

Program maps are intended to help students in both registering for courses in the recommended sequence and tracking their progress through those courses. Students should consult the Academic Catalog for requirements regarding specific courses, programs, and graduation. Students should use SONIS, the college's student information system, to perform degree audits since the information in SONIS contains each student's official course and credit information.

The Master of Arts in Theological and Biblical Studies is an academic degree to equip students to lead within the Church as biblicists and theologians. It provides graduate-level knowledge and academic skills, develops methodological acumen, and strengthens the doctrinal devotion necessary to teach successfully in ecclesial contexts immediately upon graduation or to pursue specialized and advanced graduate degrees to teach in academic contexts.
