

B.A. Philosophy, Politics, & Economics Program Map 2023–2024

Program maps are intended to help students in both registering for courses in the recommended sequence and tracking their progress through those courses. Students should consult the Academic Catalog for requirements regarding specific courses, programs, and graduation. Students should use SONIS, the college's student information system, to perform degree audits since the information in SONIS contains each student's official course and credit information.

The Bachelor of Arts in Philosophy, Politics, and Economics (PPE) is a rigorous course of study designed to give students the knowledge and skills necessary to thrive in the public or private sector. By combining three interconnected disciplines into the major, students learn to analyze and solve complex problems from multiple perspectives. Criswell College's PPE program equips students to bring growth and peace to the organizations and communities that they work in and serve at home and around the world.
