determining academic honors, all of a student’s attempted course work at Criswell College will be calculated in determining the overall CGPA.

ACADEMIC HONORS AWARDS

In order to qualify for an academic honors award, a graduating student must have at least a 3.0 CGPA. However, Academic Program Directors may set additional eligibility criteria for awards in their programs, including a higher CGPA. Similarly, faculty may set additional eligibility criteria for awards in their disciplines.

Honors awards might pertain to a level of study (e.g., undergraduate or graduate), an academic discipline (e.g., preaching, Hebrew, or Greek), an academic program (e.g., BS Education, BA Psychology, Master of Divinity), or simply academic excellence (i.e., Who’s Who). Program Directors determine whether to grant an award in their program for the current academic year, and faculty who teach in a specific discipline determine whether to grant an award in that discipline for the current academic year. Faculty vote on whether to approve award nominees. Any of the awards may be presented at the end of an academic year. For more information, contact Academic Affairs.

DEAN'S LIST

Dean's List recipients are determined at the end of each fall and spring semester. Eligibility is determined based on the official grades received for all courses taken that semester.

To qualify for the Dean's List, an undergraduate student must complete at least 12 credit hours, earn a minimum 3.5 GPA, and rank in the top 10% of the undergraduate class for the semester in which the honor is awarded. The graduate student must complete at least 9 credit hours, earn a minimum 3.5 GPA, and rank in the top 10% of the graduate class for the semester in which the honor is awarded. Students who qualify for the Dean's List will receive a letter of notification from the Office of Academic Affairs. For more information, contact Academic Affairs.

HONORARY DEGREES

Through a vote of the Faculty and the Board of Trustees, the college may identify and cite the distinguished contributions of individuals by awarding the honorary Doctor of Laws, Doctor of Divinity, and Doctor of Humane Letters. When the college decides to grant such an award, the award is granted at a Criswell College commencement ceremony.

The Doctor of Laws (LL.D.), first conferred in 1773, is the most popular honorary doctorate now awarded. It is regarded as the most appropriate award for a person distinguished in general service to the state, to learning, and to humanity.

The Doctor of Divinity (D.D.) is the oldest and most traditional honorary degree awarded to men who have made major contributions, both by service and example, to the Gospel ministry over an extended period of years.

The Doctor of Humane Letters (L.H.D.) is the oldest and most traditional honorary degree awarded to those who have made major contributions both by service and example to the field of Humanities over an extended period of years.

INCOMPLETE GRADES

Students requesting a grade of Incomplete (I) must understand that incomplete grades may be given only upon approval of the faculty member involved. An "I" may be assigned only when a student is currently passing a course and in situations such as those involving extended illness, serious injury, death in the family, or employment or government reassignment, not student neglect.

Students are responsible for contacting their professors and filing the appropriate, completed, and approved academic request form with the Registrar's Office prior to the end of the semester. The "I" must be removed (by completing the remaining course

requirements) no later than 60 calendar days after the end of the term, or the “I” will become an “F.”

INDEPENDENT STUDIES

Courses may be offered as independent studies for undergraduate seniors or masters students in the last year of study, who have irreconcilable schedule conflicts among courses needed to complete a degree program for graduation. Students must be in good academic standing with at least a 3.0 CGPA. Students are not allowed to take more than one course by independent study per semester. Certain courses, such as Core Courses, may be inappropriate for independent study. Independent study courses are typically limited to supervision by full-time faculty only. Clarification on these issues may be obtained from the Academic Affairs Office. Students are not permitted to do an independent study of a course that has been failed previously. In addition, students on warning or probation will not be permitted to do an independent study.

All independent study courses must be approved by the professor and academic advisor before being approved by academic administration prior to or during Registration. Independent studies must be processed at Registration and be completed by the end of that semester. Independent study courses are typically not available for the winter or summer terms. In cases involving class cancellations, exceptions may be granted to complete a course by independent study with the approval of the student’s academic advisor, the professor, Vice President of Academic Affairs, and the Registrar.

Tuition for independent studies is the same as for regular classroom course work and is due at the time of Official Registration. The student must also pay an additional Independent Study Fee per course.

INSTITUTIONAL EFFECTIVENESS/RESEARCH

The mission of the Office of Institutional Effectiveness and Research is to support the mission of the college by establishing and maintaining assessment methods, data reporting, and administrative best practices for the purposes of institutional planning, improvement, and accreditation compliance.

As a part of its mission, the Office of Institutional Effectiveness and Research coordinates the college’s academic degree program assessment process. This process involves the extraction of key student performance indicators from select core courses for the purpose of assessing student progress throughout all degree programs. The information compiled from this process allows the faculty and administration to find ways to improve academic programs so that students are better equipped for success.

