Program maps are intended to help students in both registering for courses in the recommended sequence and tracking their progress through those courses. Students should consult the Academic Catalog for requirements regarding specific courses, programs, and graduation. Students should use SONIS, the college's student information system, to perform degree audits since the information in SONIS contains each student's official course and credit information.

Name: _____   **Date:** _____

The Master of Divinity (M.Div.) degree program equips students called to serve as Christian ministers by providing graduate-level knowledge in biblical, theological, and ministerial studies; strengthening doctrinal devotion; and developing methodological and ministerial acumen necessary to lead pastors, chaplains, evangelists, and missionaries, capable of pursuing specialized and advanced graduate degrees.
