OFFSITE LOGIN

The offsite password for accessing eBooks and all our other e-resources is unchanged for the fall semester. Contact the library if you need the password. The login information is also available in Canvas in the “Criswell Student Training Course” under “Library Information.”

LIBRARY RESEARCH SESSIONS

The library offers individual library research sessions with students at their request in person, by phone, or online. Please stop by or call the service desk to make an appointment with one of the librarians.

LIBRARY COMPUTER LAB

The library computer lab is now located on the 2nd floor in the Reference area. Paper for the lab printer is still available at the library service desk for 25 cents for 25 sheets.

DVD PLAYER

A DVD player is now available for two-hour check-outs at the library service desk. Headphones are also available for check-out to use with the DVD player.

FREE BOOKS

The library free books shelf is located on the 1st floor in the General stacks. When entering the stacks area, turn to the right and the books are on the third to the last shelf. There are bags available at the service desk if needed.

LIBRARY STUDY ROOMS

Library study rooms are available for use. Please come to the library service desk to access.