DOMESTIC AND GLOBAL SERVICE PRACTICUM

All undergraduate students are required to complete either EMS 427 Domestic Service Practicum or EMS 428 Global Service Practicum and EMS 429 Global Service Practicum Lab. The many purposes for the Global Service Practicum curriculum include

encouraging students to: 1) consider seriously God's call to international missions; 2) become global Christians in thinking and practice; and 3) develop as leaders by facing challenging and unfamiliar experiences.

For a student to be eligible to participate in the scheduled Global Service Practicum Lab of his or her choice, the following requirements must be met: 1) good academic standing; 2) at least a junior; 3) a minimum of 30 credit hours successfully completed at Criswell College; and 4) completion of THS 101 Spiritual Foundations and EMS 101 Personal Evangelism. At the discretion of the professor, students may audit the class and participate in the mission trip. Financial support for these courses is raised by the student.

NON-RESIDENT CREDIT REQUIREMENTS

Currently enrolled students may complete courses at other accredited or approved institutions for credit at Criswell College according to the "Residency Requirement" section of the college *Catalog*. However, to ensure that such courses can be used for credit at Criswell College, students must complete the appropriate forms to seek approval prior to enrolling in non-resident courses.

PROGRAM COMPLETION

Catalog Requirements for Program Completion

Program completion requirements are governed by the catalog year and semester under which the student begins classes. When a student does not attend Criswell College for three consecutive fall/spring semesters, he or she will be placed under the new Catalog and degree plan in effect upon readmission to the college. At the time of graduation, readmitted students will be assessed for program completion with a current graduation audit.

Cooperative Resolution for Program Completion

Criswell College recognizes that it is important for students to earn their degrees in a timely fashion. Criswell College commits itself to providing students all possible assistance to ensure graduation within the proposed time frame of their degree program beginning at the point when they enter the system. The student's responsibilities for completion of a degree within the projected time of the program of study is contingent upon the following criteria:

- Having appropriate high school or other education requirements for the degree program before entering the course of study;
- Selecting a major early in the college career and adhering to the proposed course plan for that major;
- Working closely with one's academic advisor to develop a curricular plan;

- Enrolling in courses according to the order that is outlined in the catalog for the degree plan, prioritizing prerequisite courses early in the program;
- Pre-registering early during each semester's pre-registration period;
- Registering for and completing a full load of courses as appropriate for the degree program (12-15 credit hours per semester for undergraduates and 9-12 credit hours per semester for graduates);
- Notifying one's academic advisor immediately in the case of a possible delay in degree completion caused by the unavailability of a course that is needed in the last year of study.

For its part, the college guarantees each student enrollment in the courses that are required for his degree program. If the required courses are unavailable when needed, mutually acceptable alternatives may be provided.

The mutual commitment outlined in this resolution by both the college and the student will result in graduation in the proposed time for the degree program.

PROGRAM DECLARATION

Students are encouraged to declare a degree program as early on in their academic career as possible, but must declare no later than 60 hours into their undergraduate degree and 18 hours into their graduate degree.

REGISTRATION

Students must complete course registration during the designated registration periods (early, official, or late) prior to attending classes. All course registration should be done in accordance with academic advisement to ensure students take courses appropriate to their degree plan and education goals. Information on registration dates, times, and instructions are available on the college's website and is updated regularly. Students registering during Late Registration will incur a Late Registration Fee.

REPEATING COURSES

Only courses for which the student received a grade of "C" (2.0) or lower can be repeated at Criswell College. When a course is retaken for credit, only the final grade is calculated in the student's CGPA. However, to determine academic honors, all attempted course work will be calculated in the final CGPA. Audited courses may be taken for credit at a later time.

RESEARCH AND WRITING STANDARDS

The default writing style for written assignments in Criswell College courses is the latest edition of *A Manual for Writers of Research Papers, Theses, and Dissertations* by Kate Turabian. However, instructors are free to require alternative writing styles in their

courses. These styles include but are not limited to the American Psychological Association (APA), Chicago Manual of Style, Modern Language Association (MLA), and Society of Biblical Literature (SBL) writing guides.

SPECIAL EVENTS

Classes are sometimes dismissed due to special events, such as seminars or conferences. When regular classes are dismissed for students to participate in special events, students must attend the event or be counted absent for those classes.

THESIS REQUIREMENT

MA Theological and Biblical Studies students must successfully complete a thesis (via RES 602 and 603), and other graduate students might opt to write a thesis. After passing the oral defense stage of the thesis process, graduate students must make any assigned corrections for form and content designated by the thesis committee chairman. At least one copy of the final corrected thesis manuscript must be submitted to the Wallace Library for binding and addition to the library collection. The fee for binding the library copy is \$60. Any additional copies are \$40 each. Check with the Director of Library Services for submission and binding processes. A student's transcript and diploma not be released until this requirement is met.

