

Program maps are intended to help students in both registering for courses in the recommended sequence and tracking their progress through those courses. Students should consult the Academic Catalog for requirements regarding specific courses, programs, and graduation. Students should use SONIS, the college's student information system, to perform degree audits since the information in SONIS contains each student's official course and credit information.

The Master of Arts in Christian Studies (MACS) provides an academic introduction to the core tenets of the faith. This degree offers a fundamental understanding of Christian doctrine, history, and theology along with an introduction to biblical studies and interpretation. Its design also qualifies a missionary candidate whose sending agency requires a year of graduate theological education for appointment. This degree may be completed fully online, partially online, or in the classroom.