TEXTBOOKS

Course textbooks are available online, or through the professor, and/or at the Dallas Theological Seminary's Book Center, which is located two blocks north of the college campus at 4005 Swiss Avenue, Dallas, TX 75204. The Book Center can be contacted by phone at 214-841-3700 and accessed online at bookcenter.dts.edu. For more information regarding textbooks and purchasing requirements, see the Criswell College website or contact the teaching professor.

TRANSCRIPTS

Official transcripts are issued by the Registrar's Office. Transcripts must be requested in writing via the Transcript Request form and include the original signature of the student. All obligations to Criswell College must be satisfied before a transcript will be released. Please keep in mind that it may be at least one week after the end of a semester or term before final grades are posted. Our policy prohibits the faxing or scanning and emailing of official transcripts. Students may print an unofficial transcript from their CAMS Student Portal. Students in need of assistance in accessing their CAMS student portal should contact the Campus Software Manager.

Transcripts are processed in the order in which they are received. Normal processing time is 1–3 business days and does not include delivery time. During college holidays and peak periods (beginning or end of terms, official registration, or graduation), processing a

transcript may take longer than normal. Additional processing time may occur if a student was last enrolled at Criswell prior to the Fall 1996 semester. Same day pick-up is not guaranteed.

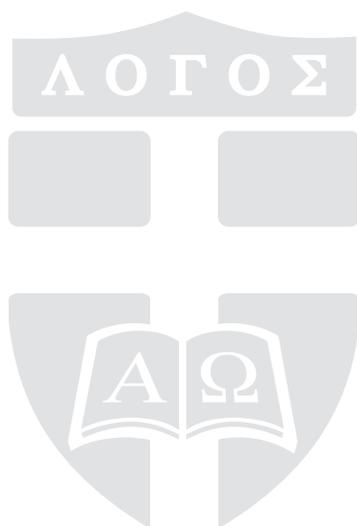

Transcripts will not be released to students who have holds on their accounts for outstanding balances owed to the college or other unfulfilled obligations. Contact the Registrar's Office at 214.818.1303 if additional information is needed regarding transcript holds.

TRANSFERABILITY OF CREDIT

Bachelor of Arts

BIBLICAL STUDIES

The Bachelor of Arts (B.A.) degree is available in various majors. Each major contains core general education requirements, core studies in Bible, theology, and ministry, and requirements specific to the major. Students may choose a double major, taking all their electives (15 hours) in the second major and completing 15 additional hours in that second major (thus totaling 135 hours instead of 120 hours). For students so inclined, the B.A. program is an excellent preparation for graduate studies.

The goal of the Biblical Studies major is to prepare students to study the Bible efficiently and to communicate it effectively in a contemporary setting. Although there are more Bible study resources and aids available today than ever before, biblical illiteracy still seems to be on the rise even among those who have been raised in a Christian environment. Since we affirm that the Bible is “God’s revelation of Himself to man” and “a perfect treasure of divine instruction,” we believe it is important for those who will communicate its message to do so with accuracy and truth for the benefit of the body of Christ.

STUDENT LEARNING OUTCOMES

B.A. graduates with a major in Biblical Studies will be able to:

1. Identify the literary genre, structure, and background of books of the Bible;
2. Translate the Hebrew Old Testament and the Greek New Testament at a basic level, and identify basic morphological and syntactical forms;
3. Explain the theological relationships between biblical texts and discuss their significance for biblical theology.

Bachelor of Arts

PHILOSOPHY, POLITICS, & ECONOMICS

The Bachelor of Arts degree is available in various majors. PPE graduates understand local, national, and international issues, news, politics, and economics, and they appreciate history, culture, the arts, and how believers can redeem it all for God's glory. STUDENT LEARNING OUTCOMES

B.A. graduates with a major in Philosophy, Politics, and Economics will be able to:

1. Distinguish and describe the major movements within the history of Western philosophy, naming and elaborating on the primary thinkers and concepts relevant to each;

Graduate students choose from the Master of Arts degree in Christian Leadership, Christian Studies, Counseling, or Theological and Biblical Studies, or the Master of Divinity degree. Graduate education, by its very nature, is distinctively different from undergraduate education. Graduate education goes beyond introducing facts and concepts to furthering the students' knowledge of literature within a discipline and aiding in their understanding and application of the material covered. It tends to include research, analysis, critical interaction, synthesis, evaluation, and creative problem-solving. Graduate students delve deeply into their subject matter, discussing the ideas with professors and fellow students, and learning how to apply their newfound knowledge and skills to Criswell College's goals of engaging minds and transforming culture.
